Pinellas County

LOCAL MITIGATION STRATEGY

ANNUAL UPDATE

2023-2024

January 26, 2024

Ms. Laura Dhuwe, Mitigation Bureau Chief
State Hazard Mitigation Officer
Florida Division of Emergency Management (FDEM)
2555 Shumard Oak Boulevard
Tallahassee, Florida 32399-2100

RE: **Pinellas County 2023-2024 Local Mitigation Strategy Annual Update**

Dear Ms. Dhuwe:

This letter is sent in compliance with the Florida Administrative Code 27P-22.004(4)(e) requirements pertaining to the 2023 – 2024 annual update of the Pinellas County's Local Mitigation Strategy (LMS) and its working group.

The Chair and the Vice-Chair of Pinellas County's LMS working group were elected at a regularly scheduled meeting on January 17, 2024. Smita Ambadi, Principal Planner, Pinellas County, was elected to continue as the LMS Chair for 2024. Megan Orlando, Emergency Management Specialist, City of St. Petersburg, was elected to continue as Vice-Chair for the year 2024.

The County's LMS membership consists of two types of members: voting and advisory. Voting members include representation from all participating municipalities, and Pinellas County. Advisory members include representation from other public and private agencies including regional partners, nonprofits, and community members. Advisory members do not formally vote but are consulted for technical expertise and valuable input into the planning process. The working group continues to work with and seeks to increase participation of not-for-profit organizations, faith-based associations, and the private sector. The regular schedule of meetings that were held in 2023 are as follows: January 18; April 5; July 12; August 23 (LMS Annual Update Training); and October 4. Three additional meetings were scheduled as a part of the Hazard Mitigation Grant Program (HMGP) project prioritization process or in response to requests for information received for projects, that were submitted for HMGP funding. March 8th and April 12th meetings were scheduled for FEMA 4673-DR-FL HMGP-Ian; and the November 1st meeting for HMGP-Ian. Discussion topics and other pertinent information were disseminated by email. All quarterly meetings are posted on Pinellas County's LMS webpage, including the regular schedule for 2024.

The following is the list of attachments enclosed with the letter:

1. Annual LMS Update Memo 2023-2024;
2. Completed Annual Compliance Form - 27P-22 Fillable Form 2023-2024;
3. Pinellas County 2023-2024 LMS Working Group Roster;
4. Email Invitations to the Municipalities and other members;
5. Table A-1 Countywide Outreach;
6. Table A-2 Municipal Outreach Matrix;
7. Table D-1 Mitigation Initiatives;
8. Table D-2 Accomplishments; and
9. Pinellas Multijurisdictional Community Rating System Annual Report for Program for Public Information, Flood Insurance Improvement Plan and Flood Response Plan.

The 2023-2024 Pinellas LMS Roster, Countywide Outreach, Municipal Outreach Matrix; Mitigation Initiatives; and Accomplishments, were approved by the LMS Working Group at the January 17, 2024, meeting.

If you have any questions or require any further information, please feel to contact my office at 727-464-8200 or via email at clstricklin@pinellas.gov.

Sincerely,

Carol Stricklin, AICP
Director, Pinellas County Housing and Community Development Department

cc: Commissioner Kathleen Peters, Chair
Pinellas County Board of County Commissioners

Catherine Perkins, Director
Pinellas County Emergency Management

LMS ANNUAL UPDATE MEMO

2023-2024

STATE OF FLORIDA
DIVISION OF EMERGENCY MANAGEMENT

Ron DeSantis, *Governor* **Kevin Guthrie,** *Executive Director*

MEMORANDUM

TO: County Director of Emergency Management
Local Mitigation Strategy Working Group Chair/Coordinator

FROM: Laura Dhuwe, Mitigation Bureau Chief
State Hazard Mitigation Officer
Florida Division of Emergency Management

SUBJECT: Annual request for LMS update, per 27P-22.004(4)(e) Florida Administrative Code

The purpose of this memo is to remind the Local Mitigation Strategy (LMS) Chairperson of the Florida Administrative Code 27P-22.004, which requires an annual update of information regarding the LMS plan and working group.

Please fill out the 27P-22 Fillable Form and provide the following materials:

- Current list of members of the LMS working group, identifying current chairperson, vice chairperson, and/or coordinator (and contact information for each including email, phone, and mailing address)
- Documentation showing that the county has issued a written invitation to each municipality to participate in the LMSWG, within the preceding year.
- Current list of mitigation measures, identifying responsible agency/department, associated funding sources and their estimated costs, and expected timeframes for completion (also referred to as action item list, mitigation initiatives, or prioritized project list)
- Major changes (if applicable) to the local hazard assessment, critical facilities list, repetitive properties list, or plan maps occurring in the last year

The Florida Administrative Code 27P-22.004 is enclosed for your reference. Please note that this is not a request for your 5-year plan update.

Please email this updated information by the last working weekday of January 2024 (Wednesday, January 31, 2024) to MitigationPlanning@em.myflorida.com.

Upon submittal, our office will issue a letter of compliance. If your county does not submit the annual update information by the deadline, our office will issue a non-compliance letter on the first working day of February 2024.

Please contact your LMS Liaison with any questions. Thank you in advance for your cooperation.

Annual Update Requirement

Documentation showing that the county has issued a written invitation to each municipality to participate in the LMS working group, within the preceding year.

Supporting documents:

- Email invitations to the municipalities and other public and private agencies, requesting participation in the LMS Working Group meetings; 2023-2024 Annual Update process; and LMS Annual Update Training.

- Email invitations to the municipalities and other public and private agencies, regarding the Hazard Mitigation Grant Program (HMGP) IAN (4673-DR-FL); HMGP NICOLE (4680-DR-FL); and other funding sources, FDEM's Residential Mitigation Flyers, an upcoming event, and training opportunity.

Subject: LMS Working Group Meeting - AGENDA (Oct. 4th)

Attachments: LMS WG - AGENDA & MEETING MINUTES - Oct 4 2023.pdf; LMS Meeting Attendees - 8-23-2023.xlsx

Categories: IMPORTANT, LMS

Good afternoon everyone,

Please find attached, the **agenda for the Oct. 4th LMS Working Group Meeting.**

Here is some related information:

- **HMGP – Nicole (DR-4680)**
  At this meeting, we will be requesting the LMS Working Group to review a proposed Prioritized Project list for Hazard Mitigation Grant Program (HMGP) – Nicole.

- **TABLE D-1**
  We will also be requesting the LMS Working Group, to review and/or approve the new projects that are being requested to be added to Table D-1, both for HMGP-Nicole as well as Building Resilient Infrastructure and Communities (BRIC) grant.

- **ATTENDANCE**
  Also attached is the meeting attendance from the Aug. 23rd LMS Annual Update Training.

Please let me know if you have any questions.

Feel free to forward the meeting invite and the agenda, to anyone who might be interested in attending. Please note, the Oct. 4th LMS meeting will be a **virtual meeting via Zoom.**

Thanks and have a great day!

Subject: 2023 LMS Annual Update

Attachments: PINELLAS LMS ROSTER 2022-2023 8-21-2023.xlsx; TABLE A-2 MUNICIPAL OUTREACH 1-18-2023.xlsx; LMS TABLE D-1 INITIATIVES - 8-18-2023.xlsx; TABLE D-2 ACCOMPLISHMENTS 1-18-2023.xlsx; BLANK Project Scoring Sheet.xlsx

Good afternoon everyone,

We are starting with our **2023 - 2024 Local Mitigation Strategy (LMS) Annual Update process.**

Please find attached, the related documents. I request your help in updating these documents:

1. **LMS Working Group Roster;**
2. **Table A-2 Municipal Outreach Matrix;**
3. **Table D-1 Mitigation Initiatives;**
4. **Table D-2 Accomplishments;** and
5. **Blank Scoring Sheet – to be filled out for each new project** that you are requesting to add to Table D-1.

- Please review the spreadsheets and update them as needed. **Once you are done updating, please email them back to me. I would appreciate, if you could send me all updated documents by November 30, 2023.**
  In case you have any questions and/or need additional time, please let me know. I would be happy to help. We can also go over any questions that you might have regarding the updates, at the **next LMS Working Group Meeting – Oct. 4th**.

- **LMS Working Group Roster**
  The LMS Roster has been recently updated, based on some requests that I received. Please review and edit as needed and send me back the updated roster. Also please share the roster, with whoever might be interested in joining our LMS Working Group.

- **FY 2023 Building Resilient Infrastructure and Communities (BRIC)**
  Just a reminder about the 2023 BRIC grant program. If you are planning to apply for BRIC this year, and if your project is not currently in the LMS Table D-1, please let me know. I can work with you, to get the process started. New project requests received for BRIC, will be presented to the LMS Working Group at the Oct 4th meeting.

Please let me know, if you have any questions or concerns.

Thank you for your help with this!

Dear FRMPIWG Community Leads (all others feel free to comment as well),
Please take a moment to review both spreadsheets. Pay special attention to the Initiatives spreadsheet and send any changes or direct any questions for both sheets to Maxine and me **as soon as possible**. We need to get these tables updated.

We appreciate your assistance in a quick review of this information.

Sincerely,
Cece McKiernan

Dear FRMPIWG member,
Please take a moment to review the attached Annual Report (**especially Tables 1-1 and 1-2 listing the Core and Support Members**) and the OP matrix (**make sure we have all your outreach projects listed correctly**).

Provide comments to both Maxine and me by COB Friday, January 12th so we can forward it to the State for review.

We appreciate your participation on the Working Group and your input!

Sincerely,

Subject: LMS Meeting Follow-up - Funding Opportunities Currently Active
Attachments: NOFA DR-4680.pdf; FDEM One Pager LAP.pdf

Hi Everyone,

As was mentioned at the last LMS meeting on July 12th, here's a compilation of some of the funding opportunities that are currently active.
Please note, the application process, eligibility and deadlines, for each of these funding opportunities are different. Please refer the links below, to learn more about the programs that you are interested in and for grant-specific contact information.

1. **Hazard Mitigation Grant Program (HMGP) Nicole (DR-4680)**
   - This grant funding is provided by FEMA and administered through the **Florida Department of Emergency Management (FDEM)**, who acts as the subrecipient.
   - Allocated amount for Pinellas County for this HMGP funding is: $75,984.36.
   - Application period is currently open.
   - Application Deadline: **August 29, 2023.**
   - To apply for this, the project seeking funding, needs to be listed in the Local Mitigation Strategy's Table D-1. The final list of projects that can apply for this grant funding, is approved by the LMS Working Group. If you have any questions, regarding the process for getting the project added to the LMS, please let me know.
   - Attached is the Notice of Funding Availability for this HMGP grant.
   - Learn more about this funding at: https://www.floridadisaster.org/dem/mitigation/hazard-mitigation-grant-program/

2. **Community Development Block Grant Disaster Recovery (CDBG-DR) for Hurricane Ian**
   - This grant funding, is administered through the **Florida Department of Commerce (formerly known as the Florida Department of Economic Opportunity), through the Office of Long-term Resiliency.**
   - This funding is specifically focused on unmet recovery and mitigation needs, following Hurricane Ian.
   - A Draft State Action Plan has been developed for this funding. The State Action Plan determines, how the funding will be used to address eligible communities', mitigation as well as long-term resiliency needs. This Draft State Action Plan is currently available for public comment, from July 13, 2023 to August 12, 2023.
   - Pinellas County is one of the 20 communities designated as Most Impacted and Distressed (MID) areas and therefore is eligible to apply for this grant funding.
   - Learn more about this funding opportunity at: https://www.floridajobs.org/community-planning-and-development/assistance-for-governments-and-organizations/disaster-recovery-initiative/hurricane-ian

3. **FY 2023 - 2024 Water Quality Protection Grant Portal**
   - This is administered by the **Florida Department of Environmental Protection (FDEP).**
   - The application period opened on July 5, 2023.
   - It includes several water-related grant programs.

- Application Deadline: **Grant programs have different dates, so please check the closing date posted for each grant program.**
- Learn more about this funding at: https://protectingfloridatogether.gov/state-action/grants-submissions

4. **FY 2023 – 2024 Resilient Florida Grant Program**
   - This is administered through **FDEP.**
   - This funding could be used for projects such as vulnerability assessments; adaptation plans; compliance to "Peril of Flood" statute requirements; etc.
   - It includes, both Planning and Implementation grants, and both coastal and inland communities in Florida are eligible to apply.
   - The application period opened on July 1, 2023.
   - Application Deadline: **September 1, 2023**
   - Learn more about this funding opportunity at: https://content.govdelivery.com/accounts/FLDEP/bulletins/35e960f
   - FDEP is holding "virtual office hours" to help with pre-application assistance. Please refer the Resilient Florida Program Resources website, for more details: https://floridadep.gov/rcp/resilient-florida-program/content/resilient-florida-program-resources

5. **2023/2024 Hurricane Appropriation Program (Hurricane Ian and Nicole)**
   - This is administered through **FDEM.**
   - Under this funding, the Division will award up to $350,000,000.
   - This specifically focuses on, funding gaps in hurricane repairs and recovery to publicly owned facilities that were damaged in the hurricanes; infrastructure repairs; and loss of revenue within the counties that were declared for Hurricanes Ian and/or Nicole.
   - Application portal opened on June 15, 2023.
   - Application Deadline: **July 31, 2023.**
   - Please see attached, additional information about the program.
   - For the application reference guide, presentation, FAQ and recording about the program, please refer: https://www.floridadisaster.org/DEMES/
     For information on the Hurricane Appropriation program, please scroll to the bottom of this webpage.

6. **NOAA – Climate Resilience Regional Challenge**
   - This funding opportunity is administered by **National Oceanic and Atmospheric Administration's (NOAA) Office of Coastal Management.**
   - Approximately $575 million is available for projects.
   - This funding opportunity focuses on, increasing resilience to extreme weather events (e.g., hurricanes and storm surge), as well as to address longer-term, chronic climate hazards (e.g., sea level rise, erosion, heat stress).
   - The first step for this grant is a Letter of Intent submission.
   - The Application Deadline for Letter of Intent submission is: **August 21, 2023.**
   - Due date for full application: **February 13, 2024.**
   - There is no match requirement for this funding.
   - Notice of funding availability for this grant: https://www.grants.gov/web/grants/view-opportunity.html?oppId=348810
   - Learn more about this funding at: https://coast.noaa.gov/funding/ira/resilience-challenge/
     The link to the webinar recording for this grant and its transcript, is available on this above webpage.

Please forward this to whoever might be interested.

Thanks,

Smita

Subject: HMGP-Hurricane Ian (Revised Internal Timeline)

Attachments: Timeline - Pinellas Co HMGP IAN 3-8-2023.xlsx; Intent to Apply - HMGP IAN - 3-1-2023.xlsx; BLANK Project Scoring Sheet.xlsx; TABLE D-1 MITIGATION INITIATIVES 1-18-2023.xlsx

Categories: LMS, IMPORTANT

Good afternoon everyone,

Thank you for attending the LMS Working Group meeting today.

As a follow-up to today's meeting:

- **Timeline**
  - Here's the updated internal timeline that we will follow, for Hazard Mitigation Grant Program (HMGP) – Hurricane Ian. See attached. All changes are highlighted in red.

- **Internal deadline for submitting Intent to Apply Forms and Scoring Sheets**
  - Please note, based on what we discussed, the revised deadline for sending your completed Intent to Apply Forms and the scoring sheets is **March 31, 2023.**
  - Attached is a copy of the Intent to Apply Form for HMGP-Ian and a blank scoring sheet. Please let me know if you have any questions.

- **Upcoming LMS Working Group Meetings**
  - We will have our regular quarterly LMS meeting on Wednesday, April 5th.
  - We will have our LMS meeting to discuss and finalize HMGP-Ian's Prioritized Project List, the following week on **Wednesday, April 12th.**
  - If any of these projects are not already on the LMS Table D-1, we will also be requesting the LMS Working Group to review and approve the addition of these new projects to Table D-1 at this April 12th meeting.

- **LMS Table D-1**
  - Attached is a copy of the latest Table D-1 as was last approved by the LMS Working Group.

Please let me know, if you have any questions.

Thanks,

Smita

Subject: HMGP Hurricane Nicole (NOFA, Intent to Apply and Scoring Sheet)
Attachments: NOFA DR-4680.pdf; HMGP Nicole - Intent to Apply Form.xlsx; BLANK Project Scoring Sheet.xlsx

Categories: LMS, IMPORTANT

Good afternoon everyone,

Here's some information, regarding our internal process for **Hazard Mitigation Grant Program (HMGP) – Nicole (FEMA 4680-DR-FL)**.

- We have our next LMS meeting on **Wednesday, July 12, 1:30 PM.** We will be discussing this funding opportunity at that meeting.

- **NOTICE OF FUNDING AVAILABILITY (NOFA) for HMGP-Nicole**
  Attached is a copy of the NOFA with some key points highlighted**.**
  - For this HMGP, the funding allocation for Pinellas County is approx. $75,985 *- Attachment B of the NOFA.*
  - Activities for which implementation has already been completed or initiated are not eligible for this funding.
  - Projects must demonstrate cost-effectiveness.
  - Please check eligibility *– Pages 3 and 4.*
  - If you have any questions about Program Eligibility contact: *(850) 815-4537 or (850) 815-4503*
  - There is a match requirement (75% Federal and 25% Non-Federal) *– Check Cost-Share Requirements – Page 5.*
  - All project applications must go through the LMS Working Group.
  - FDEM encourages all applications, to solely be uploaded through the FDEM Portal. If you choose to submit a hard copy of the application, a digital submission through the FDEM Portal **is strongly advised.**

- **APPLICATION DEADLINE:** The application deadline for this HMGP is: **Oct. 20, 2023.**

- **INTENT TO APPLY**
  If you are interested in applying for this specific HMGP, **please fill out the attached Intent to Apply form and send it to me.**
  Please do check your eligibility to apply, as well as the overall eligibility of your project, prior to filling out the Intent to Apply form. **Also please send a completed scoring sheet for each project that is being submitted.** See attached blank scoring sheet.

- **TIMELINE**
  At the July 12th LMS meeting, we can discuss the timeline for developing our Prioritized Project List for this HMGP. We can also decide the internal deadline for submission of the Intent to Apply forms, that would work for everyone.

Please let me know, if you have any questions and/or are unable to attend the upcoming LMS meeting.

I am hoping you have already started thinking of projects at your end. Please note, you can always reach out to the State for guidance on your projects, prior to the completion of our internal process for the Prioritized Project List. I would encourage you to reach out to the State, with any questions that you might have and also to understand the application requirements specific to your project, so that you can best utilize the time till October 20th. **The contact information for Environmental; and Engineering and Technical Feasibility, are given on Page 7 of the attached NOFA.**

Please feel free to share this email with anyone who might be interested in this grant opportunity.

Thanks,

Smita

Subject: A Special Invitation for our FRMPI Working Group - Pinellas County 5th Annual virtual Green Infrastructure Workshop

CAUTION: *This message has originated from outside of the organization. **Do not** click on links or open attachments unless you are expecting the correspondence from the sender and know the content is safe.*

Letting our Working Group know about this Workshop. **Attendance is not required but certainly encouraged!**

Pinellas County Green Infrastructure Workshop is $35 and offers 5 credits for either CM for AICP, CEU for CFM, and PHD for PE.

Eventbrite link here: https://www.eventbrite.com/e/pinellas-county-green-infrastructure-workshop-the-stormwater-manual-2023-tickets-667022481197

Description:
Join Pinellas County for their 5th Annual virtual Green Infrastructure Workshop on Tue Nov 14, 2023, from 9:00-4:00 (Eastern Standard Time). This workshop is designed for anyone interested in learning about the latest trends and technologies in sustainable infrastructure. Our expert speakers will cover a range of topics including stormwater rules, climate-smart landscape design, green Infrastructure maintenance, and more. Don't miss this opportunity to connect with like-minded professionals and gain valuable insights into the future of green infrastructure.

Sincerely,
Cece McKiernan
President, McKiernan Consulting Services

Subject: FW: 2024 Pinellas Disaster Recovery Listening Sessions

Hi All,

Please see below, an upcoming event organized by **TBRPC – Pinellas Disaster Recovery Listening Session.**

It is a hybrid meeting. You can also join virtually.
Please share it with others who might be interested.

Thanks and have a great weekend!

Smita

Subject: 2024 Pinellas Disaster Recovery Listening Sessions

CAUTION: *This message has originated from outside of the organization. **Do not** click on links or open attachments unless you are expecting the correspondence from the sender and know the content is safe.*

The **Tampa Bay Regional Planning Council**, in partnership with Florida Commerce, the Florida Division of Emergency Management, and the Economic Resource Support Function (RSF), invites you to a Disaster Recovery Listening Session with state and federal partners. The session's goal is to hear about the damage caused by disasters (flooding, hurricanes, tornadoes, etc.) in Pinellas and surrounding counties, the vulnerabilities in the region, and the recovery process. The TBRPC will use this information and project ideas to match funding with creative solutions to support long-term economic recovery planning, project implementation, economic diversification, and resiliency. With that in mind, the TBRPC will provide resources to:

1. Find Federal Disaster Recovery and Mitigation Funding,
2. Connect stakeholders to relevant federal and state programs and local contacts,
3. Discuss creative concrete examples of how these resources can aid your community in economic recovery,
4. Establish working relationships for advancing long-term economic, and recovery and resiliency.

Pinellas Disaster Recovery Listening Session

Thursday, February 8th, 2024

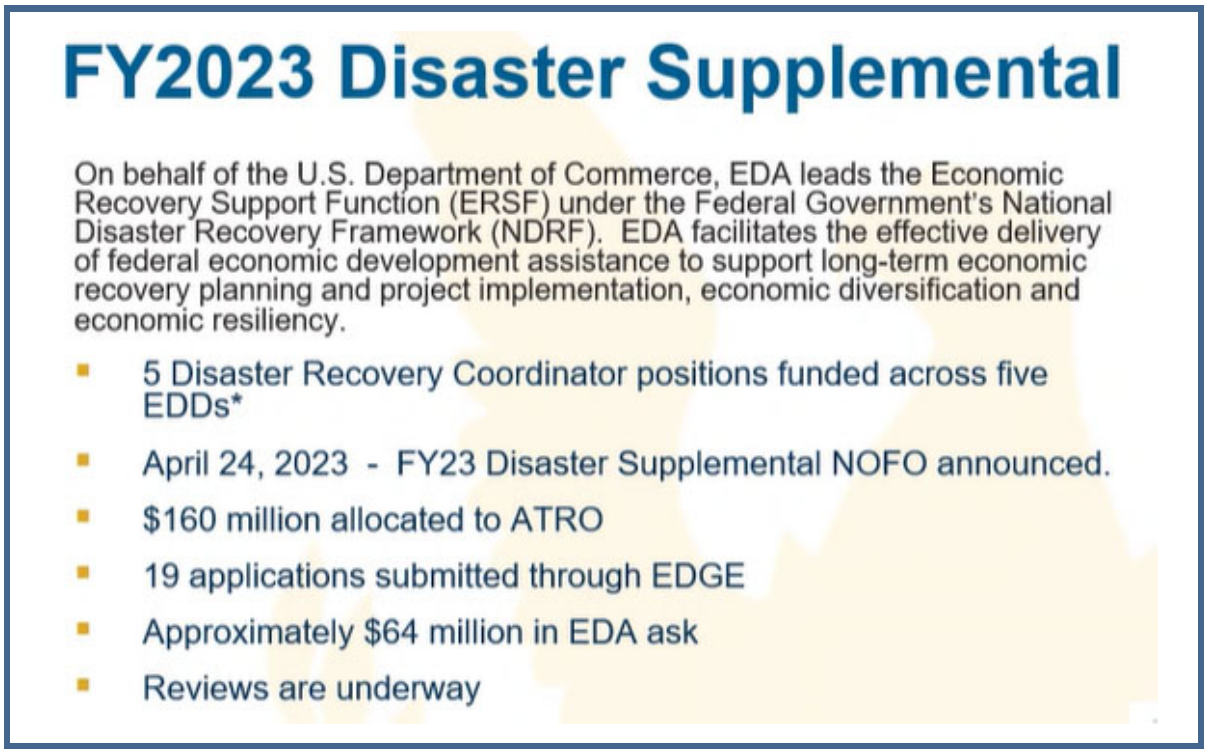

8:00 a.m. – 12:00 p.m.

Tampa Bay Regional Planning Council

4000 Gateway Centre Blvd #100, Pinellas Park, FL 33782

Subject: Residential Mitigation Flyers

CAUTION: *This message has originated from outside of the organization. **Do not** click on links or open attachments unless you are expecting the correspondence from the sender and know the content is safe.*

Good morning All,

Attached are the recently updated FDEM Residential Mitigation flyers – one is for safe room inquiries and the other is for everything else (structure acquisition/demolition or buyout, structure elevation, and residential wind retrofit). These flyers can be given to residents seeking funds for mitigation projects. They explain the basics of the applicable mitigation grant programs and outline the process for getting connected with the appropriate Local Mitigation Strategy Working Group contact.

We have created an email specific to these inquiries: residentialmitigation@em.myflorida.com. Residents are welcome to email us and we will provide the appropriate contact information.

Please let me know if you have any further questions.
Thank you,

Kristin Lentz | Planning Unit Manager
Bureau of Mitigation
Florida Division of Emergency Management
Cell: (850) 273-2950 | Office: (850) 815-4519
Kristin.Lentz@em.myflorida.com

Under Florida law, correspondence with the Florida Division of Emergency Management concerning agency business that is neither confidential nor exempt pursuant to Florida Statutes is a public record and will be made available to the public upon request.

Annual Update Requirement

Current list of mitigation measures, identifying responsible agency/department, associated funding sources and their estimated costs, and expected timeframes for completion (also referred to as action item list, mitigation initiatives, or prioritized project list).

TABLE D-1 MITIGATION INITIATIVES

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-1: Mitigation Initiatives

Total Score	Jurisdiction/ Organization	Project Name	Description/ Natural Hazard Addressed (Key: 1=Flooding; 2=Storm Wind; 3=Erosion; 4=All Hazard)	Est. Cost	Timeframe / Status	Possible Funding Sources	Date Last Reviewed	Date Last Updated	Comments	Updated By
1142	AdventHealth North Pinellas	Building Envelope for Hurricane Hardening	Complete building envelope of hospital facility to withstand hurricane winds/2	$16,800,000	FY20/21	None. Capital funding through AdventHealth	1/17/2024			Carol Clark
1065	The Arc Tampa Bay	The Arc Tampa Bay Residential Mitigation Project - Group Home	Installation of impact resident windows for residential properties for opening protection. One facility is a group home for medical/aging residents with intellectual and developmental disabilities that is used as a shelter during hurricanes. 2 group homes evacuate to this location. There is a generator onsite. The other property is a group home for individuals with autism spectrum disorder. This home is not occupied during hurricane events but wind mitigation activities would strengthen post-event resiliency and return to normalcy for residents.	$55,000	FY23/24	Local funding, HMGP	1/17/2024			Carolyn Reginelli
1025	Baycare, Inc. / St. Petersburg	Hospital EOC	Construct new EOC. Estimated completion time: more than 12 months. / 4	$1,100,000	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024			
1150	Bayfront Medical Center / St. Petersburg	Harden Window Openings - Building A	Harden the exterior of Building A and install new hurricane-rated windows. Estimated completion time: more than 12 months. / 2	$1,217,370	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024			
1150	Bayfront Medical Center / St. Petersburg	Harden Window and Roof - Building C Center	Harden the exterior including hurricane-rated windows and roofing system to protect against high wind velocity events. Estimated completion time: more than 12 months. / 2	$2,789,889	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024			
1150	Bayfront Medical Center / St. Petersburg	Harden Window and Roof - Building C South	Harden the exterior including hurricane-rated windows and roofing system to protect against high wind velocity events. Estimated completion time: more than 12 months. / 2	$4,575,295	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024			
1150	Bayfront Medical Center / St. Petersburg	Harden Window and Roof - Building C North	Harden the exterior including hurricane-rated windows and roofing system to protect against high wind velocity events. Estimated completion time: more than 12 months. / 2	$4,646,281	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024			
1090	Bayfront Medical Center / St. Petersburg	Harden Cancer Care Center	Harden the exterior including the roof, windows and walls to ensure continuity of operations. Estimated completion time: more than 12 months. / 2	$430,003	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024			
1070	Bayfront Medical Center / St. Petersburg	Harden West Lobby	Harden the roof and curtainwall window assembly to protect against high wind velocity events. Estimated completion time: more than 12 months. / 2	$1,250,200	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024			
1000	Bayfront Medical Center / St. Petersburg	Harden Mechanical Room & Medical Gas Enclosure - Building B/C	The Mechanical Room and a fenced lean to will be hardened. Estimated completion time: more than 12 months. / 2	$1,000,000	Currently Unfunded	Emergency Management, Preparedness and Assistance Trust Fund, HMGP; PDM Program	1/17/2024			
995	Bayfront Medical Center / St. Petersburg	Building C Boiler / Chiller Plant Hardening & Rooftop Equipment Mitigation	The hospital's boiler & chiller plant needs hardening for severe weather mitigation. Estimated completion time; More than 12 months. / 2	$1,000,000	Currently Unfunded	Emergency Management, Preparedness and Assistance Trust Fund, HMGP; PDM Program	1/17/2024			
995	Bayfront Medical Center / St. Petersburg	Tank Farm Enclosure	On the South side of Building C, the Oxygen Tank Farm will be hardened. Estimated completion time; more than 12 months. / 2	$1,000,000	Currently Unfunded	Emergency Management, Preparedness and Assistance Trust Fund, HMGP; PDM Program	1/17/2024			
995	Bayfront Medical Center / St. Petersburg	Life Services Building Window, Door & Wall Hardening	The Life Services Building needs windows, doors and walls hardened for protection against high wind velocity and severe weather events. Estimated completion time; more than 12 months. / 2	$1,000,000	Currently Unfunded	Emergency Management, Preparedness and Assistance Trust Fund, HMGP; PDM Program	1/17/2024			
990	Bayfront Medical Center / St. Petersburg	Child Development Center Wind, Door & Roof Hardening	Harden windows, doors and roof for hurricane and severe weather mitigation. Estimated completion time: more than 12 months. / 2	$1,000,000	Currently Unfunded	Emergency Management, Preparedness and Assistance Trust Fund, HMGP; PDM Program	1/17/2024			
980	Bayfront Medical Center / St. Petersburg	Family Health Center Structural Hardening	Harden walls and roof to mitigate high wind velocity. Estimated time of completion: 12 months. / 2	$1,000,000	Currently Unfunded	Emergency Management, Preparedness and Assistance Trust Fund, HMGP; PDM Program	1/17/2024			
980	Bayfront Medical Center / St. Petersburg	Haden Exterior - Building C East - Area 4	Harden the exterior of Building C East - including hurricane-rated windows, walls, doors and roofing system to protect against high wind velocity events. / 2	$3,070,827	Currently Unfunded	Emergency Management, Preparedness and Assistance Trust Fund, HMGP; PDM Program	1/17/2024			
1089	Belleair Beach	STREET AND DRAINAGE IMPROVEMENTS FROM 9TH STREET TO MORGAN DRIVE	The 9TH Street to Morgan Drive Stormwater and Roadway Improvement Project includes the mill and resurfacing of approximate 26,181 Square Yards of residential roadway, curb replacement, stormwater collection improvements including installation of 3 inlets, replacing 9 inlet tops, installation of 656 Lineal Feet of Cured-in-Place-Pipe lining in existing stormwater culverts, clear debris and remove barnacles from stormwater culverts.	$4,100,000	Construction	Local Funds	1/17/2024	8/16/2016		Kyle Riefler
910	Belleair Beach	Stormwater Management	Stormwater repairs, improvements, and replacing curb work.	$60,000	Design	Local Funds	1/17/2024	8/16/2016		Kyle Riefler
1086	Belleair Beach/Public Works	Gulf Blvd. Utility Undergrounding	Undergrounding overhead power utilities and equipment to build resiliency in Belleair Beach. Project includes east side of Gulf Blvd. from the City Marina to 28th Ave. N. Provides a major reduction to power outages and reduce threat to human life.	$4,729,757	Construction	HMGP, Local Funds	1/17/2024			Kyle Riefler
970	Belleair Bluffs / Public Works	City Hall Storm Shutters	Install commercial roll-down storm shutters to protect city hall. Estimated completion time: more than 12 months.	$80,000	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024			RUSSELL SCHMADER, PUBLIC WORKS SUPERVISOR
1044	Belleair Bluffs / Public Works	PUBLIC WORKS FACILITY - UNDERGROUND GAS RUN GENERATOR	A fully operational gas line operated building generator for use during any outages, storms, storm preparations. It is imperative that the public works facility be ready to mitigate storm risks at all times for residents, businesses, major street clearance. There is currently NO generator at the facility; therefore all preparations have to be prepared Prior to the storm as well as getting all vehicles, machinery, tools ready.	$20,000	Currently Unfunded	City Funds that would be reallocated from other budget line items.	1/17/2024			RUSSELL SCHMADER, PUBLIC WORKS SUPERVISOR
1154	Belleair Bluffs City Hall	GAS GENERATOR FOR CITY HALL	A fully operational gas line operated building generator for use during any outages, storms, storm preparations. It is imperative that the public works facility be ready to mitigate storm risks at all times for residents, businesses, major street clearance. There is currently NO generator at the facility; therefore all preparations have to be prepared Prior to the storm as well as getting all vehicles, machinery, tools ready. This would be a replacement generator from the one that was installed when the building was completed in 2002. The maintenance costs are becoming insurmountable and the need is urgent.	$100,000	Currently unfunded	City funds that have been reserved or/and reallocated from the Capital Fund	1/17/2024			RUSSELL SCHMADER, PUBLIC WORKS SUPERVISOR

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-1: Mitigation Initiatives

Total Score	Jurisdiction/ Organization	Project Name	Description/ Natural Hazard Addressed (Key: 1=Flooding; 2=Storm Wind; 3=Erosion; 4=All Hazard)	Est. Cost	Timeframe / Status	Possible Funding Sources	Date Last Reviewed	Date Last Updated	Comments	Updated By
1095	Clearwater / Public Utilities	Purchase and install manhole pans	This project is to purchase and install 17,614 manhole pans. These manhole pans are designed to limit rainwater from entering the waste water collection system when a manhole is submerged. This can help with storms that cause standing water or storm surge that has pushed tides onto roadways. Preventing water from entering the water collection system is important because if the pipe or the water reclamation facility cannot keep up with the amount of water entering the system, then a sanitary sewer overflow occurs. This can occur at either the manhole or at the reclamation facility. The Public Utilities Department has selected Rain stopper as their preferred manhole pan. Installation is basic: lift up the manhole, place on the rim of the manhole frame, then lower the manhole lid. Any water entering from the lid is stopped from entering the waste water collection system. The device only weighs ten pounds and is low maintenance since there are no moving parts. The cost of this preventative measure is less than $150 per manhole. The estimated construction length is one year.	$2,625,000	Not approved for HMGP	EMPATF, PDM Program	1/17/2024	5/8/2018		Sarah Kessler
1110	Clearwater / Public Utilities	Purchase and install Stamford Baffles in 4 clarifiers at Marshall Street Facility	There are currently four (4) clarifiers at the Marshall Street Water Reclamation Facility. The project is the purchase and installation of Stamford Baffords on each of those clarifiers. The Baffles will increase performance by reducing the Total Suspended Soils (TSS) entering the effluent trough and adding the hydraulic capacity of the clarifier. The overall performance of the clarifiers will increase by reducing the velocity in the tanks. The baffles will allow clarifiers to handle peak flows associated with large rainfalls and storm surges and reduce the chance of sanitary sewer overflows. The baffles will be installed around the weir and attached to the concrete. The cost of this preventative measure is less than $138,000 per Stamford Baffle. The estimated construction length is one year.	$550,000	Not approved for HMGP	EMPATF, PDM Program	1/17/2024	7/26/2018		Sarah Kessler
1110	Clearwater / Public Utilities	Purchase and install Stamford Baffles in 2 clarifiers at East Facility	There are currently two (2) clarifiers at the East Water Reclamation Facility. The project is the purchase and installation of Stamford Baffords on each of those clarifiers. The Baffles will increase performance by reducing the Total Suspended Soils (TSS) entering the effluent trough and adding the hydraulic capacity of the clarifier. The overall performance of the clarifiers will increase by reducing the velocity in the tanks. The baffles will allow clarifiers to handle peak flows associated with large rainfalls and storm surges and reduce the chance of sanitary sewer overflows. The baffles will be installed around the weir and attached to the concrete. The cost of this preventative measure is less $138,000 per Stamford Baffle. The estimated construction length is one year.	$275,000	No approved for HMGP	EMPATF, PDM Program	1/17/2024	7/26/2018		Sarah Kessler
1080	Clearwater / Public Utilities	Telemetry installation at critical and essential lift stations	This project involves outfitting 23 critical and essential lift stations with telemetry which enable remote monitoring. Allowing real time monitoring of lift stations enables faster responses to issues. This would reduce the likelihood of sanitary sewer overflows. The cost of this preventative measure is less than $18,100 to add monitoring equipment to lift stations. The estimated construction length is 90 days.	$416,000	Not approved for HMGP	EMPATF, PDM Program	1/17/2024	7/26/2018		Sarah Kessler
1043	Clearwater / Public Utilities	Design and install automatic transfer bypass switches	This project includes the design and installation of 23 automatic transfer bypass switches at lift stations, water reclamation facilities, and water treatment facilities. The bypass switch has the ability transfer the electrical load from the electric utility to the back-up generator and switch back when the power is back on. By having an automatic process, there is a reduction in the likelihood that a sanitary sewer overflow will occur. The cost of this preventative measures is $100,000 per bypass switch. The estimated construction length is 6 months.	$2,300,000	Not approved for HMGP	EMPATF, PDM Program	1/17/2024	7/26/2018		Sarah Kessler
996	Clearwater / Public Utilities	Manhole and gravity sewer rehabilitation on Clearwater Beach	This project includes complete coating of structures, replacement of frame and cover of manholes and gravity piping. Through surveys, 333 manholes and 30,245 linear feet of gravity piping were identified as having the potential to allow the inflow and infiltration of stormwater. These corrections are designed to limit rainwater from entering the waste water collection system when a manhole is submerged. This can help with storms that cause standing water or storm surge that has pushed tides onto roadways. Preventing water from entering the water collection system is important because if the pipe or the water reclamation facility cannot keep up with the amount of water entering the system, then a sanitary sewer overflow occurs. This can occur at either the manhole or at the reclamation facility. The estimated construction length is one year.	$4,420,000	Not approved for HMGP	EMPATF, PDM Program	1/17/2024	7/26/2018		Sarah Kessler
900	Clearwater / Engineering	Intermodal Facility	Construction of a new terminal in downtown. Added 2016 /2	$2,425,000	Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	12/16/2016		Sarah Kessler
1070	Clearwater / Engineering	Public Works Complex – Phase 2 Public Utilities and Stormwater Warehouse Facility	New warehouse facility will be built to Category 5 standards. Added 2016 /4	$4,248,134	Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	12/16/2016		Sarah Kessler
1080	Clearwater / Engineering	Public Works Complex – Phase 3 Administration Building with IT Server	New administration building and secure storage of IT servers will be built to Category 5 standards. Added 2016 /4	$10,191,909	Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	12/16/2016		Sarah Kessler
960	Clearwater / Engineering	Public Works Complex – Phase 4 Meter Shop/ Utilities Mechanical Shop/ Survey Office	New facility for meter shop, utilities mechanical shop, and survey office will be built to Category 5 standards. Added 2016 /4	$1,449,586	Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	12/16/2016		Sarah Kessler
1150	Clearwater / Engineering	Public Works Complex – Phase 5 Traffic Operations Facility	New facility for traffic operations will be built to Category 5 standards. Added 2016 /4	$2,626,580	Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	12/16/2016		Sarah Kessler
900	Clearwater / Engineering	Public Works Complex – Phase 6 Urban Forestry/ Parks & Beautification and Infrastructure	New facility for urban forestry and P&B will be built to Category 5 standards. Added 2016 /4	$3,902,806	Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	12/16/2016		Sarah Kessler
1010	Clearwater / Engineering	Acquisition of Repetitive Loss Properties	Several repetitive loss properties have been identified for acquisition Added 2016 /1	$16,000,000	Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	12/16/2016		Sarah Kessler
1030	Clearwater / Engineering	Sunshine Towers Stormwater Pipe Realignment	The realignment of the stormwater pipe under the Sunshine Towers will alleviate flooding from the collapsed pipes under the building. Added 2016 /1	$588,000	Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	12/16/2016		Sarah Kessler
1150	Clearwater / Fire & Rescue	Fire Station 47	Construction of a new fire station in an alternate location. Added 2016 /4	$200,000	Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	12/16/2016		Sarah Kessler
850	Clearwater / Marine & Aviation	Airpark Hanger	Replace airplane hangar. Added 2016 /2	$700,000	Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	12/16/2016		Sarah Kessler
830	Clearwater / Marine & Aviation	Stormwater Management	Construct a stormwater management system at the Marina Added 2016 /1	$7,000,000	Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	12/16/2016		Sarah Kessler

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-1: Mitigation Initiatives

Total Score	Jurisdiction/ Organization	Project Name	Description/ Natural Hazard Addressed (Key: 1=Flooding; 2=Storm Wind; 3=Erosion; 4=All Hazard)	Est. Cost	Timeframe / Status	Possible Funding Sources	Date Last Reviewed	Date Last Updated	Comments	Updated By
800	Clearwater / Marine & Aviation	Marina Walkway	Repair walkway at Marina and protect utilities located under the surface. Added 2016 /1	$1,450,000	Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	12/16/2016		Sarah Kessler
710	Clearwater / Public Utilities	Groundwater Replenishment	Construction of a new hardened facility. Added 2016 /2	$500,000	Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	12/16/2016		Sarah Kessler
970	Clearwater / Public Utilities	Water Treatment Plant #3	The expansion of the water treatment plant will make is possible for the City to produce 100% of the necessary water supply for residents. Added 2016 /4	$13,400,000	Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	12/16/2016		Sarah Kessler
1034	City of Clearwater - Emergency Management	Clearwater Staff/Family Shelter	This project provides a continuous supply of electricity to the city's employee/family shelter located at Morningside Recreation Center. Employee shelters are commonly used during disasters to provide a safe and restful environment to those staff who are required to perform the city's mission essential functions but may have lost their residence to a disaster. In addition, these facilities provide a safe place for the immediate family of employees which provides affected staff greater resiliency against adverse condition to perform essential municipal tasks. Morningside Recreation Center was constructed with an ATS connection to the facility but does not have a dedicated generator.	$480,000	Unfunded	HMGP, Local	1/17/2024			Sarah Kessler
1142	City of Clearwater	City of Clearwater Mast Arm Conversion Project-converting span wire signals to mast arms for wind mitigation	Traffic signals that utilize span wires for signal head attachments are susceptible to wind damage, resulting in twisted signal heads pointing the wrong direction at best, and fallen, knocked down signal spans at worst. Damage to signals during emergencies can result in unsafe electrical exposure to citizens, blocking roadways until signals elements are cleared or restored, and unsafe egress from side streets. These conditions require police control to direct motorists at these locations, diverting police manpower from other needed duties. In addition, repairs require the attention of signal maintenance staff during potentially unsafe weather conditions. Signals that utilize mast arms provide added stability to both the electrical systems as well as the signal heads, which allow the roadway to operate even during adverse weather conditions. Mast arms are metal structures designed to withstand wind speeds up to 150 mph. Signal heads are rigidly mounted to the steel arms providing a rigid, wind resistant installation. The electric cable is fully protected within the mast arms and underground conduit. As long as power is supplied to the signal cabinet, the signal should operate with all signal heads pointing in the correct direction, even during high wind conditions. Span wire signals suffer damage under wind speeds > 60 mph. For span wire signals, repairs due to wind damage are costly and can take up to 8 weeks, depending on the damage and equipment availability. FDOT supports to use of mast arms as the preferred signal support to protect the signal investment and provide the safest, most resilient signalized intersection, especially along coastal areas that are susceptible to storms with high winds. This work includes a total rebuild of 4/5 traffic signals including installation of mast arms including foundations, underground directional bored conduit, traffic signal cabinet, signal heads and pedestrian treatments, vehicle detection systems and electric cable connecting all devices. There will be 3 to 4 mast arms per signal, approximately 12-16 signal heads, 8 pedestrian heads/buttons, one signal cabinet, one ITS cabinet, 1 electric service, 4-6 video detection cameras and/or inductive loop systems per lane per approach, fiber optic cable connections, CCTV connections, and electric cable. Approximate costs to rebuild the traffic signals is $700k per signal, for an estimated cost of $2.8M/$3.5M for construction. An additional cost of $63k/ea ($252k -$315k) is required to develop construction plans. (9% of construction costs) An additional 8% is required for E&I $56k per signal) at the following locations: 1) #1850 McMullen Booth Rd & Eastland Blvd 33759, 2) #1840 McMullen Booth Rd & Ruth Eckerd Hall 33759, 3) #1825 Gulf To Bay Blvd & McMullen Booth Rd 33759 , 4) #1785 Gulf to Bay &Hampton Rd 33759 , 5) # 1755 Gulf to Bay & Park Place 33759	$4,095,000	Unfunded	HMGP, Local	1/17/2024			Sarah Kessler Project Contact: David Lutz, Traffic Engineering Manager (David.Lutz@myclearwater.com, 727-444-8237)
971	Dunedin / Public Works	Lift Station Hardening & Retrofit	Pump stations that receive flow from one or more pump stations through a force main or pump stations discharging through pipes 12" in. or larger are required to provide uninterrupted pumping capabilities. The City has 12 lift stations that meet this requirement and do not have emergency provisions. These lift stations are LS# 3, 2, 12A, 16, 19, 17, 22, 34, 25, 12, 29, and 28 which pump 190,000; 125,000; 100,000; 100,000; 90,000; 55,000; 50,000; 35,000; 30,000; 25,000; 10,000; and 5,000 gallons raw sewage on an average daily flow. The City intends to install diesel driven emergency backup pumps on the nine largest flow lift stations to reduce the chance for significant sanitary sewer overflows (SSO's) during periods of heavy rains or extended power outages. The remaining 3 lift stations shall have portable deisel generators connected to them to provide power and provide uninterupted pumping service. The City is a coastal community and all of the indicated lift stations are close to watersheds and overflows at any station have the potential to have a significant impact on water quality. These improvements will help mitigate impacts on waterways and residents.	$1,500,000	Currently Unfunded		1/17/2024			Russell Ferlita
1065	Dunedin / Public Works	WWTP Backup Generators	The City's Wastewater Treatment Plant (WWTP) has a whole site generator that is aged and has experienced issues staying on line in times of emergency. The City is looking to install separate, smaller generators to power individual portions of the plant at the pumping points to keep water flowing and the process working properly in emergency situations and during power outages. The weak points identified at the plant are: Facility 4 (Headworks of the plant), Facility 7 (Clarifiers and Sludge & Secondary Effluent Pumping), Facility 8 (Denitrification Filters), Facility 13 (Blowers), and Facility 14 (Chemical Dosing). The power requirements for the generators identified are 200kW, 200kW, 300kw, 400kw, and 25kw for Facilities 4, 7, 8, 13, and 14 respectively. The City is a coastal community with an outfall to St. Joseph Sound and failure of the Wastewater Treatment Plant will cause sanitary sewer overflows (SSOs) at the plant, outfall of raw sewage into coastal waters, and have the potential to have a significant impact on water quality. These improvements will help mitigate impacts on waterways and residents.	$1,200,000	Currently Unfunded		1/17/2024			Russell Ferlita
966	Dunedin / Public Works	Lift Station #20 Rehabilitation	Lift station #20 is adjacent to Jerry Branch, a tributary of Curlew Creek. The Florida Department of Environmental Protection (FDEP) along with the Environmental Protection Agency (EPA) listed Curlew Creek on the 303(d) list of impaired waterbodies for a bacteria Total Maximum Daily Load (TMDL). This lift station basin area suffers from Inflow and Infiltration (I&I), is currently undersized, and can experience significant sanitary sewer overflows (SSO's) during periods of heavy rains. This project's intent is to relocate the lift station to a location further from Jerry Branch, to increase the wet well size and capacity, and to mitigate the issues with I&I. These improvements will help mitigate impacts on waterways and residents.	$1,300,000	Currently Unfunded	HMGP	1/17/2024	5/8/2018		Russell Ferlita

Total Score	Jurisdiction/ Organization	Project Name	Description/ Natural Hazard Addressed (Key: 1=Flooding; 2=Storm Wind; 3=Erosion; 4=All Hazard)	Est. Cost	Timeframe / Status	Possible Funding Sources	Date Last Reviewed	Date Last Updated	Comments	Updated By
988	Dunedin / Public Works	Lift Station #32 Rehabilitation	Lift station #32 is adjacent to Jerry Branch, a tributary of Curlew Creek. The Florida Department of Environmental Protection (FDEP) along with the Environmental Protection Agency (EPA) listed Curlew Creek on the 303(d) list of impaired waterbodies for a bacteria Total Maximum Daily Load (TMDL). This lift station basin area suffers from Inflow and Infiltration (I&I), is currently undersized, and can experience significant sanitary sewer overflows (SSO's) during periods of heavy rains. This project's intent is to increase the wet well size and capacity, to mitigate the issues with I&I, and to address issues in the system related to undersized interceptor sewer mains in the system. These improvements will help mitigate impacts on waterways and residents.	$750,000	Currently Unfunded	HMGP	1/17/2024	5/8/2018		Russell Ferlita
970	Dunedin / Public Works	Lift Station Emergency Backup Systems	Install emergency backup pumps on 9 lift stations and emergency generators on 3 lift stations / 1	$1,500,000	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	12/18/2018	Revised cost	Russell Ferlita
920	Dunedin / Public Works	Dunedin Main Library Opening Protection	Install hurricane shutters/opening protection on Dunedin Main Library. / 2	$250,000	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	11/26/2018	Revised cost estimate	Joseph DiPasqua
1155	Dunedin	Manhole Reinforcement via structural lining	The project will increase resiliency of the lift station and sanitary sewer basin by increasing durability as well as prolonging the useful life of the existing system and its ability to carry flows safely through the basin. The structural lining of the sewer basin manholes will allow for the increased protection of residences and infrastructure serviced in the sewer basin area and the protection of the treatment capacity of the City's WWTP. The project will avoid the open cut method of removing and replacing the existing infrastructure. The project will decrease inflow and infiltration during emergency storm events while mitigating Sanitary Sewer Overflow effects. The project will consist of structural reinforcement of approximately 133- 4ft diameter manholes of various depth. Key basins were chosen for their susceptibility to structural failure due to age and material type. City of Dunedin Basin Manholes 1, 2, 5, and 16 were chosen.	$399,000	Currently Unfunded	Local funding, HMGP	1/17/2024			Matthew Woodham
1133	Dunedin	Sanitary Sewer CIPP for I&I and SSO mitigation	The project will increase resiliency of the lift station and sanitary sewer basin by increasing durability as well as prolonging the useful life of the existing system and its ability to carry flows safely through the basin. The lining of the sewer basins will allow for the increased protection of residences serviced in the sewer basin area and the protection of the treatment capacity of the City's WWTP. The project will avoid the open cut method of removing and replacing the existing infrastructure. The project will decrease inflow and infiltration during emergency storm events while mitigating Sanitary Sewer Overflow effects. The project will consist of lining approximately 55,000 linear ft. of sanitary sewer pipe. Key basins were chosen for their susceptibility to structural failure due to age and material type. City of Dunedin Basins 1, 2, 5, and 16 were chosen.	$2,500,000	Currently Unfunded	Local funding, HMGP	1/17/2024			Matthew Woodham
1118	Dunedin	City of Dunedin Lift Station Rehabilitation and Reinforcement	The project will increase resiliency of the lift station and sanitary sewer basin by increasing durability as well as prolonging the useful life of the existing system and its ability to manage flows safely through the lift station collection points, well capacities, and forcemain system. The rehabilitation and reinforcement of the lift stations will allow for the increased protection of residences serviced in the sewer basin area and the protection of the treatment capacity of the City's WWTP. The project will avoid the reactionary measures of catastrophic failure, ensuring continued operation in emergency situations.. The project will assure design capability and capacity during emergency storm events while mitigating Sanitary Sewer Overflow effects. The project will consist of rehabilitation and reinforcement of 10 susceptible Lift Stations within the City of Dunedin Sanitary network. Key basins were chosen for their susceptibility to structural failure due to age and material type. City of Dunedin Lift Stations 1,2,3,4,8,10,15,17,33, and 36 were chosen.	$1,900,000	Currently Unfunded	Local funding, HMGP	1/17/2024			Matthew Woodham
970	Eckerd College / St. Petersburg	Building Flood/Wind Retrofit	Retrofit priority support building to address vulnerabilities to high winds and/or flooding based on engineering evaluation. Estimated completion time: more than 12 months. / 1, 2	$250,000	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	10/24/2016		Adam Colby
940	Eckerd College / St. Petersburg	Building Flood/Wind Retrofit	Retrofit academic building to address vulnerabilities to high winds and/or flooding based on engineering evaluation. Estimated completion time: more than 12 months. / 1, 2	$250,000	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	10/24/2016		Adam Colby
1090	Gulfport / Public Works	Stormwater Project	Enlarge drainage pipes and construct retention ponds citywide to reduce street and yard flooding to improve drainage in low lying areas of the City. Estimated completion time: more than 12 months. / 1	$500,000	Currently Unfunded	Capitalization Grants for Clean Water State Revolving Funds; CDBG; FMAP; HMGP; Nonpoint Source Implementation Grants	1/17/2024	10/31/2017		Michael Taylor
1035	Gulfport / Public Works	Flood Mitigation in Waterfront Redevelopment District	Construct storm doors for commercial businesses within the 100-year floodplain of the Waterfront Redevelopment District. Estimated completion time: more than 12 months. / 1	$60,000	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	10/31/2017		Michael Taylor
1030	Gulfport / Community Development	Land Acquisition	Public purchase of properties that are flood prone or at high risk/exposure to being flooded or experience wave action/erosion. Estimated completion time: more than 12 months. / 1	$500,000	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	10/31/2017		Michael Taylor
1015	Gulfport / Public Works	Municipal EOC	Build a new City EOC, 1617 - 49th Street South. Estimated completion time: more than 12 months. / 4	$3,500,000	Currently Unfunded	HMGP, Local	1/17/2024	10/31/2017		Michael Taylor
1,247	Gulfport / Public Works, Community Development	City Hall Complex – EOC Generators Installation	Hurricane Irma left 85% of Gulfport without power for more than one week, destroying 17 transformers and downing many power lines. City Hall complex was without electricity for one week. City Hall complex is the city's EOC and consists of three buildings: City Hall/Police Department, Fire Department, and Public Services. No power at the EOC complex compromised the City's emergency services and ability to respond and recover from Irma due to the lack of communications within and outside of the City, the use of computers, telephones, radios, and the equipment for damage assessment and monitoring of critical facilities such as water and lift stations. Replace two generators and install 1 new generator. One new generator will be 300 Kw, two other new generators will be 150Kw. / 4	$334,000	HMGP Application approved by FDEM and FEMA. Project is currently under construction.	HMGP, Local	1/17/2024	10/31/2017		Michael Taylor
1,284	Gulfport / Public Works, Community Development	Generator Installation at Alternate EOC	Hurricane Irma left 85% of Gulfport without power for more than one week, destroying 17 transformers and downing many power lines. City Hall complex and the Public Works building was without electricity for one week. City Hall complex is the city's EOC but lies within Evacuation D Zone. Therefore, the Public Works building is the alternate EOC since it is not in a flood zone or evacuation zone. No power for the EOC complex and Public Works building compromised the City's emergency services and ability to respond and recover from Irma due to the lack of communications within and outside of the City, the use of computers, telephones, radios, and equipment for damage assessment and monitoring of critical facilities such as water and lift stations. Install one 100Kw generator. /4	$75,204	HMGP Application was approved by FDEM and FEMA. Project is currently under construction.	HMGP, Local	1/17/2024	10/31/2017		Michael Taylor

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-1: Mitigation Initiatives

Total Score	Jurisdiction/ Organization	Project Name	Description/ Natural Hazard Addressed (Key: 1=Flooding; 2=Storm Wind; 3=Erosion; 4=All Hazard)	Est. Cost	Timeframe / Status	Possible Funding Sources	Date Last Reviewed	Date Last Updated	Comments	Updated By
1250	Indian Rocks Beach / Public Works	Stormwater Drainage	Reconstruction of small basin stormwater collection and discharge facilities as required by NPDES. Based upon an updated Stormwater Master Plan in 2022, multiple City facilities are scheduled to be upgraded moving forward over a 20 year period and thereby be in compliance with NPDES regulations. One segment on 16th Avenue and one segment on 2nd Street are scheduled to be constructed /completed in 2023 with 3 segments on Harbor Drive scheduled to be designed in 2023.	$2,833,218	2023	City of Indian Rocks Beach Capital Improvement Plan; Capitalization Grants for Clean Water State Revolving Funds; CDBG; FMAP; HMGP; Nonpoint Source Implementation Grants; Penny for Pinellas; SWFWMD	1/17/2024	10/9/2017		Dean Scharmen
893	Indian Rocks Beach / Public Works	Gulf Blvd Utility Undergrounding - Phase II	To make aesthetic and safety improvements to Gulf Boulevard, including undergrounding of the Gulf Blvd. overhead utilities and equipment. Phase II of the project, about $5.5 million in costs, would start at the 506 Gulf Boulevard (ending point for Phase I) and continue North approximately 1 mile.	$5,696,869	The City has contracted with a consultant for the engineering, design and construction of the project in April of 2021. Completion is anticipated by September 2026.	Pinellas County, City of Indian Rocks Beach Capital Improvement Plan	1/17/2024			Dean Scharmen
860	Indian Rocks Beach / Public Works	Road Milling, Resurfacing and Curbing	Road deterioration causes safety hazards and negatively impacts the attractiveness of the neighborhood. This project includes continuation of street milling, resurfacing, and curb replacement and includes updating the drainage system in the areas resurfaced. This project also includes concrete curb and gutter replacement and asphalt milling and resurfacing at selected locations in Fiscal Years 2021-2025.	$2,500,000	In CIP for the next five years	City of Indian Rocks Beach Capital Improvement Plan; SWFMD	1/17/2024	10/9/2017		Dean Scharmen
1030	Indian Shores / Town Administrator	Critical Facility Rebuild	Build new town hall, police department and annex buildings. Estimated completion time: more than 12 months. / 2	$3,500,000	Currently Unfunded	FMAP; HMGP; PDM Program	1/17/2024			
915	Indian Shores / Town Administrator	Seawall Erosion Control	Reconstruct seawall with tiebacks at Intra Coastal Waterway and Town Street. Estimated completion time: more than 12 months. / 3	$160,000	Currently Unfunded	Capitalization Grants for Clean Water State Revolving Funds; CDBG; FMAP; HMGP; Nonpoint Source Implementation Grants	1/17/2024			
865	Indian Shores / Town Administrator	Detention Pond	Create a detention pond and storm water drainage system in the community redevelopment area. Estimated completion time: more than 12 months. / 1	$100,000	Currently Unfunded	Capitalization Grants for Clean Water State Revolving Funds; CDBG; FMAP; HMGP; Nonpoint Source Implementation Grants	1/17/2024			
1229	Johns Hopkins All Children's Hospital	Hardening Medical Structures for John Hopkins All Children's Hospital	John Hopkins All Children's Hospital Campus structures are out of date regarding the structural system being resistant to current code level wind speeds for their doors and their main hospital needs its roof tie-downs to be upgraded. These mitigation measures will harden the envelope of the structures and prevent future wind and flood damage when a hurricane impacts the campus. The cost presented above is to replace doors on 2 buildings and the roof tie downs on the main hospital. These structures provide essential care to children across the county and throughout the Tampa Bay Area. They are a research and teaching hospital with a network of over 590 physicians and specialists. They provide various pediatric medical services including emergency care, cardiology, and cancer care. Replacing these doors and roof tie-downs is critical to ensure these emergency services remain operational and can continue in the wake of a disaster.	$393,908	Currently Unfunded	HMGP	1/17/2024			Shanti Smith Copeland
910	Kenneth City / Public Works	Stormwater Management	Repair, rework, and replace components in the Kenneth City storm drain system. Estimated completion time: more than 12 months. / 1; Project is ongoing. The Town routinely funds ongoing stormwater improvements annually in conjunction with the Town's Capital Improvement Plan (CIP). The Town would utilize the services of a contractor to complete these updates, as identified in our future Stormwater Plan.	$300,000	Currently Unfunded	Capitalization Grants for Clean Water State Revolving Funds; CDBG; FMAP; HMGP; Nonpoint Source Implementation Grants	1/17/2024			
910	Kenneth City / Public Works	Stormwater Management	Repair, rework, and replace components in the Kenneth City storm drain system. Estimated completion time: more than 12 months. / 1; Project is ongoing. The Town routinely funds ongoing stormwater improvements annually in conjunction with the Town's Capital Improvement Plan (CIP). The Town would utilize the services of a contractor to complete these updates, as identified in our future Stormwater Plan.	$500,000	Currently Unfunded	Capitalization Grants for Clean Water State Revolving Funds; CDBG; FMAP; HMGP; Nonpoint Source Implementation Grants	1/17/2024			
1052	Kenneth City / Public Works	Street Improvements	Funding for street resurfacing has been allocated in the 2021/2022 fiscal year. Streets that require drainage improvements will be prioritized. This would take place consistent with the recommendations of the watershed management plan. Drainage improvements include the construction of stormwater infrastructure for flood control.This project is ongoing.	$250,000	Currently Unfunded		1/17/2024			Jocilyn Martinez
1271	Kenneth City / Public Works	Stormwater Management	Repair, rework, and replace components in the Kenneth City storm drain system. Estimated completion time: more than 12 months. / 1; Project is ongoing. The Town routinely funds ongoing stormwater improvements annually in conjunction with the Town's Capital Improvement Plan (CIP). Drainage improvements include the construction of stormwater infrastructure for flood controlThe Town would utilize the services of a contractor to complete these updates, as identified in our future Stormwater Plan.	$75,000	Currently Unfunded	Capitalization Grants for Clean Water State Revolving Funds; CDBG; FMAP; HMGP; Nonpoint Source Implementation Grants	1/17/2024			Jocilyn Martinez
1082	Kenneth City / Public Works	Stormwater Master Plan	This project was initiated in 2019 and is to be completed in late 2021. The Master Plan serves as a foundation for future drainage improvements for the purposes of flood control throughout the Town. This is a requirement of SWFWMD and will be funded by a 50:50 matching grant.	$92,120	Currently Unfunded		1/17/2024			Jocilyn Martinez
980	Kenneth City / Public Works	Stormwater Rate Study	Currently, the Town does not have a designated mechanism to fund stormwater maintenance and future stormwater improvements for the purposes of flood control. The implementation of a stormwater utility program, which many Pinellas County municipalities have in place, may be needed. The study would identify a rate structure that could be incorporated into a future utility. This study would also be eligible for 50% funding through SWFWMD. A rate study will help determine the best way to fund stormwater improvements through fees or impact fees. This project has no definitive start date.	$50,000	Currently Unfunded		1/17/2024			Jocilyn Martinez

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-1: Mitigation Initiatives

Total Score	Jurisdiction/ Organization	Project Name	Description/ Natural Hazard Addressed (Key: 1=Flooding; 2=Storm Wind; 3=Erosion; 4=All Hazard)	Est. Cost	Timeframe / Status	Possible Funding Sources	Date Last Reviewed	Date Last Updated	Comments	Updated By
1052	Kenneth City / Public Works	Watershed Management Plan	The Town is conducting a Watershed Management Plan to identify water quality problems in the watershed, proposes solutions, and creates a strategy for putting those solutions in action. This project will identify water quality benefits. This project will be completed in December 2021.	$125,000	Currently Unfunded		1/17/2024			Jocilyn Martinez
1044	Kenneth City / Public Works	Town Parking Lot/Resurfacing	This project would entail rebuilding the exiting Town parking lot on in accordance with Town Codes. Possible drainage improvements may be necessary as part of this project. Drainage improvements include the construction of stormwater infrastructure for flood control. This project has no definitive start date.	$100,000	Currently Unfunded	Capitalization Grants for Clean Water State Revolving Funds; CDBG; FMAP; HMGP; Nonpoint Source Implementation Grants	1/17/2024			Jocilyn Martinez
921	Largo / Engineering Services	Allens Creek BMP Implementation	The Allens Creek Basin Watershed Management Plan, completed in 2013, identified Best Management Practices (BMPs) designed to provide flood control and water quality benefits. This project is a combination of two BMPs identified in the study. First, it is proposed to replace the four 48- inch culverts under St. Pauls Drive with three 5-ft by 12-ft concrete box culverts. The proposed alternative is predicted to significantly improve flooding conditions within the Belleair Road/St. Pauls Drive area. Second, the Deville Drive area is drained by a 287-foot long 36-inch concrete pipe. Flooding in this residential area can be greatly reduced by installing a parallel 48-inch pipe to the existing outfall./1	$1,905,000.00	FY2025-FY2026	Penny for Pinellas IV	1/17/2024			Ann Rocke
944	Largo / Engineering Services	Clearwater Largo Road BMP	The Clearwater-Largo Road Drainage District Study update, completed in 2013, proposed best management practice (BMP) alternatives to address areas that experienced significant flooding during seasonal summer rains and to comply with National Pollutant Discharge Elimination System (NPDES) regulations. Seven proposed BMP alternatives were identified for implementation based on jurisdictional considerations and general feasibility and include replacement or new construction of curb and gutter, swales, inlets, ponds and pipes./1	$791,000.00	FY2024-FY2025	Penny for Pinellas IV	1/17/2024			Ann Rocke
944	Largo / Engineering Services	Cross Bayou BMP Implementation	The Cross Bayou Basin Watershed Management Plan, completed in 2013, identified Best Management Practices (BMPs) designed to provide flood control and water quality benefits. This project is one of the BMPs identified in the study. The Pinebrook Canal between 142nd Avenue North and Ulmerton Road floods during the 100-year/24-hour and 25-year/24-hour storms. To mitigate flooding, the project involves re-grading and stabilizing or possibly armoring portions of approximately 5,200 feet of the Pinebrook Canal where bank failures have reduced conveyance capacity. The BMP also calls for replacing the 5-foot-by-7-foot concrete box culvert under Ulmerton Road with two 5-foot-by 7-foot box culverts./1	$2,113,000.00	FY2024-FY2025	Penny for Pinellas IV	1/17/2024			Ann Rocke
944	Largo / Engineering Services	Medical Arts District Regional Pond	The first phase of this project includes a feasibility study to determine a location for a regional stormwater pond system for the Medical Arts District in the West Bay Drive Community Redevelopment District (WBD- CRD). Funding for land acquisition is programmed as Phase II in FY 2021. A regional stormwater pond would allow property owners in the Medical Arts District to redevelop property without the need to accommodate stormwater from projects on the redevelopment site. Additional benefits include components to improve multimodal connectivity, trails, water quality treatment, and flood mitigation. If the project proves feasible, design and construction could move forward for funding in FY 2024. The project could include funding involving a public-private partnership (P3) for the design, construction, and maintenance phases./1	$200,000.00	Unfunded	Local (Stormwater Fund)	1/17/2024			Ann Rocke
921	Largo / Engineering Services	Pocahontas Drive Drainage Improvements	Drainage improvements include the construction of stormwater infrastructure for flood control./1	$6,027,000.00	Unfunded	Penny for Pinellas IV	1/17/2024			Ann Rocke
944	Largo / Engineering Services	Starkey Road Basin BMP Implementation	The Starkey Road Basin Watershed Management Plan, completed in 2012, identified Best Management Practices (BMPs) designed to provide flood control and water quality benefits. This project is a combination of three BMPs identified in the study. It proposes upgrading the culvert at Starkey Road on Channel 10 near the East Bay Oaks Mobile Home Community and at Lake Palms Drive on Channel 10 combined with regrading the south-flowing tributary ditch west of Dahlia Place and Gardenia Place to expand the bottom width and recreate a positive ditch bottom gradient. New inlet/collection structures between the Dahlia Place and Gardenia Place cul- de- sac roadway are also proposed to fully convey roadway runoff through the collector system without overflow down driveways./1	$1,144,000.00	FY2024	Penny for Pinellas IV	1/17/2024			Ann Rocke
921	Largo / Engineering Services	Venetian Gardens Drainage Improvements	Drainage improvements include the construction of stormwater infrastructure for flood control./1	$1,764,000.00	FY2024	Local	1/17/2024			Ann Rocke
1240	Largo / Fire Rescue	Fire Station Renovation Program	The City of Largo operates six fire stations, 38, 39, 40, 41, 42 and 43. The stations are in need of significant repair, maintenance, and upgrade in order to remain operational. An outside consultant completed a needs analysis in 2015 to determine the following: space needs analysis, analysis of all current and immediate repair and maintenance needs and costs, and estimates on the remaining useful life of the buildings. The 2015 Needs Assessment indicated extensive repairs and upgrades for Largo Fire Rescue stations. The Largo Fire Rescue Department is looking ahead to replacing stations that have reached the end of their useful life, including fire stations 38, 39, 42, and 43. The replacement of Station 43 was initiated in FY 16 and will be completed in FY 17. Station 38 would be next, station 42 would be after station 38 and station 39 would be the last, in coordination with the county project to rebuild Rainbow Village. Fire Station 38: Apparatus bay floor resurfacing, interior painting, and drop ceiling replacement. Station 38 is slated to be the first station to be replaced if the penny is re-approved. (Station was built in 1987.) Fire Station 39: Roof replacement, apparatus bay floor resurfacing, and interior painting. Station 39 is scheduled to be replaced in coordination with the county project to rebuild Rainbow Village. (Station was build in 1980.) Fire Station 40: Major roof repair, apparatus bay floor resurfacing, and interior painting. (Station was built in 1990.) Fire Station 42: Roof replacement, apparatus bay floor resurfacing, and interior painting. Station 42 is slated to be the second station replaced if the penny re-approved. (Station was built in 1978.) /4	$692,000	FY 17-FY 21	General (Local Fund)	1/17/2024	10/19/2017		Matthew DiFiore
1150	Largo / Fire Rescue	Fire Station 38 Reconstruction	This is the youngest of the three proposed stations however still has many of the same issues. The roof and HVAC systems will need replacing, the building will need to be brought up to ADA and NFPA standards and living quarters will need redesign and reconfiguration. This building has gone through many changes due to personnel additions and changes over the last ten years. The current building is 6,500 square feet and was constructed in 1986. /4	$16,167,200	FY2027-2032	General (Local Fund)	1/17/2024	10/19/2017		Ann Rocke
1016	Largo / Environmental Services	WWRF Lift Station Flood Mitigation	This project meets the goals and objectives for structural mitigation projects that include strengthening of vulnerable structures and public facilities to withstand wind, fire and other forces, and elevation of structures to protect them from flood damage. A number of the Wastewater Reclamation Facility (WWRF) sanitary sewer lift stations are in the flood plain. Continuity of operations of these lift stations is at risk during high rain and/or flooding events. The purpose of this project is to reconstruct the lift stations to raise the critical infrastructure above the flood plain at existing Lift Station Nos. 19, 26, 41 and 47.	$3,150,000	FY2024	HMGP	1/17/2024	5/8/2018		Ann Rocke

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-1: Mitigation Initiatives

Total Score	Jurisdiction/ Organization	Project Name	Description/ Natural Hazard Addressed (Key: 1=Flooding; 2=Storm Wind; 3=Erosion; 4=All Hazard)	Est. Cost	Timeframe / Status	Possible Funding Sources	Date Last Reviewed	Date Last Updated	Comments	Updated By
1150	Largo / Fire Rescue	Fire Station 39 Reconstruction	This building has exceeded its useful life and currently is in need of a roof replacement and internal renovations. The building has no separated living quarters and has inadequate storage space for the needs of the department. This project is intended to work in coordination with the county project to rebuild Rainbow Village. The current building is 5,300 square feet and was constructed in 1979./4	$9,920,595	FY2024	General (Local Fund)	1/17/2024	10/19/2017		Ann Rocke
1150	Largo / Fire Rescue	Fire Station 42 Reconstruction	On top of issues regarding access and the age of the facility, the building has had multiple roof replacements, renovations, and updates throughout its life. It is recommended that a new building be built with better access for apparatus and better separation of living quarters for firefighters. The current building is 5,300 square feet and was constructed in 1978. /4	$16,167,200	FY2027-2032	General (Local Fund)	1/17/2024	10/19/2017		Ann Rocke
990	Largo / Environmental Services	WWRF - Biosolids Building Hardening	The Biosolids building is a large industrial, pre-engineered metal building. It houses most of the operating components used to convert wastewater solid into a Class AA Biosolid product, used for fertilization. Due to the essential nature of the facility and the potential for the facility to sustain significant damage during a hurricane, a study was conducted to evaluate the structural performance of the building under the effects of a Category 3 hurricane. Based on the results of the contracted study, scope for this project includes either 1) structural modifications to the existing building, including roofing work, wall work, all structural bracing and stiffening, replacement of doors, windows, louvers (framed openings), and fans, and painting or 2) replacement of the entire building. /1, 2	$1,600,000	FY 18 -FY19	Wastewater (Local Fund)	1/17/2024	12/22/2016		Matthew DiFiore
1190	Largo / Environmental Services	WWRF – Operations Center Reconstruction	The existing WWRF control building and laboratory, both of which are approximately 40 years of age, are not hurricane hardened. As these structures are essential to treatment plant operations, the Department would like to construct a new facility so that staff could continue to operate the plant after a storm event. This would entail design and construction of a new two-story building overlooking the process trains, which would be hurricane hardened for safe quartering during a storm. It would contain the main control room for SCADA workstations, a server room, a full laboratory for permit required lab analysis, storage for chemicals & supplies, a bunker/lounge area, a records room, and a variety of other needs to be determined during the design process. /1, 2	$4,570,000	FY 18-FY19	Wastewater (Local Fund)	1/17/2024	12/22/2016		Matthew DiFiore
970	Largo / Administration	City Hall Reconstruction	The City Hall facility has a number of issues. First, it is not rated for hurricane winds and is in a flood plain. It has electrical and plumbing systems that are original to the building and are repeatedly needing repair. The HVAC system needs to be redesigned as it is not efficient and does not service employees there appropriately. The building is not hardened and has significant space utilization issues. This estimate would construct a new building with the same square footage of the current City Hall and does not include land acquisition or design costs at this time. Policy direction is needed to determine the needs for inside a new City Hall building. The current building is 57,740 square feet and was constructed in 1973. /1, 2	$80,000,000	FY2022-FY2024	General (Local Fund)	1/17/2024	12/22/2016		Ann Rocke
1000	Largo / Environmental Services	Public Works Complex Reconstruction	Due to the complex being built on a former closed landfill, the soil underneath the complex is giving way to considerable damage to both the pavement used around the building and the buildings themselves. The Administration building is showing settling in both the facilities workshop and the fleet central stores area and while currently not a structure issue, may be in the near future. The building does not currently meet some ADA requirements for facilities of this nature and size and the building has had multiple issues with water intrusion over the past ten years. It is in the intention that through this project Public Works administrative and management functions can be reviewed, centralized, and coordinated more efficiently. This project scope and cost is based upon engineering estimates and a space needs analysis done in 2013. Costs include the environmental remediation, the moving of the fuel island, the consolidation of the divisions into one building, and associated vehicle storage areas. Total square footage of existing buildings is 44,528, Public Works Administration and Fleet building was constructed in 1976 and the Solid Waste facility was constructed in 1990. /3	$20,000,000	N/A	Unfunded	1/17/2024	12/22/2016		Matthew DiFiore
1210	Largo / Environmental Services	Regional Watershed Management Planning	The Regional Watershed Management Planning project was initiated in the FY2012-2016 CIP and identified the need for the development of a City-wide Watershed Management Plan for the various drainage basins (Starkey, Longbranch, Allen's Creek, McKay Creek) and sub-basins located in the City of Largo. This project included joint funding and participation with the South West Florida Water Management District, Pinellas County, City of Clearwater and other entities that share jurisdiction within the watersheds. The watershed management plans for McKay Creek, Allen's Creek, Long Branch Creek, Starkey Road Basin, and the Clearwater-Largo Road Drainage District Study were completed by FY14. The purpose of this project is to begin planning and designing stormwater system improvements based on the Best Management Practices (BMPs) identified in the Watershed Plans to address flooding, water quality, infrastructure rehabilitation, and meet regulatory requirements. This project will contribute to compliance with the City's National Pollutant Discharge Elimination System (NPDES) stormwater permit and pending Total Maximum Daily Loads (TMDL's) regulations which are administered by the Florida Department of Environmental Protection. /1	$14,800,000	N/A	Unfunded	1/17/2024	12/22/2016		Matthew DiFiore
1090	Largo / Environmental Services	WWRF Master Plan Improvements – Biological Treatment Systems	A portion of the overall project is intended raise critical components of the Largo Wastewater Reclamation Facility (WWRF) above the floodplain. This includes elevating the structure that contains the filter feed pump station and the new disk filters. It also includes four (4) new Motor Control Center (MCC) Buildings that are hardened and elevated. /1	$2,375,000	FY 18	Wastewater (Local Fund)	1/17/2024	12/22/2016		Matthew DiFiore
944	Largo/ Engineering Services	126 Ave Church Creek Storm Drainage Improvements	Project will construct large conveyance piping to eliminate repeat property flooding and damage/1	$1,725,000	FY2025-FY2027	Local Funding	1/17/2024	10/25/2017		Ann Rocke
1060	Lealman SFCD / Emergency Management	Fire Station #18 EOC Hardening	Harden by installing roll down shutters, 5 double doors, 3 single doors and 16 windows. Estimated completion time: more than 12 months. / 2	$36,500	Currently Unfunded		1/17/2024			
980	Lealman SFCD / Emergency Management	Fire Station #19 Secondary EOC Hardening	Harden by adding roll down shutters, 4 single doors and 5 windows. Estimated completion time: more than 12 months. / 2	$12,700	Currently Unfunded		1/17/2024			
860	Lealman SFCD / Emergency Management	Fleet Building Hardening	Harden with roll down shutters, 2 single doors and 1 window. Estimated completion time: less than 12 months. / 2	$3,900	Currently unfunded		1/17/2024			
840	Lealman SFCD / Emergency Management	Fleet Building Emergency Power	Evaluate and install quick connect and power transfer switch. Estimated completion time: less than 12 months. / 4	$35,000	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024			
	Madeira Beach / Community Development	Underground Utilities - East and West side streets	Underground utilities – East and West side streets	$3,000,000	Penny for Pinellas Phase 111 commence FY/2021; Under construction	Local	1/17/2024	10/5/2016		Jenny Rowan
986	Madeira Beach/Fire Department	Fire Station Expansion	Expand fire station to accommodate the growing needs of the Fire Department.	$1,500,000	Currently Unfunded		1/17/2024			Sue Portal

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-1: Mitigation Initiatives

Total Score	Jurisdiction/ Organization	Project Name	Description/ Natural Hazard Addressed (Key: 1=Flooding; 2=Storm Wind; 3=Erosion; 4=All Hazard)	Est. Cost	Timeframe / Status	Possible Funding Sources	Date Last Reviewed	Date Last Updated	Comments	Updated By
899	Madeira Beach/Fire Department	Addition of concrete pad and aluminum cover at fire station	Will allow for more storage and vehicle parking.	$50,000	2024	ARPA	1/17/2024			Jenny Rowan
842	Madeira Beach/Public Works	131st Ave E and 129th Ave. Roadway Improvements	Mill and resurface, stormwater pipe repairs, and curb repairs.	$1,000,000	2024/under construction	DEO Infrastructure Grant Program 50% match	1/17/2024			Jenny Rowan
1154	Madeira Beach/Public Works	Madeira Beach Groin Rehabilitation	Rehab 22 beach groins for safety and effectiveness	$1,750,000	2024	FDEP Grant received of $1.75M	1/17/2024			Jenny Rowan
863	Madeira Beach/Public Works	Gulf Lane and Beach Access Roadway and drainage improvements	Mill and resurface Gulf Lane and beach access parking lots from 130th to 135th (budget amount increased due to planning to underground conduit)	$2,500,000	2024/under construction	Budget	1/17/2024			Jenny Rowan
824	Madeira Beach/Public Works	Johns Pass Park parking lot improvements	Mill and resurface Johns Pass Parking lot to improve water pooling and stormwater runoff	$450,000	2024-2025	Budget	1/17/2024			Jenny Rowan
864	Madeira Beach/Public Works	Johns Pass Village parking lot improvements	Mill and resurface Johns Pass Village parking lot	$2,000,000	2025	Budget	1/17/2024			Jenny Rowan
858	Madeira Beach/Public Works	E Parsley, W Parsley, A Street, B Street, Lynn Way and Marguerite Drive (Safe Infrastructure).	Mill and resurface, stormwater pipe repairs, and curb repairs.	$1,500,000	2024/in review	FDOT Grant of $549,400	1/17/2024			Jenny Rowan
1100	Madeira Beach/Public Works	Watershed Management Plan	Inventory assets, propose maintenance schedule, implement sea-level rise, develop proposed CIP	$150,000	2024	South Florida Water Management District-Cooperative Funding 50% Match	1/17/2024			Jenny Rowan
1113	Madeira Beach/Public Works	Stormwater Generator - *Generator Replacement (Stormwater Station)*	The City of Madeira Beach has one stormwater station located at 1410 I N Bayshore Dr. In 2007 the city approved improvements to the station which included two (2) new Flyght pumps, new control panel including alarms and flashing lights, and a new diesel generator. The purpose of this stormwater station is to pump the water off the roadway relieving roadway flooding. The current diesel generator is 16 years old and has major rust from sitting directly on the water. After discussions with vendors and the city mechanic staff has decided to convert the new generattor to natural gas. Staff coordinated with TECO Gas to run a new gas line from Gulf Blvd to the station approximately 550 feet. The cost to run the new gas line is $19,388 .00 . Tampa Armature Works (TAW) is on the Sourcewell Cooperative Purchasing for Kohler generators and installation. The generator will be a l00KW, 3 Phase, 480 Volt Natural Gas with a hunricane impact enclosure rated at I 86 wind load for a cost of $64,830.86. The estimate to replace the grates and rebuilt the inlets would be about $50K. There are 7 inlets and the estimated cost to rebuild each is anywhere from $5k - $7k and then the grates are around $1K each. I would only like to rebuild the inlets on 141st because they are quite old and outdated. purchase new stormwater grates and leveling ground area.	$180,831	2024	Budget, HMGP	1/17/2024			Jenny Rowan
776	Madeira Beach/Public Works	John's Pass Boardwalk Piling Repair	Wrap pilings with structural jacket for durability - plan to do nine to 10 each year	$150,000	2023-2025	Budget	1/17/2024			Sue Portal
884	Madeira Beach/Public Works	Area 6 Roadway Improvements - 153rd to 155th Ave (1st & 2nd Streets E), Harbor Drive & Municipal Drive	Mill and resurface, stormwater pipe repairs, and curb repairs	$1,200,000	2024/engineering	Budget and $1M FDOT Grant	1/17/2024			Jenny Rowan
902	Madeira Beach/Public Works	New Public Works Building	Garage space for Public Works vehicles (for maintenance/storage), offices, and Day Room for Fire Dept personnel	$200,000	2024-2025	Budget (costs include engineering and start of construction)	1/17/2024			Jenny Rowan
1043	Morton Plant Hospital Association Inc.	Mease Countryside Hospital Flood Wall	In order to mitigate the identified threat of storm surge driven waters from impacting the South side of the hospital as identified in the slosh model; Morton Plan Hospital Association INC. would like to build a flood wall along the South perimeter to prevent the flooding of the loading dock area. This identified risk has moved the Morton PLant Hospital from a previously identified non-evacuation zone to a level D evacuation zone. The sucessful mitigation of this risk would help to ensure critical community Infatsructure and the commiunity as a whole is more prepared and resilient.	$300,000	Currently Unfunded	Baycare Self-Funded	1/17/2024			Dirk Palmer
1043	Morton Plant Hospital Association Inc.	MPH PTAK Rehab Ctr Shutters	In order to further protect the building envelope and provide a more resilient Healtcare facility, Morton Plant Hospital Association would like to submit this project to add shutters to the Morton PLant Hospital PTAK Rehabilitation Center. This facility provides both rehabilitaion and nursing Home services to the community. Mitigating the storm wind losses would lead to a more prepared and resilient community as well as reducing the potential for storm wind losses in the county.	$825,000	Currently Unfunded	Baycare Self-Funded	1/17/2024			Dirk Palmer
1020	Morton Plant Hospital Association Inc.	MCH Windows & Shutters	Morton Plant Hospital INC. in order to further enhance the building envelope is submitting this project to replace 78 windows with hurricane hardened windows. Some of the areas where the window replacement may not be as effective would have shutters installed to minimize storm wind losses. THis would also support a more rresilient community and reduce the amount of storm wind loss in the county.	$2,150,000	Currently Unfunded	Baycare Self-Funded	1/17/2024			Dirk Palmer
890	Morton Plant Hospital / Clearwater	Hospital Retrofit	Replace windows at Morton Plan Hospital's Adler/ Women's Center Estimated completion time: more than 12 months. / 2	$680,000	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024			
890	Morton Plant Hospital / Clearwater	Hospital Retrofit	Replace the lower roof of Witt South building at Morton Plant Hospital. Estimated completion time: more than 12 months. / 2	$400,000	Currently Unfunded	FMAP; HMGP; PDM Program	1/17/2024			
830	North Redington Beach / Public Works	Stormwater Management #2	Implement retrofit of the remaining 14 storm water valves. Estimated completion time: more than 12 months. / 1	$210,000	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024			Mary Campbell
810	North Redington Beach / Public Works	Underground Utilities	Place underground utilities along Gulf Boulevard (NRB). Estimated completion time: more than 12 months. / 2	$7,000,000	Currently Unfunded	EMPATF; HMGP; PDM Program	1/17/2024			Mary Campbell
1065	North Redington Beach / Public Works	North Redington Storm Drain 173rd	Installing a brand new storm drain between 555 and 557 173rd Avenue.	$15,000	Currently Unfunded		1/17/2024			Bruce Cooper
1160	Oldsmar / Fire Rescue	Station #54 Hardening	Remote EOC location. Hardening of Station #54 as recommended following wind mitigation study. Replace overhead doors and station windows.	$150,000	Currently Unfunded	Local, HMGP	1/17/2024			Jason Schwabe
950	Oldsmar / City Clerk; IT	COOP Document Imaging	Document management program utilizing scanning and digitization of vital records for off-site storage and retrieval. / 4	$75,000	Currently Unfunded	EMPATF; HMGP; PDM Program	1/17/2024			Tatiana Childress
880	Oldsmar / Planning and Redevelopment; Communications	Public Education and Information	Provide education and information to property and business owners about storm damage and ways to properly protect structures. Estimated completion time: more than 12 months. / 4	$25,000	Currently Unfunded	EMPATF; HMGP; PDM Program	1/17/2024			Tatiana Childress

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-1: Mitigation Initiatives

Total Score	Jurisdiction/ Organization	Project Name	Description/ Natural Hazard Addressed (Key: 1=Flooding; 2=Storm Wind; 3=Erosion; 4=All Hazard)	Est. Cost	Timeframe / Status	Possible Funding Sources	Date Last Reviewed	Date Last Updated	Comments	Updated By
950	Oldsmar / Public Works; TECO	Bury Utilities Underground	Bury the overhead electric, telephone and cable TV utility lines in the Community Redevelopment District. Estimated completion time: more than 12 months. / 2	$2,000,000	Currently Unfunded		1/17/2024			Tatiana Childress
1160	Oldsmar / Public Works; Water Reclamation	Flood Proofing and Hardening of Sanitary Sewer Lift Stations	Storm proof and retrofit eight existing sanitary sewer lift stations within the flood plain. Estimated completion time: more than 12 months. / 1, 2	$400,000	Currently Unfunded	EMPATF; HMGP; PDM Program	1/17/2024			Tatiana Childress
1115	Oldsmar/Fire Rescue	Aerial Fire Apparatus Replacement	Current response of City assets includes fire pumper apparatus only. Replacement of current response with an aerial fire apparatus will include additional option of aerial component providing ability to access elevated structures such as hotels and commercial buildings. The additional option of an aerial master stream for large fire attack will also be available	$1,150,000	Currently Unfunded	EMPATF; HMGP; PDM Program	1/17/2024			Mandi Clark
902	Oldsmar/Public Works	Dougls Road Improvements	Douglas Road is a narrow, high traffic volume, two lane commercial collector street that does not meet current collector road standards for commercial vehicles. This Project will improve the roadway and drainage of the right-of-way. This road is a necessary route during an emergency for City field staff to physically connect with the EOC. The project is to widen the road and to improve drainage facilities, and provide landscaping and sidewalks	$6,200,000	Currently Funded	EMPATF; HMGP; PDM Program	1/17/2024			Tatiana Childress
1076	Oldsmar/Public Works	Trailer Mounted Generator (#402)	Mounted Generator (#402) is essential for continuing services of Lift Stations during power failure.	$75,000	Funded in 25/26 CIP	Local	1/17/2024			Tatiana Childress
1076	Oldsmar/Public Works	Trailer Mounted Bypass 6" Mobile Pump (#410)	Mobile pump is necessary to maintain and fix lift stations during emergency events.	$55,000	Funded in 24/25 CIP	Local	1/17/2024			Tatiana Childress
1038	Oldsmar/Public Works	Moccasin Creek Bank Stabilization	Moccasin Creek between Peppertree Ct. and Oakleaf Blvd. has ongoing erosion. This project would be to stabilize the banks in order to stop the continued degredation. Gabion Baskets or another sustainable option, would be utilized in order to armor the river banks. Ongoing erosion causes sediment to be transported downstream. This leads to reduced capactiy in the channel which causes increased frequency of flooding. Additionally if erosion continues, it will threaten the integrity of structures closest to the creek.	$325,000	Currently Funded	Local; TBEP	1/17/2024			Ashlee Painter
1070	Oldsmar/Public Works	Stormwater Master Plan	Develop a 10-year Stormwater Master Plan that will serve as the guidance for the stormwater utility's capital improvement and maintenance programs. The plan should encompass the city's history of stormwater management, provide a path forward for improvement, and be clear and concise.	$500,000	Currently Funded	Local	1/17/2024			Ashlee Painter
930	PARC	Disabilities Registration	Provide computerized pre-registration for individuals with severe developmental disabilities. Estimated completion time: less than 12 months. / 4	$25,000	Currently Unfunded		1/17/2024			
920	PARC / St. Petersburg	Special Needs Shelter Retrofit	Harden PARC building to serve as a safe multi-hazard shelter including an emergency operation center. Estimated completion time: more than 12 months. / 2	$9,500,000	Currently Unfunded		1/17/2024			
920	Pinellas County / Parks & Conservation Resources	Alligator Lake Habitat Restoration (845)	Comprehensive ecosystem restoration project for wetland and upland creation and enhancement and stormwater polishing. /2 (Project on schedule in monitoring/maintenance phase)	$1,300,000	FY2012 - FY2018	Grant; Local funds; SWFWMD	1/17/2024	10/30/2017	Project on schedule in	Steve Harper
680	Pinellas County / Parks & Conservation Resources	Mobbly Bay Habitat Restoration (656)	Comprehensive ecosystem restoration project for wetland and upland creation and enhancement and stormwater polishing. /2 (Project to be completed by SWFWMD)	$1,100,000	FY2012 - FY2018	Grant; Local funds; SWFWMD	1/17/2024	10/30/2017	Project to be completed by	Steve Harper
1255	Pinellas County / Public Works Environmental Mgmt Division	Sea Level Rise Vulnerability Assessment	Pinellas County Sea Level Rise and Storm Surge Vulnerability Assessment. Will perform vulerability risk assessments of tidal flooding & storm surge impacts at multiple SLR scnarios & time horizons for critical County infrastructure assets / 2	$450,000	FY18-FY21 / Digital Elevation Model and asset geodatabase complete, Storm Surge modeling ongoing.	U.S. Treasury	1/17/2024	10/27/2017	Grant application approved	Andy Squires
1140	Pinellas County / Public Works	Curlew Creek and Smith Bayou Watershed Management Plan	Evaluate drainage patterns within watershed; identify flooding locations; develop BMPs to address the issues. / 1, 3	$850,000	FY2017 - FY2020 / In Progress	Surface Water Utility Fund and SWFWMD CFI Grant	1/17/2024			Rhonda Bowman
1140	Pinellas County / Public Works	Anclote River Watershed Management Plan	Evaluate drainage patterns within watershed; identify flooding locations; develop BMPs to address the issues. / 1, 3	$800,000	FY2017 - FY2020 / In Progress	Surface Water Utility Fund and SWFWMD CFI Grant	1/17/2024	11/30/2020		Rhonda Bowman

1148	Pinellas County / Public Works	Implementation of the Allen's Creek Watershed Management Plan Recommendations	Implementation of the Allen's Creek Watershed Management Plan Recommendations (004124A) Implementation of the recommended capital improvement projects contained in the Allen's Creek Watershed Management Plan (WMP) to provide an increased level of flood protection and improve water quality. The County will undertake highly ranked projects that primarily benefit unincorporated Pinellas County and will seek partnership opportunities with municipalities for other high priority recommended projects. WMP identified projects include culvert and channel upgrades on Belleair Road, Nursery Road and nearby streets.	$1,963,640	Not Started	State / Local Grants	1/17/2024	12/30/2021	Not started.	Anita Wang
1170	Pinellas County / Public Works	Implementation of the Brooker Creek Watershed Management Plan Recommendations	Implementation of the Brooker Creek Watershed Management Plan Recommendations (004099A) Implementation of the recommended capital improvement projects contained in the Brooker Creek Watershed Management Plan (WMP), including culvert and channel improvements, to provide an increased level of flood protection and improve water quality. The County will undertake highly ranked projects that primarily benefit unincorporated Pinellas County and will seek partnership opportunities with municipalities for other high priority recommended projects.	$244,455	Not Started	State / Local Grants	1/17/2024	12/30/2021	Not started.	Anita Wang
1188	Pinellas County / Public Works	Implementation of the Cross Bayou Canal Watershed Management Plan Recommendations	Implementation of the Cross Bayou Canal Watershed Management Plan Recommendations (004118A): Implementation of the recommended capital improvement projects contained in the Cross Bayou Watershed Management Plan (WMP) to provide an increased level of flood protection and improve water quality. The County will undertake highly ranked projects that primarily benefit unincorporated Pinellas County and will seek partnership opportunities with municipalities for other high priority recommended projects.	$3,660,000	Not Started	State / Local Grants	1/17/2024	12/30/2021	Not started.	Anita Wang
1272	Pinellas County / Public Works	McKay Creek Operable Lake Controls and SCADA (004134A)	The nine (9) square-mile McKay Creek watershed is located in the western coastal portion of Pinellas County, with significant flooding along McKay Creek, Church Creek, and other locations within the watershed. The largely urbanized watershed is comprised of several municipalities: •42.7% Unincorporated Pinellas County •46.3% City of Largo •8% City of Seminole •3% City of Belleair Bluffs The most recent flood protection Level-of-Service (LOS) analysis performed in 2014 determined that nearly 40% of the basins have a "F" classification, with over a thousand flooded structures in addition to roadway flooding. The lowest LOS rating "F" indicates that the basins are subject to hazardous flooding conditions, with buildings and emergency service centers (including a regional hospital) are subject to flood damage from 100 -year storm events. Besides structural flooding, evacuation and emergency service roads become impassable during or following 100 -year storm events, while arterial /collector/ local roads are subject to flooding during more frequent storm events. The main project goal is to improve flood protection LOS and reduce flood risk in the McKay Creek watershed. The 2014 McKay Creek Watershed Management Plan (WMP) identified the regional Taylor Lake and Walsingham Reservoir Drawdown projects to provide significant flood reduction in the watershed. The proposed capital improvement project includes the construction of two (2) lake level control structures with SCADA systems for control and monitoring, at the following two locations: •Taylor Lake flood gate •Walsingham Reservoir flood gate Significant flood reduction benefits can be achieved by lowering lake levels slowly at both waterbodies before the start of major storm events. The lower lake levels will provide a more favorable tail -water condition for inflowing tributaries and provide additional storage volume, therefore reducing flooding conditions currently experienced in the watershed. As shown in Scenario 3C of the 2020 McKay Creek Watershed Lake Levels Operation Study, this project is expected to remove about 359 structures from the 100-year floodplain. County has started design phase. This worthy drainage improvement project was previously reviewed by HMGP-Covid19 program, and presented to FEMA as a backup candidate. With this application to the HMGP-Ian program, we sincerely wish that our McKay SCADA project can be selected as a primary candidate, to help secure the construction-funding assistance much needed to build the 2 operable flood gates (total construction cost estimated to be approximately $4 million dollars). Construction phase is anticipated to start around early 2026, after completion of preliminary design, final design, permitting, and contractor-bidding phase.	$4,000,000.00	FY21-FY27 / In Progress	Penny for Pinellas , SWFWMD CFI, HMGP	1/17/2024	12/30/2021	Preliminary Des	Anita Wang

1161	Pinellas County / Utilities	Back Up Power and Pumping Equipment for Sewer Pumping Stations	Improve infrastructure resiliency to natural hazards by installing back up power and/or permanent bypass pumping at sewer pumping stations to maintain sewer transmission during emergency events. /4	$2,500,000	FY18 – FY20 / Unfunded	HMGP, PDM	1/17/2024	12/15/2017		Nory Hancock
978	Pinellas County / Utilities	Force Main Sampling Equipment to Improve Sanitary Sewage Collection Process	The South Cross Bayou Water Reclamation Facility (SCBWRF) treats sanitary sewage collected from (4) different and independent collection system basins located in southern Pinellas County. There have been occurrences of monitored parameters exceeding the allowable limits in the influent ('hits'). Most recently these have included lead and copper, and other unknown compounds that have caused upsets in the treatment process. Although the County's IPP group is notified, there is no effective mechanism in-place that can quickly help identify the source(s) of these 'hits'. This equipment will help track those sources and potentially prevent them from causing a negative effect on the quality of the treatment process, reclaimed water and surface water discharge. /1	$450,000	FY19 – FY20 / Unfunded	HMGP	1/17/2024	12/15/2017		Nory Hancock
1118	Pinellas County / Utilities	Drinking Water Facility Security Equipment	Installing additional pan and zoom cameras at drinking water facilities to cover blank areas. Provide remote gate control and install perimeter fencing. /1, 2	$250,000	FY19 – FY20 / Unfunded	HMGP	1/17/2024	12/15/2017		Nory Hancock
1220	Pinellas County/Utilities	Hardening of North Booster Pump Station	Harden building envelope of major water booster station to withstand hurricane winds. /1,2	$6,000,000	Currently unfunded	CBDG-MIT, BRIC	1/17/2024			Thomas Menke
1064	Pinellas County	Palm Harbor Community Service Agency-Multi-Use Facility Replacement of Existing Facility	The Palm Harbor Community Service Agency (PHCSA) operates a community center at 1500 16th St. in Palm Harbor. The Center has two buildings which house programs that serve the needs of approximately 62,000 members of the community including senior activities, indoor youth activities, summer camps, event space, community meeting space, instructional space and administrative offices. The original building was built in 1978. It is approximately 9,000 SF and has been retrofitted numerous times to fit the ongoing demands of the community. The facility has outlived its design life and is a candidate for replacement. Currently the project is unfunded but, is programmed in the Penny IV outer years. The site is adjacent to Pinellas County School Board property for Palm Harbor University High School (a designated shelter) and is located in a non-evacuation zone for storm surge. The location of this facility makes it ideal for use as an at risk shelter for hurricanes. If constructed to ARC 4496 standards with backup generation and well capability, this site could provide an additional 800 shelter spaces for general populations during a storm event and be utilized as a step-down shelter post-event for 115 people. The County currently has a shelter deficit for category 4 and 5 storms. After Hurricane Irma it was identified that non-school facilities are needed to be able to move people that still require shelter assistance./1,2	$8,000,000	Currently Unfunded	Penny for Pinellas IV & HMGP	1/17/2024			Nancy McKibben, MPA, CPM Assistant to the County Administrator Representing the Communities of Unincorporated North County Direct: (727) 464-4812 Mobile: (727) 409-0762 Email: nmckibben@pinellascounty.org
1052	Pinellas County	Palm Harbor Community Service Agency-Multi-Use Facility Hardening of Existing Facility	The PHCSA also operates a second, considered the Main building, on the same site - 1500 16th St. in Palm Harbor. The Center offers programs that serve the needs of approximately 62,000 members of the community including senior activities, indoor youth activities, summer camps, event space, community meeting space, instructional space and administrative offices. The Main building was built in 1999. It is approximately 10,000 SF. Recommendations are for the Main Building to serve as a shelter for a tropical storm for up to 300 people or as a step-down shelter for about 100 people. This facility currently has a commercial kitchen with some natural gas powered appliances but would benefit from a generator to supply the lighting, air conditioning, and the remaining kitchen appliances. The site has an irrigation well that, with the appropriate work, could serve as a backup water supply. Window and door protection would enhance the building to reduce damages during a storm and may provide for utilization during hurricanes. This site would be ideal to help support Special Needs populations with the appropriate mitigation./1,2	$5,500,000	Currently Unfunded	Penny for Pinellas IV & HMGP	1/17/2024			Nancy McKibben, MPA, CPM Assistant to the County Administrator Representing the Communities of Unincorporated North County Direct: (727) 464-4812 Mobile: (727) 409-0762 Email:

1053	Pinellas County / Public Works	Cross Bayou Floodplain Restoration and Mitigation	The Cross Bayou Floodplain Restoration and Mitigation Project includes the acquisition of two properties; the removal of 94 manufactured homes, an office building, and two commercial structures; the removal of all infrastructure associated with the mobile home park and commercial property; and the restoration of over 10 acres into a green space that will provide for floodplain, stormwater, and other ecosystem services, and recreational opportunity. The PreFIRM mobile home park and commercial business to the south were developed in a low lying area along Cross Bayou, a tidally influenced creek in the Cross Bayou watershed. There are 95 structures in the park, including the manufactured homes and office. Over 85% of the mobile home park and the entire commercial lot flood with a mean annual rain event. Over 95% of the park becomes inundated with a 10 year event with depths in areas of the park reaching 3 ft and over 4 ft, respectively. The entire property is inundated with a 100 year storm with depths up to 6 feet in areas. This project will remove 97 structures from the 25, 50, and, 100 year floodplains and restoration of the property will provide areas for natural floodplain functions, including additional floodplain storage, water quality treatment, addition of habitat, and recreational features.	$5,000,000	Currently Unfunded	HMGP	1/17/2024	5/8/2018		Lisa Foster
1053	Pinellas County / Public Works	Lower Bee Branch Drainage Improvements and Caladesi Repetitive Loss Area Acquisition	The Lower Bee Branch Bypass Drainage Improvements and Caladesi Repetitive Loss Area Acquisition project mitigates hazards from both Inland and Coastal flooding. The project is comprised of structural drainage improvement / stream restoration component (Alternative 3) and a repetitive loss acquisition / water quality pond / natural wetland creation components (Alternative 5) of the attached Drainage Study for Lower bee Branch Bypass. The Lower Bee Branch Bypass structural drainage improvements / stream restoration component reduces flooding by as much as 2.6 feet for the 100-year/24-hour freshwater flood event. This is a capital improvement project for a double box culvert structure to bypass flood flows from Bee Branch near the north end of Hidden Brook Drive to downstream of the existing culverts under Pennsylvania Avenue. The box culvert would run under Virginia Avenue and Pennsylvania Avenue staying within existing rights-of-way where possible. The existing stream bed is ecologically restored and will continue to carry normal low-flows. Collectively, drainage system capacity is greatly increased. The estimated cost of the Lower Bee Branch Bypass Drainage Improvements is $6.5M based on estimate for Alternative 3. The Caladesi Repetitive Loss Area Acquisition component acquires the 5.5 acre Caladesi RV Park property, vacates 6 buildings and approximately 90 mobile home / recreational vehicle from the 100- floodplain and constructs an ecologically enhanced regional retention / water quality treatment pond facility in its place. The pond system will enhance water quality in the estuary through biological nutrient uptake in created wetlands and also capture sediments. The estimated cost of this repetitive loss property acquisition component is estimated as approximately $2.2M based on estimate for Alternative 5.	$8,700,000	Currently Unfunded	HMGP	1/17/2024	5/8/2018		Lisa Foster
1179	PC / Public Works	Re-establish Coastal Benchmarks in Pinellas County	There is approximately 23 miles of coastal beach from Pass-a-grille to Sand Key Bridge where most coastal benchmarks with elevations have been destroyed. Estimate approximately $4,500 per mile to re-establish coastal benchmarks for all 23 miles for a total of approximately $104,000 (for the survey bench run and bluebooking) plus approximately $28,000 for the monuments plus project management time. Total estimate $150k. Funding requested is to start re-establishing benchmarks for 5 to 10 miles along the coast for $40,000. Further funding would be sought to complete the project over the next several years.	$150,000	Currently Unfunded	HMGP	1/17/2024	5/8/2018		Rhonda Bowman

1133	PC / Transportation Division of Public Works	Dunedin Causeway Bridges Project	The bridge, located off of S.R. 586 is the sole connection of the City of Dunedin to Honeymoon Island State Park and residential living. The bridge is also an evacuation route. The bridge past its design and useful life. Needs replacing. Both bridges were constructed in 1963.	$112 Million	$70 Million Unfunded $49 Million Funded FY 24-FY 29	Partially funded Penny for Pinellas	1/17/2024			Joan Rice
1106	PC / Transportation Division of Public Works	San Martin Bridge	The bridge is located over Riviera Bay, from Tallahassee Drive to Weedon Drive in St. Petersburg. The project includes trail improvements to enhance travel for all modes of transportation. Bridge is past its design and useful life. Needs replacing. The bridge was constructed in 1962.	Design - $2M Construction - $18M	FY 24-FY 29 Funded	Penny for Pinellas	1/17/2024			Joan Rice
1146	PC / Transportation Division of Public Works	Beckett Bridge	The bridge, located over Whitcomb Bayou in the city of Tarpon Springs, connects residents to the evacuation route of alt U.S. 19. Construction and replacement of bridge that is past its useful life. Originally constructed in1956.	$22 Million	FY 24-FY 29 Funded	Impact Fees and Penny for Pinellas	1/17/2024			Joan Rice
1134	PC / Transportation Division of Public Works	13th Street / Sands Point Drive Bridge	The bridge, located in the unincorporated area of Tierra Verde (TV), connects the TV community to the evacuation routes of the Pinellas Bayway (State Highway 679). Bridge its past is design and useful life. Needs replacing. Built in 1957.	$11.7 Million	FY 24-FY 29 Funded	Funding could potentially come from the Capital Improvement Program within the Infrastructure Sales Tax (Penny for Pinellas)	1/17/2024			Joan Rice
1134	PC / Transportation Division of Public Works	Madonna Blvd Bridge over Pine Key	The bridge, located in the unincorporated area of Tierra Verde (TV), connects the TV community to the evacuation routes of the Pinellas Bayway (State Highway 679). Bridge its past is design and useful life. Needs replacing. Built in 1957.	$12 Million	FY 24-FY 29 Funded	Funding could potentially come from the Capital Improvement Program within the Infrastructure Sales Tax (Penny for Pinellas)	1/17/2024			Joan Rice
1161	PC / Transportation Division of Public Works	Orange Street Bridge	The bridge, located near an evacuation route on Alt. U.S. 19 in the unincorporated area of Palm Harbor, connects Ozona community to the evacuation routes of Alt. U.S. 19 and Tampa Road. The bridge is past its design and useful life. Needs replacing. Built in 1923.	$2.5 Million	Currently Unfunded	Funding could potentially come from the Capital Improvement Program within the Infrastructure Sales Tax (Penny for Pinellas)	1/17/2024			Joan Rice
1215	PC / Transportation Division of Public Works	Shore Blvd Bridge	The bridge, located along an evacuation route on S.R. 580 in the city of Safety Harbor, connects the countryside area of the county with Oldsmar and East Lake. The bridge is past its design and useful life. Needs replacing. Built in 1923.	$2.5 Million	Currently Unfunded	Funding could potentially come from the Capital Improvement Program within the Infrastructure Sales Tax (Penny for Pinellas)	1/17/2024			Joan Rice
1272	PC / Transportation Division of Public Works	Span Wire Intersection Replacement Program/Traffic Signal Hardening (24 Locations - see project list PDF)	Replacement of existing span wire intersections with mast arms made of galvanized steel. Intersections are along major evacuation routes throughout Pinellas County. 24 intersections in need of funding, at approximately $800k per intersection for construction. Estimated completion time: more than 12 months. This project is a countywide benefit; by having a more robust system in place this will improve the safe, efficient flow of traffic countywide in the event of a storm or flood. Traffic signals hung by span wire are susceptible to damage or falling due to strong wind. The fall of span wire results in traffic signals becoming inoperable and potentially blocking vehicle access on the road. Mast arm signals in place of span wire at these intersections located on evacuation routes will allow for the roads to remain open and for emergency personnel to have better access to support citizen needs.	Estimated average cost of $1.1M per intersection for construction. (24 total intersections). Total approx. project cost estimate for 9 of these intersections that are currently prioritized for implementation - $5,815,203.13	Currently Unfunded (24 intersections)	Potential match funding from the Capital Improvement Program PID 004152A Intersection Program	1/17/2024			Joan Rice
1325	PC / Transportation Division of Public Works	Building 5 Upgrades at Public Works Campus	Requested funding of $3.75 million to elevate and reconstruct the building as a Category 5 facility that can provide emergency operations countywide and be habitable by staff. Elevating and reconstructing the building will alleviate future repetitive loss.	$3.75 Million	Currently Unfunded	Funding could potentially come from the Capital Improvement Program within the Infrastructure Sales Tax (Penny for Pinellas)	1/17/2024			Joan Rice
942	Pinellas Park / City of Pinellas Park Public Works Department	Stormwater Project: 60th St Roadway, Utilities & Drainage Improvements	Construction of a drainage improvement project and related infrastructure along 60th Street N. from 102nd Avenue N. to 110th Avenue N., including culverting existing ditches, installing sidewalks, widening the road, adding bike lanes, replacement of an existing asbestos concrete potable water main with a new 6" PVC main, and reconstruction of existing roadway. This project is being moved to funded in the City's upcoming budget for Fiscal Year 2023-2024. /1	$3,220,000	Design phase funded FY 22/23. Construction phase currently unfunded.	IST, CDBG, FDEP, Stormwater Utility Fee	1/17/2024	12/10/2018		Tiffany Menard

Ponce Library Hardening and Generator)	HMGP 4337-503-R (State ID#589) The proposed project will consist of hardening windows and doors at twelve City-owned properties through the installation of shutters. Additionally, the Barbara S. Ponce Library (formerly a separate project) will undergo hardening to include wind mitigation to the roofing system (anchoring and fastening), water barrier activities, and the installation of a permanent generator. (Separate projects were combined following FDEM and FEMA review: HMGP-4337-589 Shutter Installation and HMGP-4337-590 Barbara S. Ponce Library Retrofit and Generator Installation into the current project HMGP-4337-503-R Twelve Public Facilities Wind Retrofit and Generator.)	$1,362,920	Project approved by FEMA / contract pending.	HMGP	1/17/2024	11/27/18		Tiffany Menard
890	Pinellas Park / City of Pinellas Park Fire Department	Community Emergency Response Team (CERT).	Supply CERT Training to 60 trainees. Estimated completion time: less than 12 months. / 4 ; Project still under consideration. Time frame unknown. To be determined by funding availability and community interest.	$30,000	Currently Unfunded. Time frame unknown.	EMPATF, HMGP; PDM Program, and local funds (i.e., Penny for Pinellas)	1/17/2024	11/27/2018		Tiffany Menard
1020	Pinellas Park / City of Pinellas Park Public Works Department	Fairlawn Subdivision Drainage Improvements	(Phase 1 & 2) Install a stormwater collection and conveyance system in a subdivision originally developed in the County in the 1960s and 70s. This would eliminate issues of localized flooding and dangerous stormwater inlets. /1	3,500,000	Currently unfunded / FY 21/22 to FY 25/26.	Local Funds, SWFWMD Grant, EMPATF, HMGP; PDM CDBG.	1/17/2024	12/10/2018		Tiffany Menard
816	Pinellas Park / City of Pinellas Park Public Works Department	Jan Cory Subdivision Infrastructure Improvements	Design and construct a drainage system within the subdivision which would include improving rural roads to provide curbing, culverting open conveyance systems, road improvements, sidewalk, and utility relocation and upgrades.	$4,580,000	Currently unfunded / FY 21/22 to FY 25/26.	Local Funds, SWFWMD Grant, EMPATF, HMGP; PDM CDBG.	1/17/2024			Tiffany Menard
861	Pinellas Park / City of Pinellas Park Public Works Department	Garnett Subdivision Drainage Improvements (Phase 2)	Garnett & North Disston Subdivisions - 40 acre +/- tract situated between 82nd Avenue 86th Avenue & 46th Street, 49th Street. Phase II project will improve drainage to the Garnett Subdivision and mitigate roadway ponding and flooding that occurs within this subdivision. Project includes 46th Street, 47th Street, 87th Avenue, 87th Terrace, and 88th Avenue; mills and repave 88th Avenue; total rebuild on 46th Street, 47th Street, 87th Avenue and 87th Terrace; update sidewalks to ADA standards in project area. Construction of a drainage improvement project and related infrastructure within the Garnett subdivision. This includes new drainage, utilities, sidewalk, curb, and roadway infrastructure. This project is listed in the LMS with a total project cost of $2,035,000.00. Due to inflation and economic changes in the market, the expected cost of this project is $2,830,000.	$2,830,000	Project funded FY 21/22 to FY 25/26 CIP / Applying for HMGP FY 24/25 for construction funds / Under review by FDEM	CDBG, Stormwater fee	1/17/2024			Tiffany Menard
970	Pinellas Park / City of Pinellas Park Public Works Department	Public Safety Complex - Police and Fire Administration and Emergency Operations Center	Design, engineer, construct and equip Fire and Police Administration Public Safety Complex and Emergency Operations and Command Center. This centralized complex would combine facilities for Police Department and Fire Administration. The structure will be built to withstand natural threats, allow for centralized communications and operations, reduce costs and increase the efficiency of coordination between these entities. The complex will also serve as the first responders Emergency Operations Center and a secondary EOC for city operations.	$23,000,000	Design and Site Prep: FY 21-22. Construction phase anticipated FY 22/23.	Bond Funds / Infrastructure Sales Tax	1/17/2024			Tiffany Menard

1322	Pinellas Suncoast Fire & Rescue District	Generator power for interim EOC	Two of the District's three fire stations are in a Level A evacuation zone in Pinellas County. The fire district does not have an Emergency Operations Center (EOC) and evacuations of fire stations and fire department administration requires all district operations move to a remote site located at the Indian Rocks Christian School. While this site is rated for Category 5 hurricane winds, the site does not have back-up power. The above project will place a generator and automatic power switch will enable uninterrupted emergency operations during and after a storm, making the fire district more disaster resilient.	$278,978	Currently Unfunded	HMGP	1/17/2024	5/8/2018		Todd Best, District Chief, Pinellas Suncoast Fire Rescue
1223	Pinellas Suncoast Fire & Rescue District	Construction of new fire station to meet current building standards in alternate location	Current fire station does not meet building standards. Natural disasters, such as hurricanes require district personnel, i.e. firefighters and paramedics to evacuate to a safer location. Evacuation of personnel and equipment significantly delays response to emergencies during and after storms or other disasters. Construction of a fire station meeting current building standards will allow emergency personnel to remain in the fire station during and after a storm, thereby improving response times and service to four barrier island communities and unincorporated mainland area.	$4,000,000	Currently Unfunded	PDM	1/17/2024	5/8/2018		
1311	REBUILD Northwest Florida, Innc.	Statewide Residential Wind Retrofit Project	REBUILD proposes to provide wind retrofits include protection for (1) roof-to-wall connections; (2) gable end bracing/sheathing; (3) opening protection and (4) other critical structural strengthening as determined a structural engineer for up to 3,000 homes in Pinellas County	$30,000,000	Currently Unfunded	HMGP	1/17/2024	7/13/2018		Chris Moore
929	Redington Beach / Public Works	Rebuild Public Works Facility	The curent Public Works facility does not meet current building codes as it was built in the 1940s. It is not rated for hurricane winds and is in a special flood hazard area. The building is not hardened and has significant space utilization issues. / 1, 2	2,500,00	Currently Unfunded	EMPATF, HMGP, Local	1/17/2024			Adriana Nieves
918	Redington Beach /Clerk's Office	Mitigate Repetitive Loss Properties	Requesting funds for the mitigation of noncompliant repetitive loss properties and pre-FIRM structures that are floodprone or at high risk/exposure to being flooded or experience wave action/erosion. / 1	$1,500,000	Currently Unfunded	FMA	1/17/2024			Adriana Nieves
783	Redington Beach / Engineering	Underground Utilities	Place underground utilities along the west side of Gulf Boulevard from 155th Ave to 164th Ave. Estimated completion time: more than 12 months. / 2	$4,000,000	Currently Unfunded	Penny for Pinellas	1/17/2024			Adriana Nieves
783	Redington Beach / Engineering	Underground Utilities	Place underground utilities along all interior streets east of Gulf Blvd. Estimated completion time: more than 12 months. / 2	$2,000,000	Currently Unfunded	Penny for Pinellas	1/17/2024			Adriana Nieves
1146	Redington Beach / Public Works	EOC Generator	Purchase and installation of new portable generator at Redington Beach Town Hall / Emergency Operations Center. The Town of Redington Beach is seeking funds that will provide an alternate electrical power source capable of running Town Hall AC system as well as sufficient outlets to run additional equipment in the event of a power failure.1/2/4	$3,000	Currently Unfunded	Local	1/17/2024			Adriana Nieves
782	Redington Beach / Engineering	Road Milling / Resurfacing	Road deterioration causes safety hazards and negatively impacts the attractiveness of the neighborhood. This project includes continuation of street milling and resurfacing, and includes updating the drainage system in the areas resurfaced. / 3	$1,200,000	FY 23-24	SWFMD, local, FDOT	1/17/2024			Adriana Nieves
1080	Redington Beach / Public Works	Stormwater Backflow Valve	Minimize flooding in the town's flood - prone areas. These areas frequently flood during major rain events and high tide. Clean stormwater pipes in entire Town, including video and mapping of stormwater pipes. Install backflow valves in the Town's 33 outfalls. Phase 1 complete - 15 valves installed, all pipes clean and mapped.	$157,000	FY 24-25	TBEP Grant, Local	1/17/2024			Adriana Nieves
828	Redington Beach / Clerk's Office	Security Improvements to Town Hall	Replace exterior doors at Town Hall and install cameras for improved security. Install telelvision and cable access for increased awareness in the event of weather or security events.	$100,000	Currently unfunded	Local	1/17/2024			Adriana Nieves
941	Redington Beach / Engineering	Causeway Improvements	Raise 161st Avenue between Redington Drive and 4th Street to decrease frequency of flooding	$2,000,000	Currently unfunded	HMGP, local	1/17/2024			Adriana Nieves
1022	Redington Beach / Public Works	GPS Inventory of Street Signs	Inventory all street and identification signs using GPS technology to facilitate replacement following a storm event. Estimated completion time: more than 12 months./ 4	$9,000	Currently Unfunded	Local	1/17/2024			Adriana Nieves
939	Redington Shores / Public Works	Lift Station Portable Emergency Generators	Purchase 3 trailer mounted 90KW/3 phase portrable generators. These generators would be used to maintain operation of sewer lift stations during power outages.	$140,000	Partial funding from town.	HMGP	1/17/2024	1/20/2021		Mike McGlothlin
1240	Redington Shores / Flood Stormwater Planning	Create a Revised CRS program for the Town	Consultant to review/recommend program upgrades to flood management planning / 1 / 2	$8,000	Town Funded	Local	1/17/2024	8/30/2016		Mike McGlothlin
870	Redington Shores / Preservation / Parks area	Create a Beach (Erosion) Management plan.	Provide for plans and specifications to expand existing Dune System and Walkover use. Estimated completion time: more than 12 months. / 2	$150,000	Currently Unfunded	CDBG; FMAP; HMGP; Nonpoint Source Implementation Grants; HMGP Planning	1/17/2024	8/30/2016		Mike McGlothlin
820	Redington Shores / Public Works	Underground Utilities	Place underground electrical, telephone and cable utilities to all properties along Gulf Boulevard from 175th Avenue to 83rd Terrace West. Estimated completion time: more than 12 months. / 2	$7,500,000	East Side Copleted	CDBG, Penny 4 Pinellas	1/17/2024	12/17/2018		Mike McGlothlin
960	Redington Shores / Public Works	Stomwater master improvement plan	Develop a SLR and master plan for upgrade and improvement of the town's entire stormwater system.	$150,000	Town funded	local	1/17/2024	11/1/2021		Mike McGlothlin

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-1: Mitigation Initiatives

Total Score	Jurisdiction/ Organization	Project Name	Description/ Natural Hazard Addressed (Key: 1=Flooding; 2=Storm Wind; 3=Erosion; 4=All Hazard)	Est. Cost	Timeframe / Status	Possible Funding Sources	Date Last Reviewed	Date Last Updated	Comments	Updated By
1049	Redington Shores / Public Works	Stormwater Infrastructure Improvements	In conjunction with developing a SLR and stormwater master plan for the town's entire stormwater system, upgrade 43 of the town's 216 stormwater outfalls that have been identified as those in most critical need of improvement.	$425,000	Currently Unfunded	HMGP DR-4486, Town of Redington Shores	1/17/2024	12/1/2021		Mike McGlothlin
1140	Safety Harbor / Public Works	Library Lift Station Repair	Complete renovation of Sanitary Sewer Liftstation. Failure of this lift station would not only impact the delivery of sanitary sewer service but could also lead to backup of sewage into homes and overflow into Tampa Bay.	$75,000	FY26/27	Local funding	1/17/2024			Cecilia Chen
1176	Safety Harbor / Public Works	Gulf Machinery Station Repair	Complete Renovation of Sanitary Sewer Lift Station. / 1,2	$85,000	FY24/25	Local funding	1/17/2024			Cecilia Chen
1270	Safety Harbor / Public Works	Harbor Woods Lift Station Repair	Complete Renovation of Sanitary Sewer Lift Station. / 1,2	$85,000	FY22/23	Local	1/17/2024			Cecilia Chen
1007	Safety Harbor / Fire Department	Fire Station Needs Analysis	Conduct a station needs analysis from a reputable third-party to identify short-, mid-, and long-term repair and maintenance plans, as well as remodeling plans, to ensure safe and resilient fire stations for the response community. Such analysis should ascertain strategies to ensure the fire station remains open and useable by response personnel during local disasters such as storms and flooding, as well as to identify code compliance issues and remedies for long term sustainability.	$65,000	FY25/26	Unfunded Local	1/17/2024			Cecilia Chen
1142	Safety Harbor / Fire Department	Fire Station Apparatus Bay Door Hardening	Replace all fire station apparatus bay doors with wind-load rated doors, and new components, to assist in continuity of operations for the community. The fire stations in Safety Harbor house needed emergency response units that respond to and assist at medical and fire emergencies within mid- and north-Pinellas County. This project will assist the department in hardening their structures to resist high winds during severe storms.	$190,000	FY23-FY28	Local	1/17/2024			Cecilia Chen
944	Safety Harbor/Engineering	2nd St. S/6th Ave. Improvements	Grade/Pave intersections to alleviate stormwater flooding and create positive drainage toward existing inlet./1	$100,000	FY23/24	Local	1/17/2024			Cecilia Chen
989	Safety Harbor/Public Works	Drainage Operations	Pond and Creek Dredging/Maintenance – Removing heavy sediment to improve stormwater flow and alleviate ponding/flooding./1, 3	$50,000	FY23/24	Local	1/17/2024			Cecilia Chen
1176	Safety Harbor/Public Works	Master Lift Station Repair – Pump #2	Replace Pump #2 at the Master Pump Station./1, 4	$80,000	FY22/23	Local	1/17/2024			Cecilia Chen
1176	Safety Harbor/Public Works	Master Lift Station Repair – Pump #1	Replace Pump #1 at the Master Pump Station./1, 4	$80,000	FY22/23	Local	1/17/2024			Cecilia Chen
1092	Safety Harbor/Public Works	Portable Generator #617	The generator protects spillage of raw sewage.	$26,300	FY23/24	Local	1/17/2024			Cecilia Chen
1092	Safety Harbor/Public Works	Portable Generator #631	The generator protects spillage of raw sewage.	$75,000	FY23/24	Local	1/17/2024			Cecilia Chen
1070	Safety Harbor/Public Works	Portable Generator #608	The generator protects spillage of raw sewage.	$110,000	FY24/25	Local	1/17/2024			Cecilia Chen
1070	Safety Harbor/Public Works	Stormwater Pipe lining	Pipe Lining: Annual program to replace/line inadequate or deteriorating stormwater conveyance systems. /4	$650,000	FY22-FY27	Local	1/17/2024			Cecilia Chen
1070	Safety Harbor/Public Works	Stormwater Master Plan	Evaluate drainage patterns within watershed; identify flooding locations; develop BMPs to address the issues. / 1, 3	$250,000	FY25/26	50%CFI, 50% Local	1/17/2024			Cecilia Chen
933	Safety Harbor/Public Works	Vulnerability Assessment	Evaluate and identify critical assests that are vulnerable to flooding, develop BMP to address issues/1	$175,000	FY24/25	100% State	1/17/2024			Cecilia Chen
1062	Safety Harbor/Engineering	6th St N at 6th Ave N Intersection Improvements:	Grade/Pave intersection to alleviate stormwater flooding and create positive drainage toward existing inlet./1	$92,000	FY23/24	Local	1/17/2024			Cecilia Chen
948	Safety Harbor/Public Works	Huntington Lift Station Rebuild	Replace Pumps at the Huntington Lift Station.	$160,000	FY23/24	Local	1/17/2024			Cecilia Chen
869	Safety Harbor/Engineering	Bishop and Mullet Creek Improvements	Evaluate drainage patterns within watershed; identify flooding locations; develop BMPs to address the issues. / 3	$1,200,000	FY23/24	Local	1/17/2024			Cecilia Chen
941	Safety Harbor/Engineering	2nd St N at 2nd Ave N drainage improvements	Grade/Pave intersection to alleviate stormwater flooding and create positive drainage toward existing inlet. / 1	$90,000	FY23/24	Local	1/17/2024			Cecilia Chen
971	Safety Harbor/Engineering	9th Ave S at 2nd St S intersection drainage improvements	Grade/Pave intersection to alleviate stormwater flooding and create positive drainage toward existing inlet. / 1	$92,000	FY24/25	Local	1/17/2024			Cecilia Chen
1070	South Pasadena/Fire Department	City Hall Emergency Generator with Transfer Switch and Platfrom	The City of South Pasadena City Hall Complex is currently without emergency backup power. The City Hall Complex is a two-story building with a community center on the first floor and the commission chambers, city server room, administrative offices and elected official offices on the second floor. This project would include the purchase and installation of a permanent diesel- powered emergency generator and automatic transfer switch. The generator and transfer switch would be built on an elevated platform above BFE.	$412,500	Application submitted HMGP Ian	Pre-Disaster Mitigation (PDM), Hurricane Program, Penny Sales Tax	1/17/2024			David Mixson
1029	South Pasadena/Public Works	Public Work Annex Generator and Platform	The City of South Pasadena Public Works Annex Builidng is currently without dedicated emergency backup power. The Public Works Annex Building houses machinery and equipment that is vital for road clearing, debris removal critical infrastructure assessment post storm. This project would include the purchase and installatoin of a permanent diesel powered emergency generator. The generator would be built on an elevated platform above BFE.	$275,225	Currently Unfunded; Project for FY 2023	Pre-Disaster Mitigation (PDM), Hurricane Program, Penny Sales Tax	1/17/2024			David Mixson

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-1: Mitigation Initiatives

Total Score	Jurisdiction/ Organization	Project Name	Description/ Natural Hazard Addressed (Key: 1=Flooding; 2=Storm Wind; 3=Erosion; 4=All Hazard)	Est. Cost	Timeframe / Status	Possible Funding Sources	Date Last Reviewed	Date Last Updated	Comments	Updated By
1284	South Pasadena / Fire Department	Fire Station #20	The City of South Pasadena will construct a new fire station designed to withstand hazards posed by hurricanes, to include wind, storm surge and flooding, as well as threats posed by future sea-level rise. The City of South Pasadena is located in a FEMA AE-12 Flood Zone. The City of South Pasadena per city ordinance has increase the B.F.E. by 2 feet and as such the new fire station shall be constructed at 14 feet above sea level. The new fire station will house apparatus and personnel assigned to both fire suppression and emergency medical response activities. Part of the station design and scope will include an Emergency Operations Center (EOC) for the City of South Pasadena. Natural Hazards Addressed include: 1 - Flooding, 2 - Storm Wind, 4 - All Hazards.	$10,200,000	Expected completion date May 15, 2024	Pre-Disaster Mitigation (PDM), Hurricane Program, Penny Sales Tax	1/17/2024	10/10/2017		David Mixson
780	St. Anthony's Hospital / St. Petersburg	Public Education	Develop a community education program to provide a better interface between the City and its stakeholders. Estimated completion time: less than 12 months. / 4	$10,000	Currently Unfunded	Residential Construction Mitigation Program; EMPATF, HMGP; PDM Program	1/17/2024			
780	St. Anthony's Hospital / St. Petersburg	ER Retrofit to provide surge capacity for emergencies	Build surge capacity for St. Anthony's Hospital including a new Emergency Dept. Estimated completion time: more than 12 months. / 4	$2,000,000	Currently Unfunded	Residential Construction Mitigation Program; EMPATF, HMGP; PDM Program	1/17/2024			
1330	St. Pete Beach	City EOC Retrofit	Provide shutters for the city EOC. Estimated completion time: less than 12 months. / 2	$40,000	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	10/3/2017		Lynn Rosetti
890	St. Pete Beach	Flood Proof Recreation Building	Flood-proof recreation building. Estimated completion time: more than 12 months. / 1	$350,000	Currently Unfunded	FMAP; HMGP; PDM Program; EMPATF	1/17/2024	10/3/2017		Lynn Rosetti
1000	St. Pete Beach	Acquisition of Repetitive Loss Properties	Purchase repetitive loss properties to mitigate losses. Estimated completion time: more than 12 months. / 1	$1,000,000	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024	10/3/2017		Lynn Rosetti
1220	St. Pete Beach	Dune Creation	Create dunes where there are gaps in the system and restore those which do not meet current FDEP dune standards. This will protect the entire city against the impacts of storms and damage to lives and property. /1,3	$500,000	Currently Unfunded		1/17/2024	10/3/2017		Lynn Rosetti
1060	St. Pete Beach	Sea Level Rise Study	Identify areas which are particularly vulnerable to sea level rise and which experience frequent flooding and develop an action plan to mitigate future damages. Many areas of the city become inundated with water during storms and greatly affect the welfare of the community. By developing strategies to prevent this, the city will reduces the threat level of flooding and erosion./ 1	$40,000	Currently Unfunded		1/17/2024	10/3/2017		Lynn Rosetti
1313	St. Pete Beach	Stormwater Improvements per Stormwater Asset Management Plan	Ongoing improvements to the City's stormwater infrastructure. Repair locations are prioritized based on stormwater flooding throughout the City./1	$3,000,000	$ 600,000 annually 2018-2022	Stormwater Fund, HGMP, SWFWMD.	1/17/2024	10/3/2017		Lynn Rosetti
1119	St. Pete Beach	Seawall Rehabilitation - Community Center Seawall and Living Shoreline Project	Seawall repair and replacement in accordance with established level of service. City staff review inventory and prioritize project locations annually./3 The purpose of this project is to design and construct a living seawall for the replacement of the seawall located at the St. Pete Beach Community Center - 7701 Boca Ciega Drive, St Pete Beach, FL 33706, within the City of St. Pete Beach limits and Pinellas County. The subject project is located in Pinellas County at Parcel Identification Number 36-31-15-77988-000-0010. The seawall will protect the city, its residents and developed properties from the impacts of sea level rise - including flooding and severe storms. The project includes approximately 960 linear feet of environmental services, shoreline design and construction consisting of a multi-faceted approach to include seawall repairs and living shoreline construction, utilizing a mix of gray materials (rip-rap, repaired seawall, revetments, oyster shells, etc.) and green materials (native coastal plants, mangroves, etc.) that appropriately compliment the site conditions. This project is critical to the City of St. Pete Beach and its residents. The nearly 1000' of seawall that is currently located at the site is not sufficient to protect city resources and will not protect public resources as the area experiences sea level rise. This site is located at the base of the Corey Causeway (75th Ave), which is the main ingress and egress to the City. In a significant storm with high tide and a storm surge, water could easily impact the main roadway to the Island. Further, the seawall is immediately adjacent to the City of St. Pete Beach Community Center where many important city services are provided to residents (after school programs, summer camps and family recreation). The City's police and fire boats are docked at the site. Public Works, with significant heavy equipment necessary to recovery after a storm, is located within one block. The Parks Department keeps heavy equipment at the site too. Flooding is already an issue at the site. Recently the pool at the Community Center was damaged by flooding. Without seawall improvements, flooding will increase and City resources will be at risk. The project will design a living seawall that will protect valuable residential and commercial structures, and the underlying real estate, against damages from rising sea levels and increasing storm intensities. / 1.3	$1,500,000	Currently Unfunded	Capital Projects Fund, HMGP	1/17/2024	10/3/2017		Lynn Rosetti
1029	St. Pete Beach	Sub-Aqueous Condition Assessment	Condition assessment of all force mains to plan future maintenance and replacement in order to prevent sanitary sewer overflows (SSOs) into bodies of water that surround the island. Project includes a highly detailed assessment of the force main leading from pump station no. 1./1	$175,000	Less than 12 months	Wastewater Fund	1/17/2024	10/3/2017		Lynn Rosetti
1073	St. Pete Beach	Gulf Boulevard Electric Undergrounding	Undergrounding of electric utility lines adjacent to Gulf Boulevard./2	$4,500,000	More than 12 months	Penny for Pinellas, Interlocal Agreement with Pinellas County	1/17/2024	10/3/2017		Lynn Rosetti
1091	St. Pete Beach	Dune Walkover Replacement	Dune walkover replacement at 12th Avenue and 16th Avenue to meet FDEP requirements and increase resiliency by increasing the heighth of the walkover to permit the dunes to grow./1,3	$120,000	Less than 12 months	Grant from Pinellas County	1/17/2024	10/3/2017		Lynn Rosetti
1142	St. Pete Beach	Alley Improvements	Replacement of the existing eastern north-south shell alley between 21st and 22nd Avenue in Pass-a-Grille with a new concrete alley, designed to convey stormwater to the newly installed stormwater collection system on Pass-a-Grille Way./1	$100,000	18 months	Capital Projects Fund	1/17/2024	10/3/2017		Lynn Rosetti
1169	St. Pete Beach	Blind Pass Stormwater Basin Connections	The Blind Pass Road stormwater system is designed to connect 7 flood control basins. This project will connect the first basin to the new twin 60' stormwater pipes. Anticipated project schedule includes one basin per year for the next 7 years until the project is complete. /1	$1,400,000	7 years	Stormwater Fund, SWFWMD	1/17/2024	10/3/2017		Lynn Rosetti

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-1: Mitigation Initiatives

Total Score	Jurisdiction/ Organization	Project Name	Description/ Natural Hazard Addressed (Key: 1=Flooding; 2=Storm Wind; 3=Erosion; 4=All Hazard)	Est. Cost	Timeframe / Status	Possible Funding Sources	Date Last Reviewed	Date Last Updated	Comments	Updated By
1080	St. Pete Beach	Boca Ciega Drive Street Rehabilitation and Stormwater Improvements	Improvements in stormwater basin 6F identified in the Stormwater Master Plan. This basin contains 5.8 acres in a residential zone and comprises the east end of Boca Ciega Isle./1	$350,000	18 months	Stormwater Fund	1/17/2024	10/3/2017		Lynn Rosetti
1152	St. Pete Beach	GIS Integration System	Camera system integrated with GIS mapping for exact pipe and infrastructure location. Software system integrates with the Work Order Management System for mapping maintenance./1	$80,000	18 months	Stormwater Fund	1/17/2024	10/3/2017		Lynn Rosetti
1047	St. Pete Beach	Pump Replacement Stock	"Change out" pumps reduce service interruption, the likelihood of SSOs, and the associated emergency maintenance cost. One surplus pump for each of the five different types currently in service will be acquired. /4	$120,000	Less than 12 months	Wastewater Fund	1/17/2024	10/3/2017		Lynn Rosetti
1101	St. Pete Beach	Valve Vault Repair	The combined valve vault where the outflow from the Cities of Treasure Island and St. Pete Beach enter the City of St. Petersburg's wastewater system are frozen in the open position. This project will install a new 20-inch valve to help reduce the possibility of SSOs./4	$310,000	24 months	Wastewater Fund	1/17/2024	10/3/2017		Lynn Rosetti
966	St. Pete Beach	Wastewater Inflow and Infiltration Repairs	Priority-based improvements to wastewater system infrastructure to help reduce the possibility of SSOs. The City received a system-wide inflow and infiltration study in fiscal year 2017, which prioritizes manhole, lining, and pipe point repairs./4 This program has been highly successful to date, with a 14.9% reduction in sewer flows experienced over the last seven years, reducing wastewater treatment volumes at the City of St. Petersburg's plant and directly reducing volumetric expenditures for the City of St. Pete Beach. Additional funding will help expedite the program and provide for continued improvement. It provides a direct environmental benefit by reducing the potential for sanitary sewer overflows, particularly during high rain events. The project has a regional component due to the fact that the City of St. Petersburg treats the City of St. Pete Beach's wastewater. Continued improvements to the St. Pete Beach collection system will reduce the volume of waste treated at the St. Petersburg plant. /1	$4,900,000	5 years	Wastewater Fund, HMGP	1/17/2024	10/3/2017		Vince Tenaglia

1299	St. Pete Beach / Fire	Generator at Station 22	Provide and install 40-kilowatt natural gas-fired generator to be located on the roof in order to meet FEMA regulations at Fire Station 22, including roof engineering and construction as well as running TECO natural gas line to the building in order to ensure Continuity of Operations./4	$150,000	2 years	HMGP,Capital Project Funds	1/17/2024	10/23/2017		K.Intzes
1289	St. Petersburg / City of St. Petersburg/ Leisure Services Department - Libraries	James Weldon Johnson Library Generator	The aim of this project is to strengthen this building's infrastructure where the Library systems technological hub is located. It will fortify the building's ability to serve as a Disaster Recovery Center as well as an alternate Emergency Operations Center. This will also ensure the Libraries ability to serve the public system wide provided there aren't any extenuating circumstances with the local power company. This project will also protect the Libraries collections from damage from humidity as well as component damage to servers due to partial power.	$250,000	Planning	CIP	1/17/2024			Matthew Holthusen
1370	St. Petersburg / City of St. Petersburg/ Fire Rescue Department - Operations Division	Generator for St. Petersburg Fire Rescue Headquarters	This project would fund the replacement of the current generator at Fire Headquarters. The funding would provide for a new 200kw diesel generator as well as a fuel tank, generator enclosure and ATS with freight to the location, a crane to off load new equipment, removal of the old generator and start up. Funds would also provide for a rental generator for the duration of the installation. The St. Petersburg Fire Rescue headquarters building is a critical facility at all times and especially during disasters and emergency events as it is home to the sub-Emergency Operations Center for the City. During Hurricane Irma, headquarters had to utilize the current generator to fully power the building for over two weeks. During this time, power constantly flickered to the building as the generator was overloaded. A review of the current generator was recently completed by Paramount Power which stated that "with the unit being so heavily loaded and having been in service for so long, it is only a matter of time before this condition causes damage and possible catastrophic failure to the tail section or whole unit." Replacement of the current generator would ensure that the building is fully powered and able to function as normal during any hazard that would cause a potential loss of power.	$185,100	Currently Unfunded	HMGP	1/17/2024	5/8/2018

941	St. Petersburg / City of St. Petersburg/ Leisure Services Department - Parks & Recreation	Leisure Services Complex Wind Retrofit	The City of St. Petersburg Parks and Recreation Leisure Services Complex requires a wind retrofit to withstand a Category 3-5 Rating. This building serves as the primary administrative building for the Parks and Recreation Department and a command center and shelter for department staff during hurricane events. Currently, the building cannot withstand high category hurricanes or fulfill its purpose as a command center and shelter safely. This project will replace the existing roof and retrofit the roof and building envelope to mitigate the impacts of winds. This project directly addresses the LMS goal of "Minimize Storm Wind Losses in the County" through protecting a facility which benefits the general public.	$500,000	Currently Unfunded	HMGP	1/17/2024	5/8/2018		
1025	St. Petersburg / Baycare, Inc.	Hospital EOC	Construct new EOC. Estimated completion time: more than 12 months. / 4	$1,100,000	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024

1223	St. Petersburg / City of St. Petersburg/ Public Works Department	NE Water Reclamation Facility Building Replacements	This project provides for the replacement of operation/lab/maintenance buildings to meet latest hurricane and flood codes. The existing buildings are not structurally sufficient to provide shelter of emergency critical staff during, and remain operational after, a hurricane.	$14,000,000	Currently Unfunded	Bond CIP Funded	1/17/2024	10/24/2017		Ivy Drexler
1223	St. Petersburg / City of St. Petersburg/ Public Works Department	NW Water Reclamation Facility Building Replacements	This project provides for the replacement of operation/lab/maintenance buildings to meet latest hurricane and flood codes. The existing buildings are not structurally sufficient to provide shelter of emergency critical staff during, and remain operational after, a hurricane.	$14,000,000	Currently Unfunded	Bond CIP Funded	1/17/2024	10/24/2017		Ivy Drexler
1368	St. Petersburg / City of St. Petersburg/ Public Works Department	Sanitary Sewer Inflow and Infiltration Reduction Improvements	This project includes construction projects that will reduce inflow and infiltration (rain and ground water) into the City's sanitary sewer system by repairing and replacing old sewer collection system infrastructure. Inflow and Infiltration during wet weather periods has increased flow rates above the capacities of the collection system and treatment plants resulting in sewage discharges into the bay.	$25,000,000	Currently Unfunded	Penny for Pinellas Local Option Sales Tax	1/17/2024	10/24/2017		Ivy Drexler
1340	St. Petersburg	Cosme Water Treatment Plant Emergency Operations Center Code Plus Project	The City of St. Petersburg (City) proposes to implement a Code Plus project through construction of a new emergency operations center building at the Cosme Water Treatment Plant (WTP). The WTP was originally constructed in 1930 and has an operating permit for production up to 68 million gallons per day (MGD) but normal operations have a throughput of 28-33 MGD. The City purchases water from Tampa Bay Water, which is supplied from the Cosme-Odessa well field. Water supply enters the plant from Tampa Bay Water through three individual lines, is treated, and potable water is distributed to the entire City of St Petersburg plus the City of Gulfport, a total of 273,673 people according to 2019 census data. As the only occupied parcel the City owns outside of the City limits, this site provides a geographically higher location less vulnerable to potential storm events, and provides an opportunity to enhance City emergency operations functions. The Code Plus project will design the new structure to harden the facility against hurricanes, severe storms, and power outages to ensure continuity of City emergency response operations at the Cosme WTP during and after such events. This will be achieved by incorporating higher standards above Florida Building Code and ASCE-7 minimum requirements and designing the facility to withstand 150 mile-per-hour wind speeds. The City will consider the following elements from FEMA 453 - Design Guide for Improving Critical Facility Safety from Flooding and High Winds and FEMA P-1019 Emergency Power Systems for Critical Facilities that are eligible under a Code Plus project: hurricane doors and windows with impact-resistant glass, exterior wall protection from water infiltration, weatherstripping, roof and truss system including gravity-support brackets for gutters, and an on-site permanent generator as a redundant power source. The permanent generator will specifically provide redundancy to the WTP's service lines that pump water from Tampa Bay Water's well fields, which currently operate on grid power only with no backup. If the well fields are not powered due to grid failure from a severe storm or hurricane, potable water storage will provide adequate supply for a few days until they are depleted. If the power grid is disrupted for more than a few days and the City's stored water supply is depleted, potable water service would be lost throughout the entire City and Gulfport. Therefore, the proposed Code Plus project will not only ensure continued emergency operational capacity for the City during and after a severe storm or hurricane, but will also secure access to potable water through short and long-term power outages that affect the Cosme WTP. Additionally, during the City will design safe rooms, as part of the EOC, that provide near-absolute life-safety protection during a hurricane to the critical and essential services personnel that must remain in the EOC during a hazard event (approximately 30 staff members). This will be achieved by ensuring the room is designed to withstand at least 180 mph winds as outlined in ICC 500. The City will follow all guidelines and standards laid out in FEMA P-361, Safe Rooms for Tornadoes and Hurricanes (2021) and ICC 500 Standard for the Design and Construction of Storm Shelters (2020) in the design of the room. This includes the following eligible activities: Foundation and safe room anchoring, access and egress, emergency escape openings, latching, safe room signage, fire safety features, protection of critical support systems, lavatories, ventilation, and standby power and lighting.	$4,399,429.75	The HMGP grant was awarded on January 11, 2023 to the city. Funds are being disbursed in partial amounts as the project progresses. To date, the city has received $ 443,650.00 for the design stage of the project.	HMGP	1/17/2024			Kira Barrera
1166	City of St. Petersburg/Fleet Management	City of St. Petersburg Fleet Facility Resilience - Emergency Generator	The City of St. Petersburg (City) proposes to implement an emergency generator at the Fleet Management Facility. The St. Petersburg Fleet Management Facility is a critical services facility that encompasses approximately eight acres within an industrially zoned area in the center of the City. The facility provides for the maintenance and repair of the City's fleet of over 3,300 vehicles including public safety, light and heavy duty trucks, trailers, emergency vehicles, public works vehicles and other equipment necessary to support the City's response to disasters and emergencies. Crucially, the facility provides fuel services to fuel the ground fleet and back-up generators in preparation for, and during the recovery from, emergency events. This is the only city facility that is capable of dispensing unleaded fuel, which is the fuel source for most of the police and rescue vehicles in the City. Without power to ensure these vehicles are fueled, these vital rescue services will be hindered during and after an emergency event. In addition to these services, the Fleet facility also includes the repair and maintenance of radio communication equipment for public and non-public safety which are crucial to maintain emergency services. While a generator is not needed to run the radios, the generator does run the back-up encryption for the system in case the radio should go out. Finally, the facility also serves as a sub-emergency operations center (EOC) for the City. Fleet staff use the facility building as an EOC to maintain operations until wind reaches a sustained speed of 45 mph when they must evacuate. In addition to the City of St. Petersburg, the facility also provides services to the University of South Florida, St. Petersburg (University) and the City of Gulfport. The facility maintains the University's vehicle fleet. The facility also provides services for the City of Gulfport during emergency situations, including sharing fuel. During disaster events, the Fleet Facility requires functional operations to continue without outside assistance for at least seven days. This includes back-up power generation. The current generator at the facility is unreliable during an emergency, and does not have an invertor. This renders the generator incapable of working with the site's electronics or sensitive components. These issues were made evident during Hurricane Ian when storm damages required the use of the site's current generator. When the generator worked it damaged computer boards for the electronic fuel station and the facility. This generator failed after the first day on generator power and the City was forced to rent an additional generator for 10 days before power was restored at the site. Additionally, the current generator is not big enough to serve the entire Fleet Facility. In order to ensure that the Fleet Facility has the necessary electrical power to maintain continuity of emergency operations, the City proposes to install a 600-kW diesel fueled emergency generator that will serve as a source of redundant power in the event of a power failure. The generator will be able to directly connect to the existing systems so that when power is lost, the generator can immediately and directly provide power to necessary elements within the facility. Additionally, the proposed generator will be larger than the current model, ensuring the entire facility, and any future updates, can maintain power during emergencies. The proposed project is expected to cost $750,000, based on preliminary estimates.	$691,599	Currently Unfunded	HMGP	1/17/2024			Dr. Shrimatee Ojah Maharaj, AICP, Grants Officer City of St Petersburg Tel: 727-892-5180
1193	City of St. Petersburg/Public Works	City of St. Petersburg Infrastructure Resilience - Wet Weather Storage Tank	The City of St. Petersburg (City) owns and operates wastewater collection facilities for the entire city, much of which was initially designed and constructed in the early 1900s. The wastewater collection system collects wastewater throughout the city and conveys it to one of three Water Reclamation Facilities for treatment through a series of force mains and lift stations. The increasing frequency and intensity of precipitation events, coupled with population growth, has taxed the collection and treatment system resulting in wastewater flow volumes that can exceed system capacity during wet weather events. When system capacity is exceeded, some areas of the city experience overflowing manholes and surcharged sewers that can potentially inundate connected buildings. Existing wet weather flow equalization (emergency storage) capabilities are not sufficient to collect and store excess flows currently received during precipitation events. The City of St. Petersburg proposes to implement two emergency wet weather storage tanks at the decommissioned Albert Whitted Water Reclamation Facility to permanently manage up to 15 million gallons of raw wastewater during peak flows when the Southwest Water Reclamation Facility is at its capacity. This will be implemented as a phased project, in accordance with FEMA Hazard Mitigation Assistance Guidance, where the City completes the project design and permitting in Phase 1 and constructs the solution in Phase 2. The proposed infrastructure resilience improvements will increase the overall capacity of the wastewater conveyance and treatment system to handle peak flows during tropical storms and severe precipitation events. This will not only reduce the likelihood of overflows due to overflowing manholes and surcharged sewers, but it will also increase operational efficiency during severe storms and allow operations and maintenance staff to focus on emergency repairs that may be needed in other areas of the wastewater system.	$26,900,000	Currently Unfunded	HMGP	1/17/2024			Ivy Drexler

Local Mitigation Strategy 2023-2024
Appendix D, Table D-1: Mitigation Initiatives

Total Score	Jurisdiction/ Organization	Project Name	Description/ Natural Hazard Addressed (Key: 1=Flooding; 2=Storm Wind; 3=Erosion; 4=All Hazard)	Est. Cost	Timeframe / Status	Possible Funding Sources	Date Last Reviewed	Date Last Updated	Comments	Updated By
1032	St. Petersburg	WRD EOC Emergency Power Consolidation Generator (FY2025)	Generator: This project provides funding for increased capacity, redundancy, and distribution grid for emergency power at the WRD Campus in conjunction with the construction of new facilities as part of the Facilities Master plan. In order to accommodate the increased complexity of infrastructure as outlined in the Facilities Master Plan, hardening, consolidation, and improvement for emergency power distribution should be reviewed and improved.	$5,500,000	Currently Unfunded	Local funding, HMGP	1/17/2024			R. Quintana/L. Denzer
1196	St. Petersburg	WRD Lift Station Engineering Upgrades	Structure Elevation & Mitigation UPgrades: The City owns and operates over 80 lift stations which pump wastewater to the water reclamation facilities. Upgrades are necessary to keep the lift stations in good working condition. The lift stations are prioritized based on condition assessments and tracked in the asset management system. The plan to touch every lift station during a 20 year cycle which coincides with each system's useful life. Funding includes cost assessments to account for the planning, design and delivery of sustainable, long-term infrastructure. Implementation and execution of the city's sustainability and resiliency initiatives will align with the Envision sustainable infrastructure framework, including third-party verification of completed projects.	$29,450,000	Crrently Unfunded	Local funding, HMGP	1/17/2024			Ivy Drexler
1271	St. Petersburg	Install or Replace Lift Station Stationary Generators	Generators: This project provides funding to replace four stationary lift station generators. They are used to power up the wastewater pump stations during power outages. This project is recommended by the master plan based on the results of the LST R&R Model (FP Table 5-6). Funding would be used to bring one lift station that does not currently have a stationary generator into compliance with 62-604.400(2)(a)(1) "Pump stations that receive flow from one or more pump stations through a force main or pump stations discharging through pipes 12 inches or larger shall provide for uninterrupted pumping capabilities, including an in-place emergency generator.four	$1,250,000	Crrently Unfunded	Local funding, HMGP	1/17/2024			Ivy Drexler
959	St. Petersburg	FAC WRD Main Campus Reconfiguration	Structure Elevation: This project provides funding for the next phase of the Integrated campus master plan. The goal is to provide centralized hurricane rated facilities for emergency critical operations as well as parking for the complex. This project proposes to construct a new parking structure for the WRD Main Campus on the area currently occupied by the lab building. We would also like to include a photovoltaic electrical generation system and additional charging stations for our growing fleet of electric vehicles. In order to build a parking structure in this location, there post be coordinated efforts with Duke to relocate the power structure located next to the current lab building. The funding is spread to first cover design, then cover relocation of existing assets in conflict with the needed footprint, then cover construction. The Funding indicates WRD Contribution of 50%.	$20,500,000	Currently Unfunded	Local funding, HMGP	1/17/2024			Raul Quintana
1010	St. Petersburg / City of St. Petersburg/ Public Works Department	Fleet Facility and Emergency Operations Center	This Project involves replacement of existing Fleet buildings which serve for pre- and post emergency operations to repair, service, fuel police, fire, and other emergency response vehicles. This location also administers the radio communications and repairs. The esiting system is structurally deficient and may not be operatiponal following a major storm event risking the City's ability to be responsive for emergency response	$50,000,000	Currently Unfunded	Local funding, HMGP	1/17/2024			Raul Quintana
1107	St. Petersburg / City of St. Petersburg/ Public Works Department	Stormwater, Pavement and Traffic Operations Facility	This Project involves replacement of existing Stormwater, Pavement, and Traffic Operations facilities located at 1744 9th Avenue North which serve for pre- and post emergency operations to repair, service, traffic signals, roadway signage, Right of Way Repairs (including seawalls, roads, etc). The existing system is structurally deficient and may not be operatiponal following a major storm event risking the City's ability to be responsive for emergency response.	$30,000,000	Currently Unfunded	Local funding, HMGP	1/17/2024			Raul Quintana

Multi-jurisdictional project will require coordination with Pinellas County.	$15,000,000	Currently Unfunded	BRIC, HMGP, other	1/17/2024			Bob Robertson
963	Tarpon Springs / Utilities	Afraras Lift Station Replacement	Project to replace aging wastewater lift station that is a pumping station to Sponge Docks.	$1,250,000	Currently Unfunded	CDBG Mitigation Grant; Water Sewer Enterprise Fund	1/17/2024			Megan Araya / Thomas Kiger
1071	Tarpon Springs / Utilities	Dewatering Building Hardening	Project to harden the dewatering buiding at Advanced Wastewater Treatment Facility against windstorm damage for continued operations during hurricanes.	$2,400,000	Currently Unfunded	CDBG Mitigation Grant; Water Sewer Enterprise Fund	1/17/2024			Megan Araya / Thomas Kiger
1112	Tarpon Springs / Utilities	Operations Building Hardening	Project to harden the operations building at the CTS Advanced Waterwater Treatment Facility against flooding damage to ensure continued operations during hurricanes.	$3,060,000	Partially funded at $1.2M / Design to begin in FY2023	CDBG Mitigation Grant; Water Sewer Enterprise Fund	1/17/2024			Megan Araya / Thomas Kiger
993	Tarpon Springs / Utilities	Lime and Huey Lift Station Replacement	Project to replace the aging Lime and Huey wastewater lift station which provides a low-income area of TS with wastewater service.	$1,900,000	30% Design Complete / Construction start in CY 2023	CDBG Mitigation Grant; Water Sewer Enterprise Fund; Water Sewer Impact Fees	1/17/2024			Megan Araya / Thomas Kiger
1149	Tarpon Springs / Utilities	RO Plant Generator Capacity	Project to install permanent generators at the water production wells for the TS RO Plant. Currently have 7 wells w/ no funded plan for permanent backup power supply.	$210,000	Funded / award 9-2020 / completion 7-2021	CDBG Mitigation Grant; Water Sewer Enterprise Fund	1/17/2024			Megan Araya / Thomas Kiger
897	Tarpon Springs / Utilities	Wastewater Treatment Facility Nutrient Removal Process Improvements	Project to upgrade the nutrient removal process at the CTS Advanced Wastewater Treatment Facility to improve nutrient removal and energy efficiency.	$3,300,000	Currently Unfunded	CDBG Mitigation Grant; Water Sewer Enterprise Fund	1/17/2024			Megan Araya / Thomas Kiger
1073	Tarpon Springs / Utilities	Tarpon Springs Sponge Docks Flooding Abatement	Tarpon Springs wishes to implement a stormwater flood and water quality improvement project to mitigate flooding in the Sponge Docks area. The City operates with an undersized stormwater collection system with a normal high tide tailwater that is exacerbated during high tide events. This project allows for an updated system to significantly reduce the amount of flooding taking place in these areas as well as treatment of stormwater prior to discharge into the Anclote River. Essentially, it will implement a new stormwater pump station and check valve system to prevent tidal backflow and landward rainwater flooding during high tide events.	$4,312,482	Currently Unfunded	Local, BRIC	1/17/2024			Bob Robertson
1077	The Pinellas Suncoast Transit Authority (PSTA)	Solar and battery energy storage system infrastructure	The Pinellas Suncoast Transit Authority (PSTA) seeks to purchase and install the solar and battery energy storage system infrastructure required to support 100% of PSTA's power needs during an outage in Pinellas County from a hazard event such as flooding or a hurricane. This solar and battery infrastructure would allow PSTA operations to function autonomously "off-the-grid", as well as power their electric bus fleet for any power-outage event. This would mitigate the risk of any fuel shortage that could impact The Authority during emergency times, as well as allow any number of the electric bus fleet to be energized and dispatched throughout the county to serve as power generators for electrical infrastructure deemed critical in Pinellas during a power outage.	$22,439,312	Currently Unfunded	HMGP	1/17/2024			Robert J. Gavin, PE
903	Town of Belleair / Water Treatment Plant	Water Wells back up power generator	Supply back up power generation and new pumps to RTW water supply wells for potable water generation.	$114,000	Currently Unfunded	HMGP	1/17/2024	5/8/2018

1270	Town of Belleair / Building Department	Generator Installation Town Hall/Police Department	1, 2	$138,476	6 months	HMGP Hurricane Hermine	1/17/2024	4/24/2017		Greg Lauda
980	Town of Belleair / Support Services	Town Hall Storm Mitigation	Mitigate town hall (901 Ponce de Leon Blvd.). Estimated completion time: more than 12 months. / 2	$40,000	Currently Unfunded	EMPATF, HMGP; PDM Program	1/17/2024			
	Town of Belleair/Public Works	Ponce De Leon and Osceola, Street and Drainage improvements.	Phase 3 and 4 of Ponce De Leon and Osceola, Street and Drainage improvements.	$2,700,000	Currently Unfunded	HMGP	1/17/2024			Greg Lauda
	Town of Belleair/Public Works	Palmetto Street Drainage improvements	Final Phase of Palmetto Street drainage improvements	$1,400,000	Currently Unfunded	HMGP	1/17/2024			Gregg Lauda
917	Town of Belleair/Public Works	Carl & Shirley Roadway / Drainage Improvements	Construction of a drainage improvement project and related infrastructure. This project includes new drainage, utilities, sidewalk, curb, and roadway infrastructure. The projected total project cost is $2,196,113.85.	2.19 Million	Currently Unfunded	Local, HMGP	1/17/2024			Gregg Lauda / Adam Klinstiver
1086	Town of Belleair/Public Works	Indian Rocks Road Project	.0539 miles of new storm water underground drainage, this project will relieve Indian Rocks Road form being in future flooding events	4.8 Million	Currently Unfunded	HMGP	1/17/2024			Gregg Lauda
1118	Town of Belleair/Public Works	Harold's Lake Dredging	This project is to dredge the sediment that has built up in Harold's Lake and restore the lake to original design. This lake collects stormwater from Belleair, Pinellas County, City of Clearwater and City of Largo. The projected total project cost is $2,400,000.	2.4 Million	Currently Unfunded	Local, HMGP	1/17/2024			Gregg Lauda / Adam Klinstiver
834	Treasure Island / Public Works	Reconstruct Public Works Garage and Yard	Rebuild the public works service facility, hardening it to withstand modern windload standards and elevate it to address sea level rise and meet FEMA standards for structures in a Special Flood Hazard Area. /4	$6.1 Million	Funded FY24 by planned issuance of debt	HMGP; HMGP Planning, local funds	1/17/2024			Jesse Miller
965	Treasure Island / Public Works	Reconstruct the Public Safety Buildings	Reconstruct the Public Safety facilites to withstand modern windload standards, elevate it to address sea level rise, and to bring the offices and firefighters living quarters to FEMA compliant levels. /4	$700,000	Projected FY27 by planned issuance of debt	HMGP; HMGP Planning, local funds	1/17/2024			Jesse Miller
1710	Treasure Island / Public Works	Citywide Seawall Repair for Locations NOT listed as a separate project (street ends, etc.)	Citywide Seawall repair/replacement. Estimated completion time: ongoing. / 4	$1.2 Million	Funded FY25 - FY28 by annual appropriation	EMPATF, HMGP; PDM Program; CDBG, Local Funds (Penny for Pinellas)	1/17/2024	10/30/2017		Jesse Miller
1060	Treasure Island / Public Works	Public Works Seawall Replacement	Replace and elevate the seawall adjacent to the new Public Works facility: Estimated completion time: less than 12 months (2025). / 3	$460,000	Funded FY25 by City	EMPATF, HMGP; PDM Program; CDBG	1/17/2024	10/30/2017		Jesse Miller
1270	Treasure Island / Public Works	Reconstruct Fire, and Police facilities	Reconstruct critical municipal facilities - Fire, and Police Estimated completion time: more than 12 months. / 2	$7 Million	Funded FY25 by City for design construction currently unfunded	EMPATF, HMGP; PDM Program; CDBG; FMAP	1/17/2024	10/30/2017		Jesse Miller
970	Treasure Island / Public Works	Kingfish Park Seawall Rehabilitation	Repair/replace seawall and failing infrastructure: Estimated completion time: less than 12 months. / 3	$500,000	Funded FY24 by City for emergency design and repair efforts.	EMPATF, HMGP; PDM Program; CDBG	1/17/2024	10/30/2017		Jesse Miller

TABLE D-2 ACCOMPLISHMENTS

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-2: Accomplishments

Municipality / Entity	Project	Est. Cost	Status	Funding	Date Last Reviewed	Date Last Updated	Updated By
Belleair Beach	Master Stormwater Plan for city-wide stormwater improvements and flood prevention	$55,000	Completed 2016	Currently Budgeted Local	1/17/2024	8/17/2017	Lynn Rives
Belleair Beach	Harbor Dr. & 1st Street	$381,000	Completed	Local	1/17/2024	9/5/2019	Lynn Rives
Belleair Beach	Harrison Avenue Bridge Repair	$160,000	Completed	Local	1/17/2024	11/8/2018	Lynn Rives
Belleair Beach	Belle Isle Stormwater Improvement	$122,000	Completed	Local	1/17/2024	12/6/2018	Lynn Rives
Belleair Beach	Belle Isle Avenue Seawall Repair	$329,000	Completed	Local	1/17/2024	12/6/2018	Lynn Rives
Belleair Beach	Harbor Drive & 2nd Street	$185,000	Completed	Local	1/17/2024	11/8/2018	Lynn Rives
Belleair Beach	Harrison Avenue Seawall	$105,000	Completed	Local	1/17/2024	11/8/2018	Lynn Rives
Belleair Beach	Master Drainage Plan	$50,000	Completed	Local	1/17/2024	9/5/2019	Lynn Rives
Belleair Beach	Traffic Light Mitigation	$447,000	Completed	EMPATF, HMGP; PDM Program Penny for Pinellas	1/17/2024	9/5/2019	Lynn Rives
Belleair Beach	3rd-6th St - Drainage Improvement Plan - to prevent High Tide Flooding 3rd-6th Street	$356,000	Completed	Local	1/17/2024	11/9/2020	Lynn Rives
Belleair Beach	7th-8th Street Drainage Improvement Plan	$305,000	Completed	Local	1/17/2024	9/27/2021	Kyle Riefler
Belleair Beach	Stormwater Management - Stormwater repairs, improvements, and replacing curb work. Replace valley curbs Estimated completion time: more than 12 months. / 1	$172,292	Completed	Local Funds	1/17/2024	9/27/2021	Kyle Riefler
Belleair Beach	Gulf Blvd. Utility Undergrounding Phase 0 - Undergrounded overhead utilities and equipment to build resiliency and improve aesthetics in Belleair Beach. Phase included west side of Gulf Blvd. with crosswires and City Marina.	$1,727,398	Completed	Penny IV, Local Funds	1/17/2024	9/11/2022	Kyle Riefler
Belleair Beach	12th St., 13th St., and Bay Dr. (BMP 7 & 8) Stormwater Drainage Improvement Project - Prevent high tide flooding on these roads.	$717,350	Completed	Local Funds	1/17/2024	11/19/2023	Kyle Riefler
Belleair Beach	Renovate 7th and 16th seawalls.	$159,500	Completed	Local Funds	1/17/2024	11/19/2023	Kyle Riefler
Clearwater	Former Clearwater Christian College Property Acquisition	$1,300,000	Project complete (2016)	Local	1/17/2024	10/4/2016	Sarah Kessler
Clearwater	Fire Station 45 and EOC	$10,500,000	Construction complete (2016)	Local and State	1/17/2024	10/4/2016	Sarah Kessler
Clearwater	Fire Station 50	$3,814,740	Completed (2017)	Local and State	1/17/2024	12/19/2018	Sarah Kessler
Clearwater	Gas Complex	$13,000,000	Completed	EMPATF, HMGP; PDM Program	1/17/2024	10/23/2019	Sarah Kessler
Clearwater	Police Shooting Range	$2,382,819	Complete (2017)	Local and State	1/17/2024	12/19/2018	Sarah Kessler
Clearwater	Public Works Complex – Phase I Street Sweeping Facility	$1,975,349	Design Complete	Local and State	1/17/2024	12/19/2018	Sarah Kessler
Clearwater	Berkley Place Drainage Improvements	$360,000	Project complete in 2016	Local and State	1/17/2024	10/4/2016	Sarah Kessler
Clearwater	Lower Spring Branch Stormwater Improvements	$1,800,000	Currently in Design (2016)	Local and State	1/17/2024	10/4/2016	Sarah Kessler
Clearwater	Byram Ditch Bank Stablization	$330,000	Project complete in 2015.	Local and State	1/17/2024	10/4/2016	Sarah Kessler
Clearwater	Druid Road Stormwater Improvements	$2,825,000	Currently in Construction (2016)	Local and State	1/17/2024	10/4/2016	Sarah Kessler
Clearwater	Mango Avenue Stormwater Improvements	$1,600,000	Completed (2017)	Local and State	1/17/2024	12/19/2018	Sarah Kessler
Clearwater	Glen Oaks Stormwater Improvement Project	$2,500,000	Project completed in 2006.	Local and State	1/17/2024	10/4/2016	Sarah Kessler
Clearwater	Lake Bellevue Stormwater Improvements	$1,300,000	Project complete in 2007	Local and State	1/17/2024	10/4/2016	Sarah Kessler
Clearwater	Woodlawn Terrace Stormwater Improvements	$800,000	Project complete in 2015	Local and State	1/17/2024	10/4/2016	Sarah Kessler
Clearwater	Hillcrest Avenue Bypass Culvert	$3,900,00	Currently in Construction (2018)	Local and State	1/17/2024	12/19/2018	Sarah Kessler
Clearwater	East Gateway Stormwater Improvements	$12,000,000	Currently in Construction (2018)	Local and State	1/17/2024	12/19/2018	Sarah Kessler
Clearwater	Solid Waste Transfer Facility	$18,000,000	Currently in Construction (2018)	Local and State	1/17/2024	12/19/2018	Sarah Kessler
Clearwater	Cooper's Point Master Plan	$200,000	Project complete in 2017	Local and State	1/17/2024	12/19/2018	Sarah Kessler
Clearwater	Renovations to Beach Marina Buiding	$2,500,000	Project complete (2016)	Private and Local	1/17/2024	10/4/2016	Sarah Kessler
Clearwater	Purchase Friendly Village of Kapok Mobile Home Park to eliminate repetitive flood losses. A nature park was created on the site along with storm water improvements for the area to prevent flooding.	$17,000,000	Complete	Local and State	1/17/2024	10/4/2016	Sarah Kessler
Clearwater	Replace seawalls throughout Clearwater Beach. Estimated completion time: more than 12 months.	$5,000,000	Ongoing	EMPATF, HMGP; PDM Program	1/17/2024	12/19/2018	Sarah Kessler
Clearwater	Develop a CERT that is trained on How to Educate Homeowners on Mitigation Techniques.	$37,000	Complete	Local and State	1/17/2024	10/4/2016	Sarah Kessler
Clearwater	Purchase 2000Kw mobile generator	$375,000	Complete (2018)	Local and State	1/17/2024	12/19/2018	Sarah Kessler
Clearwater	Jeffords Street Outfall	$1,000,000	Complete (2018)	Local and State	1/17/2024	12/19/2018	Sarah Kessler
Clearwater	Magnolia Street Outfall	$4,000,000	Completed (2017)	Local and State	1/17/2024	12/19/2018	Sarah Kessler
Clearwater	Woodlawn Terrace Floodplain Storage	$1,000,000	Completed (2017)	Local and State	1/17/2024	12/19/2018	Sarah Kessler
Clearwater	Smallwood Circle Drainage Improvements	$1,500,000	Completed (2017)	Local and State	1/17/2024	12/19/2018	Sarah Kessler

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-2: Accomplishments

Municipality / Entity	Project	Est. Cost	Status	Funding	Date Last Reviewed	Date Last Updated	Updated By
Clearwater	Clearwater Gas Complex	$23,300,000	Currently under Construction	Local and State	1/17/2024	12/19/2018	Sarah Kessler
Clearwater	**Elevate 9 Clearwater Beach lift stations** - This project includes elevating nine (9) lift stations on Clearwater Beach. The lift station telemetry, control, and power connections would be elevated at least two feet above the base flood elevation and storm surge height. Elevating the lift stations reduces the likelihood that they would damaged by a storm and prevents sanitary sewer overflows. This cost of preventative measure is $77,000 per elevated lift station. The estimated construction length would be 6 months.	$616,000	Complete	HMGP	1/17/2024	12/16/2022	Sarah Kessler
Clearwater	**Purchase 2 mounted power stations** - This project is for the purchase of two (2) portable 419KW trailer mounted power stations. Although the City's reclamation and water production facilities are on Duke Energy's critical facilities list, power outages due to storm damage can occur at Public Utilities facilities. The trailer mounted power stations allow for flexibility of redundant power supply that can be transported to any of the City's three (3) reclamation facilities. Having emergency power at facilities can prevent a sanitary sewer overflow. The cost of this preventative measure is $150,000 per power station. The estimated length of time to acquire equipment is 90 days.	$300,000	Complete	HMGP	1/17/2024	12/17/2022	Sarah Kessler
Clearwater	**Purchase 7 mounted generators** - This project is the purchase of seven (7) portable 90kW trailer mounted generators. These generators would only be used to maintain lift stations operations during power outages, often associated with extreme weather. The generators would allow lift station without power to temporarily pump the waste water collection system. Maintaining power at a lift station prevents sanitary sewer overflows. The cost of this preventative measure is $70,000 per generator. The estimated length of time to acquire equipment is 90 days.	$490,000	Complete	HMGP	1/17/2024	12/18/2022	Sarah Kessler
Clearwater	**Fire Station 46** – Mandalay - Construction of a new fire station to meet current building standards. Added 2016 /4	$4,305,560	Complete	EMPATF, HMGP; PDM Program	1/17/2024	12/19/2022	Sarah Kessler
Clearwater	**District 3 Headquarters** - Rebuild Police Station to be resilient and address site flooding Added 2016 /4	$3,505,000	Complete	EMPATF, HMGP; PDM Program	1/17/2024	12/20/2022	Sarah Kessler
Dunedin	Lake Earl to Skyeloch Piping.	$35,000	Complete	State	1/17/2024		
Dunedin	Lake Sperry pipe lining.	$150,000	Complete	State	1/17/2024		
Dunedin	Elevated five (5) repetitive loss structures	$307,268	Complete	State	1/17/2024		
Dunedin	Retrofit 2 structures to reduce flood damage potential	$174,872	Underway	State	1/17/2024		
Dunedin	Rebuild 1 Structure	$119,746	Complete	State	1/17/2024		
Dunedin	Storm Shutters for Municipal Services Building, 750 Milwaukee Ave.; City Hall, 542 Main St., and the Sheriff's North County Sub-station, 737 Louden Ave.	$25,000	Municipal Services Building and Sheriff's North County Sub-statioin Projects completed with HMGP funds in 2007. City Hall Project found to be infeasible and was deleted.	HMGP and Local	1/17/2024		
Eckerd College	Project: Construction of a new Center for Molecular and Life Sciences	$25,000,000	Completed 2013	Local	1/17/2024	10/4/2016	Lisa Mets
Eckerd College	Project: Hardening envelope (roof, windows) Sheen Science Center (3 buildings)	$7,500,000	2013/14	Local	1/17/2024	10/4/2016	Lisa Mets
Eckerd College	Nielsen Center for Visual Arts. (Project entailed demolition of vulnerable arts buildings and studios, and construction of new hardened, storm-resistant Center for Visual Arts.	$17,000,000	Completed in 2018	Local	1/17/2024	12/14/2018	Lisa Mets
Eckerd College	Project: Hardening envelope of McArthur Gymnasium	$194,000	Completed in 2020	State HLMP	1/17/2024	10/29/2020	Lisa Mets
Gulfport	Retrofit City Hall: Harden skylights in City Hall to withstand hurricane force winds (2401 - 53rd Street South)	$1,000	Completed 2000/2001	Local	1/17/2024	10/27/2017	Michael Taylor
Gulfport	Thermal Imaging Camera: Purchase Thermal Imaging camera for post-storm search and rescue, and hazard abatement.	$10,000	Completed 2004	Local	1/17/2024	10/27/2017	Michael Taylor
Gulfport	Retrofit City Hall: Install window protection devices (shutters) at City Hall, Fire Station, and Community Development buildings (2401 - 53rd Street South, 5314 - 23rd Avenue South, and 5330 – 23rd Avenue South, respectively)	$25,000	Completed 2008	HMGP and Local	1/17/2024	10/27/2017	Michael Taylor
Gulfport	Fire Station Wind Retrofit: Harden Fire Station 17 overhead apparatus bay doors, and exterior doors of Fire Administration Building to withstand 125 mph + winds (5314 – 23rd Avenue South).	$100,000	Completed 2008	Local	1/17/2024	10/27/2017	Michael Taylor
Gulfport	Thermal Imaging Camera: Purchase Thermal Imaging camera for post-storm search and rescue, and hazard abatement.	$7,000	Completed 2014	Local	1/17/2024	10/27/2017	Michael Taylor

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-2: Accomplishments

Municipality / Entity	Project	Est. Cost	Status	Funding	Date Last Reviewed	Date Last Updated	Updated By
Gulfport	Hardening of Critical Facilities: 2 lift stations - Install hurricane resistant windows, window protection devices, storm resistant exterior doors, and remove louveres in exterior walls and infill with concrete block.	$15,000	Completed 2015	Local	1/17/2024	10/27/2017	Michael Taylor
Indian Rocks Beach	Demolished ten (10) pre-FIRM non-conforming structures and replaced them with conforming structures	$2,432,000	Complete	Private	1/17/2024	10/9/2017	Dean Scharmen
Indian Rocks Beach	27th Ave. and 1st St. drainage project to mitigate local flooding and provide treatment of local storm water runnoff.	$260,000	Complete	Local and State	1/17/2024	10/9/2017	Dean Scharmen
Indian Rocks Beach	Design 11th Ave. through 13th Ave. drainage project to mitigate local flooding.	$290,000	Complete	Local	1/17/2024	10/9/2017	Dean Scharmen
Indian Rocks Beach	Reclamation of 1.2 acres of wetlands to act as a flood buffer.	$100,000	Complete	Local	1/17/2024	10/9/2017	Dean Scharmen
Indian Rocks Beach	Dune Walkovers	$114,00	Complete	Local	1/17/2024	10/9/2017	Dean Scharmen
Indian Rocks Beach	Small Basin Reconstruction	$375,000	Complete	Local	1/17/2024	10/9/2017	Dean Scharmen
Indian Rocks Beach	Stormwater Reconstruction	$160,000	Complete	Local	1/17/2024	10/9/2017	Dean Scharmen
Indian Rocks Beach	20th Avenue Stormwater Improvements	$231,024	Complete	SWFWMD grant, IRB CIP	1/17/2024	10/9/2017	Dean Scharmen
Indian Rocks Beach	Street Resurfacing	$420,305	Complete	CIP, SWFMD	1/17/2024	10/9/2017	Dean Scharmen
Indian Rocks Beach	Flood Mitigation Buyout - Provide a grant of up to $15,000 per structure for the removal of noncompliant repetitive loss properties and pre-FIRM structures that are floodprone or at high risk/exposure to being flooded or experience wave action/erosion. / 1	$150,000	Complete	FMAP; HMGP; PDM Program, Penny for Pinellas, CDBG, Nonpoint Source Implementation Grants, Residential Construction Mitigation Program	1/17/2024	1/6/2022	Dean Scharmen
Indian Rocks Beach	Gulf Blvd Utility Undergrounding - Phase I. To make aesthetic and safety improvements along Gulf Blvd, including the undergrounding of the Gulf Blvd overhead utilities and equipment. Phase 1 of the project, about $4 million in cost would start at the southern boundary of the City (Whitehurst) and continue north to State Road 688. /4	$4,120,180	Complete. Phase 1 Undergrounding Project is completed.		1/17/2024	11/30/2022	Dean Scharmen
Indian Shores	Storm water management in redevelopment area to control and mitigate flooding. FY97/98	$60,000	Complete	Local and State	1/17/2024		
Indian Shores	FMAP elevation of existing repetitive loss struture. FY97/98	$22,500	Complete	Private and State	1/17/2024		
Indian Shores	FMAP acquisition and demolition of repetitive loss structure. FY97/98	$26,797	Complete	Local and State	1/17/2024		
Indian Shores	Installed new seawall to mitigate flooding. FY97/98	$16,770	Complete	Local and State	1/17/2024		
Indian Shores	Installed new seawall and replaced seawall cap. FY97/98	$5,080	Complete	Local	1/17/2024		
Indian Shores	Storm water management at 19305 Gulf Blvd. (Town Hall complex) FY97/98	$80,000	Complete	Local and State	1/17/2024		
Indian Shores	FMAP elevation of repetitive loss existing structure. FY00/01	$41,683	Complete	Local and State	1/17/2024		
Indian Shores	Development of Town master drainage plan. FY01/02	$80,000	Complete	Local and State	1/17/2024		
Indian Shores	Purchase property in redevelopment area for potential site of future retention pond. FY01/02	$40,000	Complete	Local	1/17/2024		
Indian Shores	Implement Town-wide storm water master plan. FY02/03	$300,000	Underway	Local and State	1/17/2024		
Indian Shores	Purchase and installation of an auxiliary generator for the Critical Facility, Town Hall, 19305 Gulf Blvd.	$33,455	Complete	HMGP and Local	1/17/2024		
Kenneth City	In 2015, the Town completed a $1.2M repair to a tributary of Joe's Creek, whereby a semi-collapsed open ditch was replaced with an underground culvert/CMU box culvert system.	$600,000	Completed	($600K secured through SWFWMD cooperative funding)	1/17/2024		
Kenneth City	Necessary repairs were completed to the Town's underground fuel storage tank, along with the acquisition of an emergency generator to supply back-up power in the event of an emergency in 2015				1/17/2024		
Kenneth City	Retrofit of Critical Facility/Storm shutters on PD and City Hall	$46,000	Completed	EMPATF;HMGP; PDM Program	1/17/2024		
Kenneth City	Repairs to existing stormwater lines damaged by July Rain event		Underway	Local	1/17/2024		
Kenneth City	Re-sheathing of Public Works Building with wind-loaded exterior	$400,000	Underway	Local	1/17/2024		
Largo	Initiative: Hardening the new Public Works administration building by adding storm shutters and installing emergency generators. This facility contains the Public Works Emergency Operations Center. Benefit: Averting wind damage would minimize or eliminate post-disaster disruption of municipal services. The Public Works administration structure is valued at $1.1 million.	$89,151	Completed		1/17/2024	9/16/2016	Matthew DiFiore
Largo	Initiative: Hardening the new Environmental Services (sewer) administration building by adding storm shutters and installing emergency generators. This facility contains the Environmental Services Emergency Operations Center. Benefit: Averting wind damage would minimize or eliminate post-disaster disruption of municipal services. The Environmental Services administration structure is valued at $1.8 milllion.	$89,151	Completed		1/17/2024	9/16/2016	Matthew DiFiore

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-2: Accomplishments

Municipality / Entity	Project	Est. Cost	Status	Funding	Date Last Reviewed	Date Last Updated	Updated By
Largo	Initiative: Installing an emergency generator at the new administration building for the Wastewater Treatment Plant. The generator will insure the Plant's ability to provide continuous service during power failures. Benefit: Keeping the WWTP fully operational would help avoid sanitary sewer conveyance system backup that could cause significant damage to private properties in the event of a power failure caused by a natural or man-made disaster event.	$859,072	Completed	Local	1/17/2024	9/16/2016	Matthew DiFiore
Largo	Initiative: Hardening the Largo City Hall, Police, and Emergency Operations Center buildings by adding storm shutters, removing abandoned air conditioning equipment from the roof, and installing emergency generators. In addition to housing the administrations of more than half of the City's departments, this facility contains the City's centralized telephone, computer, and broadcasting systems. Benefit: Averting wind damage would minimize or eliminate post-disaster disruption of municipal services, including the EOC, police, fire, permitting, and planning operations. The Largo Municipal Complex structures are valued at $10.9 million.	$321,285	Completed		1/17/2024	9/16/2016	Matthew DiFiore
Largo	Hardening the new Environmental services (sewer) administration building by adding storm shutters and installing emergency generators. This facility contains the Environmental Services EOC	$89,151	Project Completed.	HMGP/Local	1/17/2024	9/16/2016	Matthew DiFiore
Largo	Channel 1 Drainage/Infrastructure Plan	$1,919,213	Completed 2007	Local	1/17/2024	9/16/2016	Matthew DiFiore
Largo	Suncoast Manor Drainage//Old Valencia Blvd. Plan	$274,132	Completed 2007	Local	1/17/2024	9/16/2016	Matthew DiFiore
Largo	McKay Creek Drainage Improvement Plan	$1,549,460	Completed 2006	Local	1/17/2024	9/16/2016	Matthew DiFiore
Largo	Purchasing and Demolition of Repetitive Loss Properties: 132 Gatewood Drive	$149,000	Completed 2003	Local	1/17/2024	9/16/2016	Matthew DiFiore
Largo	Purchasing and Demolition of Repetitive Loss Properties: 198 Gatewood Drive	$190,000	Completed 2003	Local	1/17/2024	9/16/2016	Matthew DiFiore
Largo	Purchasing and Demolition of Repetitive Loss Properties: 71 East Overbrook Drive	$177,000	Completed 2005	Local	1/17/2024	9/16/2016	Matthew DiFiore

Largo	Stormwater Program Update	$250,000	Completed	Stormwater (Local Fund)	1/17/2024	10/25/2017	Jerald Woloszynski
Madeira Beach	13001 Boca Avenue - Mitigation of SRL Property 13001 Boca Avenue	$200,000	Completed	HMGP/Local	1/17/2024	11.17.2020	Tamara Harvie
Madeira Beach	Stormwater Master Plan Improvements	$218,429	Completed	Local	1/17/2024	11.17.2020	Tamara Harvie
Madeira Beach	Beach Groin Rehabilitation Project – Repair and maintain the City's existing beach groin system. (This system was installed in the 1950's. Because of the effectiveness of this system, Madeira Beach has not required other beach renourishment efforts.)	$275,000	Completed 2013/14	Local	1/17/2024	11.17.2020	Tamara Harvie
Madeira Beach	Storm Drainage and Roadway Improvements Relating to Drainage – Normandy Road	$1,180,000	Completed 2018	Local /Applied for Matching SWFWMD Cooperative Funding	1/17/2024	11.17.2020	Tamara Harvie
Madeira Beach	Storm Drainage and Roadway Improvements Relating to Drainage – Engineering Study – Boca Ciega Drive	$80,000	Completed 2017	Local (including a portion by Local Option Sales Tax)	1/17/2024	11.17.2020	Tamara Harvie
Madeira Beach	Municipal Complex Reconstruction (City Hall, Fire Station, Recreation Center and related outside activity areas)	$8,630,000	Completed - 2015	Localoldsmar	1/17/2024	11.17.2020	Tamara Harvie
Madeira Beach	Stormwater Outfall Cleaning	$180,000	Completed - 2016	Local	1/17/2024	10/5/2016	Tamara Harvie
Madeira Beach	Boca Ciega roadway and Drainage Improvement Project (Address deteriorating roads, aging drainage infrastructure, store related flooding and pollutant discharge into Boca Ciega Bay)	$3,927,000	Completed - 2017	City and SWFWMD	1/17/2024	11.17.2020	Michelle Orton
Madeira Beach	140th Ave E & Bayshore Drive North Drainage Improvement (Install a new storm grate, baffle box and a pipe outfall to Boca Ciega Bay)	$86,800	Completed - 2015	City and SFWMD	1/17/2024	11.17.2020	Michelle Orton
Madeira Beach	American Legion Drive Drainage Improvement (Construct stormwater inlets and pipes to meet the 10 year MB design standards and install a BMP treatment train.)	$600,000	On-going	City and SFWMD	1/17/2024	11.17.2020	Michelle Orton
Madeira Beach	Rex Place Drainage Improvement (Alleviate flooding problems, treat water prior to discharge)	$600,000	Complete	City and SWFMD	1/17/2024	11.17.2020	Michelle Orton
Madeira Beach	137th Avenue Circle Drainage Improvements (Upsize existing stormwater inlets and pipes to meet 10 year design standards. Installing pervious pavement, nutrient separating baffle box.)	$935,000	Complete	City and SWFMD	1/17/2024	11.17.2020	Michelle Orton
Madeira Beach	860 Bay Point (Mitigation of RL Property-Construction Plan s submitted for review and permitting)	$210,000	Complete	HMGP & Private	1/17/2024	11.16.2020	Tamara Harvie
Madeira Beach	914 Bay Point (Mitigation of RL Property- Property sold, new owners reside out of state, yet to complete paperwork for the FEMA grant)	$211,000	Complete	HMGP & Private	1/17/2024	11.16.2020	Tamara Harvie

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-2: Accomplishments

Municipality / Entity	Project	Est. Cost	Status	Funding	Date Last Reviewed	Date Last Updated	Updated By
Madeira Beach	13101 4th Street (Mitigation of SRL property - Demolition in progress construction plans being prepared)	$210,000	Complete	HMGP & Private	1/17/2024	11.16.2020	Tamara Harvie
Madeira Beach	882 Bay Point Mitigation of SRL property – Design and construction plans in progress)	$226,000	No change	HMGP & Private	1/17/2024	11.16.2020	Michelle Orton
Madeira Beach	905 Bay Point Drive (Mitigation of SRL property – Ground floor under construction)	$200,000	Complete	HMGP & Private	1/17/2024	11.16.2020	Tamara Harvie
Madeira Beach / Administration	Emergency Operations Generator - Emergency Operations Generator at City Hall to allow operations during state of emergency, power outages or other events of power loss.	$180,000 Structure. $95,000 Generator	Under construction. Completion date estimated 11.16.2020	FEMA Grant - General Fund	1/17/2024		Tamara Harvie
Madeira Beach	Emergency Operations Generator - Emergency Operations Generator to allow operations during state of emergency, power outages or other events of power loss. (Fire)	$95,000	Funding Approved; Contract Executed	The funding will be a combination of HGMP grant and local funds.	1/17/2024	11/30/2021	Susan Portal
Madeira Beach / Community Development	Drainage Basin E- As depicted in the Stormwater Master Plan - Stormwater system upgrades to address flooding and tide control devices	$3,500,000	Competed 2016	EMPATF; HMGP; PDM Program	1/17/2024		Tamara Harvie
Madeira Beach	Portions of Drainage Basin D - D8-D19 in the Stormwater Master Plan	$12,068	Stormwater fund Proj started 3/2020 schedule complete 3/2021	EMPATF; HMGP; PDM Program	1/17/2024		Tamara Harvie
Madeira Beach/Public Works	Crystal Island Roadway & Drainage Improvement	$12,000,000	Completed June, 2021	HMGP	1/17/2024	11/30/2021	Susan Portal
Madeira Beach / Community Development	Drainage Basin A5-A6 As depicted in the Stormwater Master Plan - Stormwater system upgrades to address flooding and tide control devices	$2,142,000	Completed in 2018	EMPATF; HMGP; PDM Program	1/17/2024	1/12/2022	Susan Portal
Madeira Beach / Community Development	Drainage Basin D – As depicted in the Stormwater Master Plan - Stormwater system upgrades to address flooding and tide control devices	$4,360,000	Completed	EMPATF; HMGP; PDM Program	1/17/2024	1/12/2022	Susan Portal
Madeira Beach/Fire Department	Aerial Apparatus Replacement - Replace 2004 Pierce with new aerial 78-foot ladder truck - moved to Accomplishments sheet	$900,000	Completed		1/17/2024	12/6/2022	Susan Portal
Madeira Beach/Fire Department	Rescue Boat - Replace jet skis that are at the end of their service life with 2022 Zodiac 21-foot rescue boat - Moved to Accomplishments	$65,000	Recently purchased	Budget	1/17/2024	12/6/2022	Susan Portal
Madeira Beach/Fire Department	SCBA Air Compressor - Replace old air compressor to fill SCBA and SCUBA bottles. - Moved to Accomplishments	$30,000	Recently purchased	Budget	1/17/2024	12/6/2022	Susan Portal
Madeira Beach/Fire Department	Quick Response Vehicle	Purchase of QRV to assist with call volume.	Completed 2023	Unfunded	1/17/2024	11/30/2023	Purchased 2023
North Redington Beach	SEWER - North Redington Beach provides sewer service for Redington Shores and NRB. Raise main lift station electrical and controls above flood plain ($75,000). Raise emergency generator and fuel tank above flood plain ($50,000).	Unknown	Completed, November 2008	Local/County	1/17/2024		
North Redington Beach	Stormwater Management #1 - Install storm water sewer valve to prevent storm water/tidal backup into the streets. Estimated completion time: less than 12 months. / 1	$25,000	Completed	FMAP/HMGP/Local	1/17/2024	9/10/2019	Michelle Orton
North Redington Beach	Underground utilities throughout the side streets of NRB. This includes all streets except Gulf Boulevard.	$2,000,000	Completed	Local	1/17/2024		
Oldsmar	Hurricane Wind Hardening Retrofit of Municipal Services Facility.	$103,723	Complete	HMGP/Local	1/17/2024	10/31/2016	Steve Everitt
Oldsmar	Hurricane Wind Hardening Retrofit of City Hall windows.	$145,214	Complete	Local	1/17/2024	12/14/2017	Steve Everitt
Oldsmar / Public Works; Storm Water	Mitigation/ Response/ Recovery Equipment - Purchase vacuum excavation system for the maintenance and recovery of all storm water inlets and structures. Estimated completion time: less than 12 months. / 1	$50,000	Complete	HMGP/Local/State	1/17/2024	1/24/2019	Steven Everitt

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-2: Accomplishments

Municipality / Entity	Project	Est. Cost	Status	Funding	Date Last Reviewed	Date Last Updated	Updated By
Oldsmar / Public Works; Engineering	Storm Water Management Plan - Prepare a citywide drainage plan to minimize flooding throughout the City. Estimated completion time: more than 12 months. / 1	$100,000	Complete	FMAP; HMGP; PDM Program	1/17/2024	12/11/2019	Tatiana Childress
Oldsmar / Public Works; Facilities	Critical Facility Generator Retrofit - Replace electrical generating equipment at Water Reclamation Facility. Estimated completion time: less than 12 months. / 4	$1,200,000	Complete	State Revolving Funds, CDBGs; FMAP; HMGP; HMGP Planning	1/17/2024	12/11/2019	Tatiana Childress
Oldsmar/ Public Works	Climate Resiliency Plan	$200,000	Complete	Local, FDEP Coastal Resilience grant	1/17/2024	11/3/2022	Ashlee Painter
Oldsmar/Fire Rescue	Radio Communications System-UHF frequncy radio system consisting of two repeaters and ten handheld radios to serve as back up communications during storm events. The system will allow for EOC to field communications during emergency events should cellular and broadband communication fail.	$25,000	Completed	Local	1/17/2024	10/21/2021	Jason Schwabe
Oldsmar/Public Works	Portable solar variable message board. Message board necessary to communicate with drivers during an emergency, and to alert changing road conditions	$15,000	Complete	Local	1/17/2024	11/8/2023	Ashlee Painter
Oldsmar/Public Works	Skid Loader. This machine is highly useful in emergency clean-up situations to quickly clean the city. Also, due to its compact design, this is the machine of choice to access rear easements in residential lots. The city has a brush attachment and can use this to clear debris off of streets after hurricane	$60,000	Complete	Local	1/17/2024	11/8/2023	Ashlee Painter
Oldsmar/ Public Works	Wind Mitigation Study	$60,000	Completed	Local	1/17/2024	9/29/2023	Ashlee Painter
Oldsmar/Public Works	Crane Truck with hydraulic outrigger - As the Reverse Osmosis Plant ages there is greater demand for repair equipment. A second crane trucks for will provide some redundancy as much of the equipment at LS's and treatment facilities requires mechanical lifting capabilities. This will also provide backup for extreme weather events. Crane trucks are necessary for replacement of heavy components in lift stations	$100,000	Completed	Local	1/17/2024	11/8/2023	Ashlee Painter
Pinellas County	Sediment/erosion control, sediment removal, and/or stream bank/ channel stabilization for flood control purposes		Ongoing and completed	State and Local	1/17/2024	10/26/2017	David Talhouk
Pinellas County	1) Bee Branch	$6,570,900	Phase 2 complete, phase 1 in progress	Penny for Pinellas; SWFWMD; Grant	1/17/2024	10/26/2017	David Talhouk
Pinellas County	2) Bear Creek Channel Improvements	$8,301,120	FY2014 Complete	Penny for Pinellas; SWFWMD	1/17/2024	10/26/2017	David Talhouk (corrected
Pinellas County	3) Curlew Creek Channel A Improvements	$7,115,800	Completed	Penny for Pinellas; SWFWMD	1/17/2024	10/26/2017	David Talhouk
Pinellas County	Animal Services Building Storm Hardening	$256,670	Completed	HM Allocation/Local	1/17/2024	10/26/2016	
Pinellas County	Belleair Elementary School Storm Retrofit; new classroom will gain 783 shelter spaces	$44,100	Completed	Local	1/17/2024	10/26/2016	
Pinellas County	Emergency Communications upgrade of radio system to SmartZone technology.	$17,500,000	Complete	CIP/grants	1/17/2024	10/26/2016	
Pinellas County	EMS hardening of Sunstar Communications Center north wall and south alleyway enclosed.	$310,000	Complete	General Fund	1/17/2024	10/26/2016	
Pinellas County	EMS A/C replacement for the radio and server room.	$300,000	Complete	General Fund	1/17/2024	10/26/2016	
Pinellas County	EMS Sunstar Communications Center and radio room roof replacement.	$150,000	Complete	General Fund	1/17/2024	10/26/2016	
Pinellas County	EMS Building Storm Hardening	$272,294	Completed	HM Allocation/Local	1/17/2024	10/26/2016	
Pinellas County	High Point Elementary School Retrofit	$6,002	Project Completed	Local	1/17/2024	10/26/2016

Pinellas County	Allens Creek Watershed Management Plan	$575,000	Complete	Surface Water Assessement Fee	1/17/2024	10/27/2016	Added by Rahim Harji
Pinellas County	McKay Creek Watershed Management Plan	$730,000	Complete	Surface Water Assessment Fee	1/17/2024	10/27/2016	Added by Rahim Harji
Pinellas County	Joe's Creek Watershed Management Plan (WMP)	$500,000	Complete	Surface Water Utility Fund and SWFWMD CFI Grant	1/17/2024	10/1/2019	Rhonda Bowman
Pinellas County	118th Avenue Expressway (1618). Built east-west evacuation route parallel to Ulmerton Rd.	$55,750,000	Complete	Penny for Pinellas	1/17/2024	11/8/2017	Added by Gina Harvey
Pinellas County	Antilles/Oakhurst Drainage Improvements (1820). Improvements to alleviate street flooding.	$3,160,000	Complete	Penny for Pinellas	1/17/2024	10/27/2017	Added by David Talhouk
Pinellas County Public Works	Mast Arm Hardening: Installation and/or upgrade of Mast Arms at 16 locations throughout the county located on hurricane evacuation routes.This will help improve the safe, efficient flow of traffic countywide in the event of an emergency event or hurricane. During Hurricane Irma in September 2017, traffic signals hung by span wire fell or became damaged from storm force winds. The fall of span wire could result in traffic signals becoming inoperable, potentially blocking access on the roadway and creating what could be a dangerous situation; even more so when located on an evacuation route that is used by hundreds of thousands of citizens seeking safety. Mast Arm signals in place of span wire at these evacuation route locations will ensure that these evacuation routes remain open and emergency personnel have access to the main roadways post-storm.	$6,000,000	In Design	HMGP	1/17/2024		

Pinellas County
Local Mitigation Strategy 2023-2024

PC Public Works	Lakeshore Estates Phase I	$ 3,038,000	Complete	Penny for Pinellas	1/17/2024	11/30/2020	Rhonda Bowman
PC Public Works	Replace Radio Shelters - Replace seven (7) existing radio shelters housing the infrastructure of Pinellas County's 800 MHz Intergovernmental Public Safety Radio System serving over 10,000 responders to meet national standards and practices as defined by the Association of Public Safety Communication Officials (APCO) and local building codes. Shelter structures must be constructed to eliminate the threat of flooding with elevated platforms and drainage, while protecting against hurricane force winds. The hardening of sites is one of the most critical elements in the construction of a reliable communications system to prevent radio communication failure and better serve public safety responders and the public during routine incidents and major disasters. Public safety grade shelters are imperative to ensure the ability of public safety users to communicate at all times.	$15,130,000	COMPLETED 10/31/2022	Penny for Pinellas	1/17/2024	10/4/2022	Donna Beim

Local Mitigation Strategy 2023-2024
Appendix D, Table D-2: Accomplishments

Municipality / Entity	Project	Est. Cost	Status	Funding	Date Last Reviewed	Date Last Updated	Updated By
Pinellas Park	Park Blvd Drainage Improvement Phase III, Basin C - Improve drainage along Park Boulevard corridor between US 19 and 66th Street. Improve each drainage network in the area as recommended by the 1998 Park Boulevard Master Drainage Plan. Basin C is located between US 19 and east of 49th Street.	$14,530,000	The drainage project was completed in FY10/11	Local, County, State, and Federal	1/17/2024	10/24/2017	Tiffany Menard
Pinellas Park	Helen Howarth Park Drainage Basin Evaluation - Provide survey, conceptual-level modeling, data collection, and preparation of report to recommend possible improvements in drainage basin.	$32,500	Study completed in 2005	Local	1/17/2024	10/24/2017	Tiffany Menard
Pinellas Park	Homeland Drainage Improvement District Drainage Study - Determine improvement area through completion of a drainage study, including surveying, modeling and laternative evaluation.	$55,000	Study completed in 2005	Local	1/17/2024	10/24/2017	Tiffany Menard
Pinellas Park	Stormwater Rehabilitation Program - Install and line galvanized culvert pipe through the City.	$500,000	This is an annual ongoing project.	Local	1/17/2024	10/24/2017	Tiffany Menard
Pinellas Park	NFIP Map Update - This project involved an outreach to property owners of potential changes and included use of websites, a TV show, public service announcements through the Government Affairs Department, and displays at the Library, City Hall, and at Park Station. The NFIP anticipates the maps becoming effective in September 2009.		Completed. The maps became effective August 18, 2009.	Local	1/17/2024	10/24/2017	Tiffany Menard
Pinellas Park	Home Disaster Mitigation Handbook - This document is currently being produced. It is an easy to read and understand booklet that explains the basic means to protect homes and can help homeowner's mitigate from those storms events common to central Florida. This document will be produced in a CD-ROM format for other communities to replicate.	$50,000	Completed	State	1/17/2024	10/24/2017	Tiffany Menard
Pinellas Park	Purchase of Land for Drainage Retention. The City has entered into a contract to purchase property near Park Blvd and 40th St. N. The property will be used for storm water retention at Park Blvd and 43rd St. N.	$796,000	Completed	Local	1/17/2024	10/24/2017	Tiffany Menard
Pinellas Park	94th Avenue N. widening: This is a roadway project with a drainage component. A collector road is to be widened to a two lane divided facility between 58th St. N. and 49th St. N. It has been designed to address local drainage issues and those of the surrounding neighborhoods. Completion is anticipated in FY 03/04.	$2,200,000	Completed	Local	1/17/2024	10/24/2017	Tiffany Menard
Pinellas Park	60th St. N. ditch mitigation project is to install a major box culvert system along 60th St. N. between 70th Avenue N. and the Pinellas Park Water Management District Channel 4. This project will promote a greater flow of storm water from the secondary drainage system into the primary drainage facility and reduce localized street and structure flooding and eliminate a dangerous open ditch situation that currently exists.	$1,067,000	Completed	Local	1/17/2024	10/24/2017	Tiffany Menard
Pinellas Park	Park Blvd/66th St. N. intersection improvement. Florida Department of Transportation has recently completed this project which included a drainage component to address flooding up to a 25 year storm event.	$1,600,000	Completed	State and Federal	1/17/2024	10/24/2017	Tiffany Menard
Pinellas Park	Homeland Drainage Improvement District Drainage Study - Determine improvement area through completion of a drainage study, including surveying, modeling and alternative evaluation.	$3,750,000	Completed 2012	Local	1/17/2024	10/24/2017	Tiffany Menard
Pinellas Park	Annual Sanitary Sewer Rehabilitiation & Relining - This program is an ongoing program that reduces the seepage of sewerage into the soils and water table as well as prohibit the infiltration of stormwater into the lines. This latter activity reduces the likilyhood of line surcharge, line failure, and capacity at the treatment plant.	$550,000 annually	Annual Project Ongoing	Local	1/17/2024	10/24/2017	Tiffany Menard
Pinellas Park	Longhill Drive Drainage Improvements - Project included the culverting of 1,200 LF of open ditch to eliminate erosion and discharge into yards and structures. Project decreased flooding but also included water quality imiprovements prior to discharge into Cross Bayou Canal.	$1,176,680	Completed FY13-14	Local and SWFWMD Grant	1/17/2024	10/24/2017	Tiffany Menard
Pinellas Park	Emergency Generator Installation LS 27 to maintain service	$70,000	Completed FY13-14	Local	1/17/2024	10/24/2017	Tiffany Menard
Pinellas Park	Emergency Generator Installation LS1 to maintain service	$115,000	Completed FY13-14	Local	1/17/2024	10/24/2017	Tiffany Menard
Pinellas Park	(Phase 1) Garnett & North Disston Subdivisions - 40 acre +/- tract situated between 82nd Avenue 86th Avenue & 46th Street, 49th Street-Install a stormwater collection and conveyance system in a subdivision originally developed in the 1960's and '70's. This would eliminate issues of localized flooding and dangerous stormwater inlets.	$4,700,000	Phase 1 completed 2017. Phase 2- FY 2021-22	SWFWMD Grant, FDOT Grant, FDEP Grant, TIF, Pinellas Park Water & Sewer Fund, IST.	1/17/2024	11/28/2018	Tiffany Menard
Pinellas Park	Design and construct drainage features and sidewalks on 90th Ave to provide better drainage to Jan Cory Subdivision	$170,069	Completed 2017	IST, Utility Fee	1/17/2024	10/24/2017	Tiffany Menard
Pinellas Park	98th Avenue Pond Improvements Improvement of wet pond to increase drainage capability for several single family subdivisions and a 60 acre park	$95,000	Completed FY 2016-2017.	FDEP Grant and Pinellas Park Utility fees	1/17/2024	11/27/2018	Tiffany Menard

St. Pete Beach	Repairs: Wastewater Inflow and Infiltration FY2016: Priority-based improvements to wastewater system infrastructure to help reduce the possibility of SSOs/4	$500,000	Complete	Wastewater Fund	1/17/2024	10/3/2017	C.W. Porter
St. Pete Beach	Stormwater Improvements to Pass-a-Grille Way (Reconstruction Phase I)./1	$843,525	Complete	Stormwater Fund	1/17/2024	10/3/2017	C.W. Porter
St. Pete Beach	Repairs: Wastewater Inflow and Infiltration FY2017: Priority-based improvements to wastewater system infrastructure to help reduce the possibility of SSOs./4	$2,300,000	Complete	Wastewater Fund	1/17/2024	10/3/2017	C.W. Porter
St. Pete Beach	Wastewater Improvements to Pass-a-Grille Way (Reconstruction Phase I)./4	$2,210,325	Complete	Wastewater Fund	1/17/2024	10/3/2017	C.W. Porter
St. Pete Beach / Fire	Fire Department Dock - Infrastructure improvements to the City-owned area at 7701 Boca Ciega Dr to facilitate the operation of Fire Boat 22 (100% County-funded vessel). Improvements include a dock, boat lift, and all required electrical equipment.	$35,000	Complete	Capital Projects Fund	1/17/2024	1/18/2023	Kelly Intzes
Tarpon Springs	Riverside and Hillside Drive Stormwater Improvements	$67,000	Completed	Stormwater Utility	1/17/2024	12/15/2018	Renea Vincent
Tarpon Springs	Pent Street/Grosse Avenue Flooding Abatement Project Flooding/Drainage Improvements	$3,400,000	Construction Underway	Stormwater Utility & Approved SWFWMD CFI	1/17/2024	12/15/2018	R. Robertson
Tarpon Springs	Disston and Tarpon Ave Evac Route SW Improvements	$428,000	Design Complete	Stormwater Utility	1/17/2024	12/15/2018	Renea Vincent
Tarpon Springs	Kenneth Way Flooding/Drainage Improvements	$91,000	Conceptual Design	Stormwater Utility	1/17/2024	12/15/2018	Renea Vincent
Tarpon Springs	Center Street at Disston Ave Flooding/Drainage Improvements	$573,000	Alternatives Analysis Underway	Stormwater Utility	1/17/2024	12/15/2018	Renea Vincent
Tarpon Springs	Athens St. and Dodecenase Sponge Docks Flooding/Drainage Imp.	$27,000	Phase 1 Construction Nearly Complete	Stormwater Utility	1/17/2024	12/15/2018	Anthony Mannello
Tarpon Springs	Palm Avenue Flooding/Drainage Improvements	$728,000	Complete	Stormwater Utility & CFI Application Submitted	1/17/2024	12/15/2018	Anthony Mannello
Tarpon Springs	Highland Ave. & Vista Pl./Jasmine Ave. & Lime St.Flooding/Drainage Improvements	$161,500	Permitting Complete, Pending Funding	Stormwater Utility & Approved SWFWMD CFI	1/17/2024	12/15/2018	Renea Vincent
Tarpon Springs	Disston Ave between Spruce and Live Oak Flooding/Drainage Imp	$581,000	Conceptual Design	Stormwater Utility	1/17/2024	12/15/2018	Renea Vincent
Tarpon Springs	Fire Station #71 – Construct a new Fire Station to reach the community during an emergency for a more rapid response time	$2,700,000	Completed	City of Tarpon Springs and Penny for Pinellas	1/17/2024	12/15/2018	Megan Araya
Tarpon Springs	Mango Street Roadway and Stormwater Improvements	$917,000	Construction Underway	City of Tarpon Springs and Penny for Pinellas	1/17/2024	9/16/2021	R.Robertson
Tarpon Springs	Window replacement, roof replacement, pointing of the brick and waterproofing City Hall.	$2,100,000	Completed	City of Tarpon Springs and Penny for Pinellas	1/17/2024	12/15/2018	Megan Araya
Tarpon Springs	Riverside/Hillside Drive Flooding Abatement	$56,000	Completed	Stormwater Utility	1/17/2024	12/15/2018	Renea Vincent
Tarpon Springs	Bath St./Shaddock Ave. Alley	$9,870	Completed	Stormwater Utility	1/17/2024	12/15/2018	Renea Vincent
Tarpon Springs	Stormwater Infrastructure (GIS) Assessment Project	$200,000	Completed	Stormwater Utility & CFI Application Submitted	1/17/2024	12/15/2018	Renea Vincent
Tarpon Springs	Purchase Johnson Street Sweeper for in-house removal of roadside sediment & debris that would otherwise get into our stormwater system. Estimated completion time: Ongoing. / 1,3	$240,000	Purchased	Stormwater Tax Assessment	1/17/2024	12/15/2018	Renea Vincent
Tarpon Springs	Purchase Aquatech VacCon for in-house removal of sediment & debris that cause blockages of our stormwater system. Estimated completion time: Ongoing. / 1,3	$350,000	Purchased	Stormwater Tax Assessment	1/17/2024	12/15/2018	Renea Vincent
Tarpon Springs	Purchase 15 new portable generators	$459,000	Purchased	City of Tarpon Springs Utilities	1/17/2024	12/15/2018	R. Robertson
Tarpon Springs	Purchase Tennant Mini Street Sweeper for removal of sidewalk and roadside sediment, fertilizer & debris that would otherwise get into our bayou system.	$16,000	Purchased	Stormwater Tax Assessment	1/17/2024	11/13/2018	Renea Vincent
Tarpon Springs	Cedar Street Roadway/Infrastructure Upgrades	$300,000	Complete	SW Utility and Penny for Pinellas	1/17/2024	9/21/2022	Bob Robertson
Treasure Island	Elevated three structures above the base floor elevation	$100,000	Complete	Private	1/17/2024	10/31/2017	R.G. Bray, Jr.

Pinellas County
Local Mitigation Strategy 2023-2024
Appendix D, Table D-2: Accomplishments

Municipality / Entity	Project	Est. Cost	Status	Funding	Date Last Reviewed	Date Last Updated	Updated By
Treasure Island	Demolished three structures and replaced with conforming structures.	$1,500,000	Complete	Private	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	Demolished one structure in flood area.	$800,000	Complete	Local and State	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	Applications pending to elevate two structures above the base floor elevation	$210,000	Underway	Private and State	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	Drainage improvements in the Sunset Beach neighborhood to reduce flooding.	$300,000	Complete	Local and State	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	Hardening of critical facilities - City Hall and Public works complex.	$150,000	Received HMGP grant for this project in the amount of $71,487.	HMGP/Local	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	Reconstruction of Treasure Island Causeway bascule bridges to replace bridges built in 1939. Causeway is designated evacuation route for 7,560 permanent and 8,000 seasonal residents with the original bridges and equipment subject to storm tide flooding due to low elevation.	$50,000,000	Received federal grant for this project in the amount of $50,000,000. Completed in 2007.	Federal	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	Enhancement of beach area to reduce storm losses. Quarterly planting of sea oats by community volunteers to enhance dune system for a number of years. County provides sea oats free of charge. Nominal cost to City. Also, sand sharing program set up so that in the event of a storm, the City can relocate accreted sand to storm damaged areas of Treasure Island's beach ($500,000 reserve fund set aside by City Commission for emergency beach repairs.)	Nominal to date. Reserve of $500,000 established.	Complet and on-going	Local and County (sea oats donation)	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	2013 Elevated 2 structures above BFE	$459,000	Complete	Private	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	2013 Demolished one structure in flood area (no replacement)	$10,000	Complete	Private	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	Permits issues to elevate one structure above the base floor elevation (to be completed in 2014)	$1,430,000	Underway	Private	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	Demolition of 7 non-FEMA compliant structures (2015)	$64,700	Complete	Private	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	Drainage improvements in the Sunset Beach neighborhood to reduce flooding. (One phase)	$914,000	One Phase Complete	Local and State	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	Palms Bridge replacement	$1,657,638	Complete	Local	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	Capri Bridge replacement	$2,244,517	Complete	Local	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	Main Lift Station Refurbishment	$429,176	Complete	Local	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	Lift Station #3 Refurbishment	$244,339	Complete	Local	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	Emergency Generator	$56,400	Complete	Penny for Pinellas, Local (Wastewater General Fund)	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	Harden / Refurbish Municipal Facilities (LS #6, LS #7, LS #8, LS #9)	$1,093,240	Complete	Local (Wastewater General Fund)	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	Harden / Refurbish Municipal Facilities (LS #4)	$756,289	Complete	Local (Wastewater General Fund)	1/17/2024	10/31/2017	R.G. Bray, Jr.
Treasure Island	Phase 6 Drainage improvements in the Sunset Beach neighborhood to reduce flooding.	$1,300,000	Complete	Local and State	1/17/2024	11/19/2018	R.G. Bray, Jr.
Treasure Island	Lift Station #4 - Refurbishment - Elevation of Controls & Electrical Equipment in Lift Station #4 Estimated completion time: more than 12 months. / 4	$823,300	Complete	Partially Funded by City	1/17/2024	1/10/2018	Mike Helfrich

Pinellas County
Local Mitigation Strategy 2023-2024

1 INTRODUCTION AND PLANNING COMMITTEE

This annual report presents the ongoing status of Pinellas County's Program for Public Information (PPI), which includes the flood insurance and flood response plans. This program is the floodplain management outreach arm of the Countywide Local Mitigation Strategy (LMS). The PPI includes all unincorporated areas of Pinellas County as well as 17 of its partner municipalities. Participating municipalities are listed below. In 2023, the City of Safety Harbor joined the program.

- Town of Belleair
- City of Belleair Beach
- City of Clearwater
- City of Gulfport
- City of Indian Rocks Beach
- Town of Indian Shores
- City of Madeira Beach
- City of Oldsmar
- City of Pinellas Park
- Town of Redington Beach
- Town of Redington Shores
- City of Safety Harbor
- City of South Pasadena
- City of St. Petersburg
- City of St. Pete Beach
- City of Tarpon Springs
- City of Treasure Island

Staff and stakeholders from these jurisdictions comprise the Pinellas County Flood Risk and Mitigation Public Information Working Group (FRMPIWG), which serves as the PPI committee as well as the stakeholder working group for the LMS. Having the same group of staff and stakeholders for both results in better coordination and consistency in messaging countywide and avoids duplication of efforts among the various initiatives to reduce flood risk and damage. Not only does this committee meet the basic CRS PPI requirements, but they also evaluate Flood Insurance Coverage, Floodplain Management, Flood Warning and Response, and provide input to the multi-jurisdictional LMS. The FRMPIWG Core Members and Additional Support tables were updated to reflect personnel changes (Table 1-1 and Table 1-2).

Table 1-1 FRMPIWG Core Members

Jurisdiction Represented	Staff/Stakeholder	Name	Affiliation
Pinellas County	Staff	John Carkeet	Pinellas County Marketing & Communications – PIO
Pinellas County	Staff	Maxine Moore	Floodplain Technician
Pinellas County	Stakeholder	Ashley Tharp	Wright Flood, Corporate Agent Training Manager
Pinellas County	Stakeholder	Cece McKiernan	Florida Floodplain Managers Association, Executive Director

Oldsmar	Mike Bolan	Mike's Weather Page
Oldsmar	Tatiana Childress	Oldsmar – Planning & Redevelopment Director
Pinellas Park	Erica Lindquist	Pinellas Park – Planning & Development Services Director
Pinellas Park	Housh Ghovaee	Gateway Chamber of Commerce
Pinellas Park	Suzanne Boisvert	Pinellas Park – Emergency Management Coordinator
Pinellas Park	Terry England	Gateway Chamber of Commerce
Pinellas Park	Tiffany Menard	Pinellas Park – Senior Planner
Redington Beach	Annie Fleeting	Next Home Beach Time Realty
Redington Beach	Barry Scarr	Insurance Professional
Redington Beach	Pat English	Resident
Redington Beach	Tim Thompson	JPM Chase
Redington Shores	Bill Blackburn	Blackburn Coastal Realty
Redington Shores	Brian McClure	Charter
Redington Shores	Christy Herig	Resident
Redington Shores	Cynthia Hoyt	Resident
Redington Shores	Dave Motley	Resident
Redington Shores	Michael McGlothlin	Redington Shores – Town Administrator
Safety Harbor	Jessica Wilson	Brightway Insurance
Safety Harbor	Marcie Stenmark	Safety Harbor – Community Development Coordinator
South Pasadena	David Mixson	South Pasadena – Fire Chief
South Pasadena	Robin Miller	Tampa Bay Beaches Chamber of Commerce
St. Petersburg	Angie Phillips	St. Petersburg – Acting Floodplain Administrator
St. Petersburg	Brandi Gabbard	City Council & Real Estate Broker
St. Petersburg	Chris Dailey	Shore Acres Civic Association
St. Petersburg	Frank Malowany	Smith & Associates
St. Petersburg	John Mason	St. Petersburg Council of Neighborhood Associations
St. Pete Beach	Julie Anderson	St. Pete Beach – Building Division Manager
St. Pete Beach	Michael Welch	Resident
St. Pete Beach	Mike Clarke	St. Pete Beach – Public Works Director
Tarpon Springs	David Gilson	Tarpon Springs - Building Official
Tarpon Springs	Joan Jennings	Resident

Jurisdiction Represented	Name	Affiliation
Tarpon Springs	Susan DeCoste	Resident
Treasure Island	Brian Ford	Insurance Resources
Treasure Island	Maryellen Edwards	Treasure Island – Assistant Director
Consultant	Chris Zambito	Atkins
Consultant	Joan Van Stone	CRS Max, Inc.
Consultant	Khan Boupha	Jones Edmunds

2 ASSESSMENT OF PUBLIC INFORMATION NEEDS AND TARGET AUDIENCES

The PPI continues to be implemented for Pinellas County and its 17 participating communities. The committee members met three times in 2023 to evaluate the outreach initiatives and update the plan report, as well as provide input on the LMS. Table 2-1 describes the committee meetings. FRMPIWG meetings are advertised on the County's website (pinellas.gov/boards-councils-and-committees/flood-risk-and-mitigation-public-information-working-group/) and are open to the public.

Table 2-1 PPI Meetings

Date	Discussion Topics
January 17, 2023	The committee reviewed the status of the LMS and Multi-Jurisdictional PPI; revisited priority audiences and projects; discussed other public information efforts such as new audiences and projects; and reviewed the status of each outreach project for the municipalities. Other notable discussions include the Flood Insurance Community Meeting held by Redington Shores and the landscapers in-person training being altered due to recent legislation, as well as updated messaging for hurricane season. The group also agreed to form a Messaging Task Force which will be a smaller group of existing members who meet once a month to analyze the identified key messages more in-depth and provide recommended changes to the rest of the group for approval and implementation.
May 19, 2023	The committee reviewed the status of the LMS and Multi-Jurisdictional PPI, along with their adoption status. The attendee's list was discussed and updated for the year to reflect any staff or stakeholder changes, as well as the possibility of the City of Safety Harbor and the City of Dunedin joining the group. Other outreach project initiatives were discussed including standardizing outreach messages for social media campaigns throughout the year, updates to the Real Estate Disclosure Program, and dissemination of Repetitive Loss Area mailouts, as well as Annual Hurricane Preparedness Summits and storm surge signage updates. The changes to the Pinellas County website were discussed and the possible update of the New Homeowner brochure and flyer.

Date	Discussion Topics
October 20, 2023	The committee reviewed the status of the PPI and potential updates to the report, including revising existing messages, creating new projects, adding new topics with accompanying messages such as Resiliency and Sustainability, and the status of the outreach projects. The committee also discussed the LMS for messaging consistency and discussed the annual update. The committee will review the LMS in detail and provide additional comments to County staff to be incorporated into the LMS annual review.

During the meetings, the committee reviewed the types of flooding across the County and how each is being addressed through outreach and mitigation. The priority audiences and messages were also discussed and revised to better reflect new opportunities for reaching audiences and educating them about flood risks.

3 TARGET AUDIENCES

The committee evaluated the previously identified target audiences, which includes residents and businesses for which outreach projects are developed for. The following table outlines the updated list of target audiences.

Table 4-1 Target Audiences

	Audience(s)	Flood Insurance Plan Audience
1	Residents and businesses in Repetitive Loss Areas (RLAs)	Yes
2	Real Estate Professionals	Yes
3	Buyers of Real Estate	Yes
4	Residents and businesses in the Storm Surge (Cat 2), but outside of the FEMA SFHA (X & Surge)	Yes
5	Home Inspectors	Yes
6	County/City Building Inspectors	Yes
7	Architects/Designers/Contractors/Builders	Yes
8	County/City Call Center staff	Yes
9	Landscapers	No
10	Surveyors	Yes
11	Customers of Pinellas County and City services	Yes
12	English Speakers of Other Languages (ESOL)	Yes
13	Doctors, dialysis staff, home healthcare providers	No
14	Residents and businesses in Flood Response Hazard Areas	No
15	Owners of substantially damaged buildings	Yes
16	Residents and businesses affected by flood map changes	Yes
17	County/City staff	Yes
18	Sea Level Rise impacted areas	No
19	Boat Owners/Marinas	No
20	Pet owners	No
21	Seasonal residents	Yes
22	Insurance providers	Yes
23	Condo Association Management Companies	Yes
24	Homeowners Association (HOA)	Yes
25	Universities, Colleges, and Vocational Programs (trade schools)	Yes
26	FDIC insured banks/Lenders/Mortgage	Yes

	Audience(s)	Flood Insurance Plan Audience
27	Local Bar Association - Legal	No
28	Large Companies (e.g., HSN, Valpak, Jabil, etc.)	No
29	Public school students, faculty, staff, parents	No
30	PSTA/Trolly	No
31	St. Pete/Clearwater Airport	No
32	Veterinarians	No
33	Renters	Yes
34	Mobile Homes/Mobile Parks	Yes
35	Churches/Houses of Worship	No
36	Community-Based Groups (VFW, American, Elks, etc.)	No
37	Private Schools	No
38	Daycare Facilities	No
39	Aquarium	No
40	Girl Scouts/Boy Scouts	No
41	Property Appraisers	No

Note: The green highlighted rows are audiences that were added, and the yellow highlighted rows are audiences that were modified.

4 MESSAGES AND OUTCOMES

Outreach campaign messages must be accurate and concise to result in action and positive outcomes. This year, the committee established a task force to evaluate existing key messages and identify any updates to be agreed upon by the entire committee. The committee plans to approve the updated key messages for use in 2024.

5 PROGRAM FOR PUBLIC INFORMATION (PPI) PROJECTS

In addition to discussing the effectiveness of each outreach initiative and message, new projects, such as the Tampa Bay News inserts, were also developed to streamline the coordination of messaging and better communicate to the public. Appendix B details the projects and includes the status of each.

FRMPIWG SHAREPOINT TOOLKIT

The FRMPIWG SharePoint toolkit, maintained by Pinellas County, allows the participating communities to access PPI and LMS resources, including outreach project templates. Communities can also upload completed project documentation. The toolkit addresses the needs of the participating communities to better coordinate messages and projects. Communities can view outreach messages of other communities as well as edit and upload their own content. The toolkit also provides templates for brochures, community newsletters, repetitive loss area letters and other valuable tools they can use to better communicate with residents about flood hazards and measures they can take to reduce risks. The toolkit also serves as a means to document and track the status of outreach initiatives.

Since its inception in 2020, the committee has updated the toolkit with a more modern, user-friendly interface. The toolkit has evolved beyond outreach to meet further needs of the participating communities by providing calendar notifications of pertinent outreach events and allowing the download of other documents, such as LMS documentation and the Flood Warning and Response Plan.

FLOOD RESPONSE PLAN

The committee has identified a two-part update for the Flood Response Toolkit. Part One is updating the messaging to reflect concise actions by the municipalities and direct messaging to the public. Part Two will allow for better organization and easier searching capabilities. Part One is planned to be completed before the 2024 Hurricane Season. Part Two is planned to be completed by the end of 2024. In addition, a new 2023 Hurricane Preparedness Guide was developed by the County, in conjunction with Tampa Bay Times, to update emergency contact information, provide additional preparation guidelines for pets, and provide improved messaging geared towards timelines for impending storms.

This year, the County's Emergency Management Department completed an in-person, full activation hurricane exercise called "Hurricane Asher". The exercise included County employees as well as municipalities, utilities, shelters, and other partners. The Flood Response Plan was revised to reflect the lessons learned following the event.

6 FLOOD INSURANCE IMPROVEMENT PLAN

The committee reviewed and updated the flood insurance improvement plan. In October 2023, the County received the updated policy claims and repetitive loss information. Appendix B details the updates to the plan.

Table 2: Change in NFIP PIF 2021 to 2023 4
Table 3: Countywide NFIP PIF by FEMA Flood Zone and Structure Type 6
Table 4 Policies in Force by Jurisdiction and Building Type 8

1 INTRODUCTION

This annual report presents the ongoing status of the Pinellas County Flood Insurance Coverage Improvement Plan which is developed and coordinated by the multi-jurisdictional Pinellas County Flood Risk and Mitigation Public Information Working Group (FRMPIWG) who serves as the Flood Insurance Assessment and Improvement Plan Committee. The FRMPIWG is also responsible for developing and coordinating the efforts of the multi-jurisdictional Program for Public Information Program (PPI), Floodplain Management, Flood Warning and Response, and providing input to the multi-jurisdictional Local Mitigation Strategy (LMS). The FRMPIWG includes representatives from the community's floodplain management division and the public information office as well as representatives from local insurance agencies.

The Flood Insurance Coverage Improvement Plan includes all unincorporated areas of Pinellas County and the following municipalities who are represented in the committee members:

- Town of Belleair
- City of Belleair Beach
- City of Clearwater
- City of Gulfport
- City of Indian Rocks Beach
- Town of Indian Shores
- City of Madeira Beach
- City of Oldsmar
- City of Pinellas Park
- Town of Redington Beach
- Town of Redington Shores
- City of Safety Harbor
- City of South Pasadena
- City of St. Petersburg
- City of St. Pete Beach
- City of Tarpon Springs
- City of Treasure Island

Note: In 2023, the City of Safety Harbor joined the program.

2 FLOOD INSURANCE COVERAGE ASSESSMENT

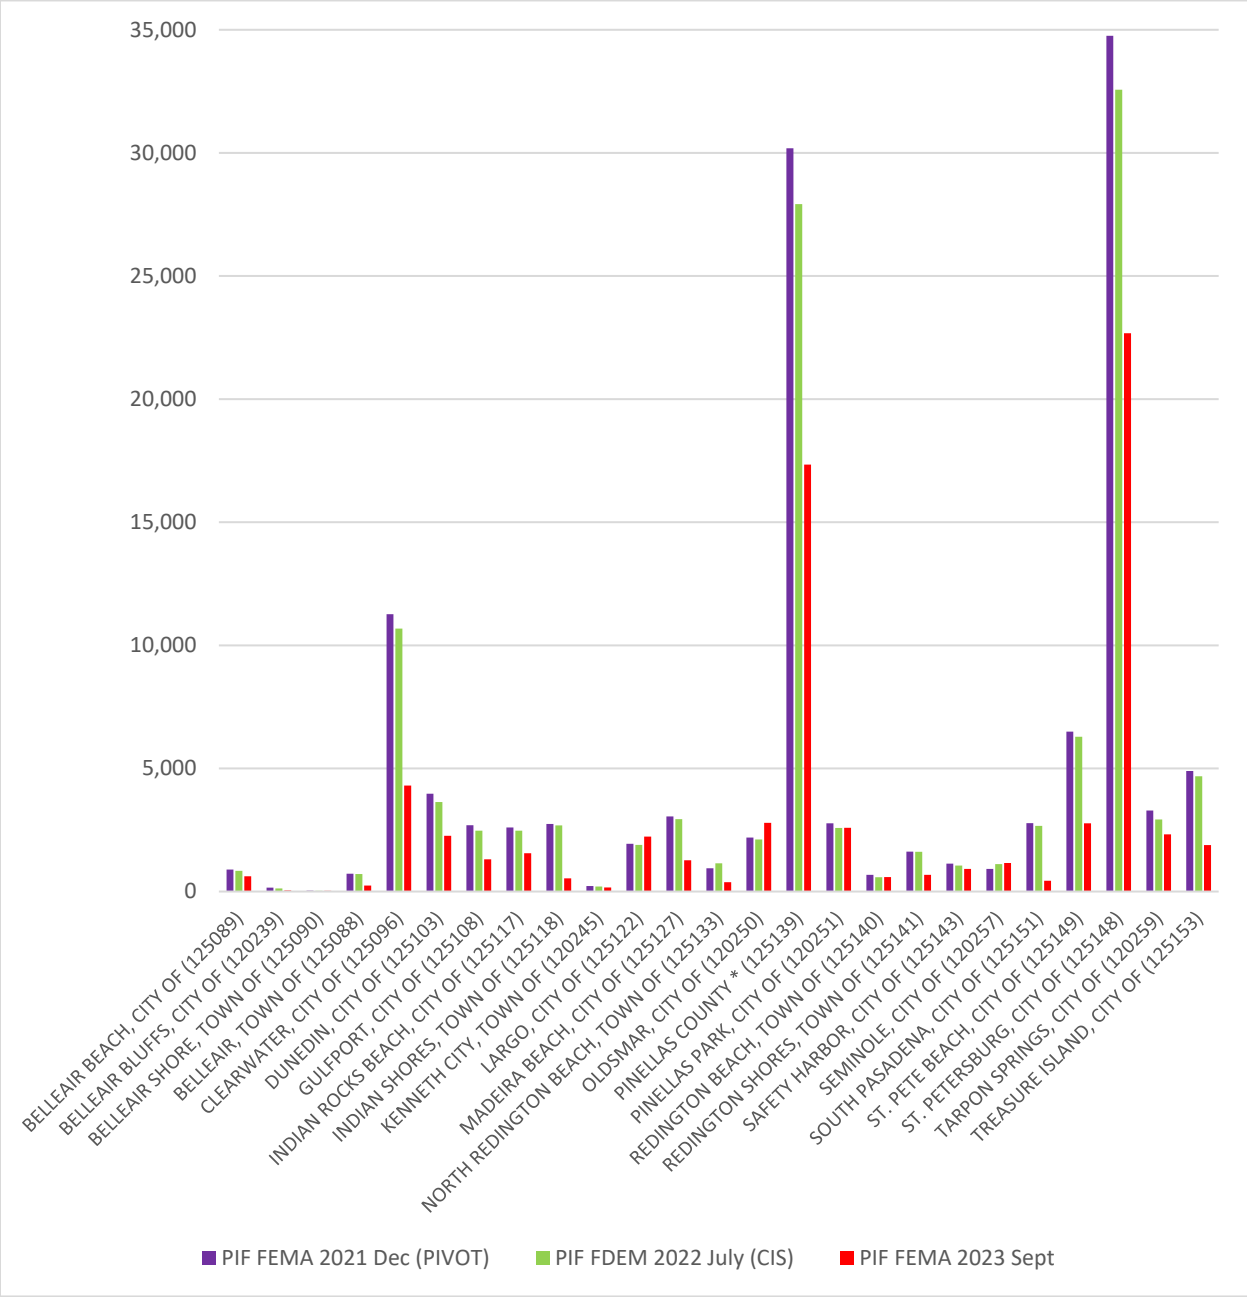

REVIEW OF FLOOD INSURANCE POLICY DATA

Flood insurance policy data was provided by FEMA to the County in October 2023. The provided data included the community's name, address, and policy effective date for active contracts. The 2023 data lacked additional information that was provided in past years, such as premium amounts. Additionally, there were 19,008 Policies in Force (PIF) with the community's name listed as 'UNKNOWN'. As such, these addresses were geocoded and spatially joined to parcel data to estimate the community. There were 1,721 provided addresses that were not located. A comparison of the active contracts for the past three years can be found in Table 1 and Figure 1. Note that the 2023 data is based on the assumed community from the address geolocation and does not include premium data.

Table 1: Community NFIP PIF and Premium Summary 2021-2023

Community Name (Number)	PIF FEMA Dec 2021	Premiums FEMA Dec 2021	PIF FDEM July 2022	Premiums FDEM July 2022	PIF FEMA Sept 2023 (geocoded community)	Premiums FEMA Sept 2023

Figure 1: Community NFIP PIF Summary 2021-2023

Since Risk Rating 2.0 began in 2021, there has been a decrease in NFIP policy counts year to year for most of the Pinellas County communities (Table 2). It is unclear how many people dropped NFIP policies to purchase flood insurance through a private insurer or how many people chose to not renew their NFIP policies because of increased rates. The consistent decreasing number of NFIP policies is concerning and the working group will continue to identify, improve, and implement outreach to educate the public about the benefits of insurance coverage following a flood. Countywide, the majority of the PIF in 2023 were for single family homes in the FEMA Special Flood Hazard Area (SFHA) (Table 3). As such, a focus on outreach to residential properties will take precedence.

Table 2: Change in NFIP PIF 2021 to 2023

Community Name (Number)	PIF FEMA Dec 2021	PIF FDEM July 2022	PIF FEMA Sept 2023 (geocoded community)	PIF Change 2021 to 2023 (geocode not raw data)

Pinellas County Unincorporated,

REPETITIVE LOSS AREA ANALYSIS (RLAA)

ANNUAL REPORT,

January 2024

PINELLAS COUNTY UNINCORPORATED REPETITIVE LOSS AREA ANALYSIS (RLAA) ANNUAL REPORT

Pinellas County | January, 2024

The Pinellas County Repetitive Loss Area Analysis (RLAA) was completed in 2019 and is reviewed annually. It includes all unincorporated properties on the repetitive loss list and all nearby properties that may experience similar flooding conditions. Data used to develop the RLAA included, but is not limited to:

- FEMA repetitive loss data
- Conveyance system components (e.g., location and size of stormwater pipes, ditches, storage basins, and work requests)
- Known hots spots (e.g., conveyance system problem areas)
- High water mark (HWM) information
- Flood complaint information
- Floodplains (e.g., Pinellas County Watershed Management Plans (WMP), municipal Stormwater Master Plans (SWMP), Pinellas County Vulnerability Assessment, FEMA Flood Insurance Study (FIS) and FEMA Flood Insurance Rate Maps (FIRMs))
- Storm surge areas
- LiDAR (elevation data)
- Street view
- Field observations

Each year the County requests various data from FEMA to review and update their plans as needed, including repetitive loss data. The most recent repetitive loss data from FEMA was provided to Pinellas County in August 2023. Pinellas County Floodplain Management, at 14 S. Ft. Harrison Ave, reviewed the list for accuracy to determine whether the properties are within the community's corporate limits, and whether the buildings have been removed, retrofitted, or otherwise protected from the cause of repetitive flooding. Any corrections to the list have been sent to FEMA.

There are a total of 177 repetitive loss properties (RL) geographically located within unincorporated Pinellas County on the list received in August 2023. The data shows loss dates ranging from 1979 to 2020. Of these RL, 153 are listed as "NFIP Repetitive Loss", and 2 are listed as "Flood Mitigation Assistance (FMA) Repetitive Loss". Additionally, 16 of the 177 properties are considered "NFIP Severe Repetitive Loss" and 20 are considered "FMA Severe Repetitive Loss". After comparing the recently provided RL list to the previously provided RL list, it was determined that FEMA added 22 properties that are geographically located within unincorporated Pinellas County to the list. These recently added RL show loss dates ranging from1996 to 2020 which align with the weather events identified in the RLAA. Two of the 22 newly added RL resulted from Tropical Storm Eta in 2020; however, the remainder were from prior weather events. Table 1 and Table 2 provide summaries of the findings.

A review of previously recommended mitigation strategies for identified Repetitive Loss Areas (RLA) was completed as well. No new mitigation strategies have been identified or implemented; however, the County continues to implement ongoing efforts, such as known hot spot inspections and maintenance. There are no recommended changes to the action items at this time. New RL that do not fall within identified RLA will be evaluated as part of the 5-year update which is occurring this year. This annual report is included in the Local Mitigation Strategy (LMS) annual report, which is available to the media and the public on request.

Table 1: Repetitive Loss Properties Review
